

noncompliance, as required by 49 U.S.C. 30118, and a remedy for the noncompliance, as required by 49 U.S.C. 30120, should be granted.

The Daimler Vans complete petition and all supporting documents are available by logging onto the Federal Docket Management System (FDMS) website at <https://www.regulations.gov> and following the online search instructions to locate the docket number listed in the title of this notice.

NHTSA notes that the statutory provisions (49 U.S.C. 30118(d) and 30120(h)) that permit manufacturers to file petitions for a determination of inconsequentiality allow NHTSA to exempt manufacturers only from the duties found in sections 30118 and 30120, respectively, to notify owners, purchasers, and dealers of a defect or noncompliance and to remedy the defect or noncompliance. Therefore, any decision on this petition only applies to the subject vehicles that Daimler Vans no longer controlled at the time it determined that the noncompliance existed. However, any decision on this petition does not relieve vehicle distributors and dealers of the prohibitions on the sale, offer for sale, or introduction or delivery for introduction into interstate commerce of the noncompliant vehicles under their control after Daimler Vans notified them that the subject noncompliance existed.

Authority: 49 U.S.C. 30118, 30120; delegations of authority at 49 CFR 1.95 and 501.8.

Director, Office of Vehicle Safety Compliance.

SUPPLEMENTARY INFORMATION: On August 6, 2018, the Secretary of State, acting pursuant to delegated authority under section 306(a) of the Chemical and Biological Weapons Control and Warfare Elimination Act of 1991, as amended, 22 U.S.C. 5601 *et seq.* (CBW Act), determined that the Government of the Russian Federation (Russia) had used chemical weapons in violation of international law or had used lethal chemical weapons against its own nationals. On August 27, 2018, pursuant to his August 6, 2018 determination, the Secretary of State imposed an initial round of sanctions on Russia (83 FR 43723, August 27, 2018). Section 307(b)(1) of the CBW Act requires the imposition of additional sanctions on Russia unless, within three months after making such a determination, the Secretary of State finds Russia has met certain conditions. On November 6, 2018, the Secretary of State found that Russia had not met the required conditions. On August 2, 2019, the Secretary of State selected three additional sanctions to impose on Russia (84 FR 44671, August 26, 2019).

On August 1, 2019, the President, invoking the authority of, *inter alia*, the International Emergency Economic Powers Act (50 U.S.C. 1701-1706) (IEEPA) and the CBW Act, issued Executive Order (E.O.) 13883 ("Administration of Proliferation Sanctions and Amendment of Executive Order 12851") (84 FR 38113, August 5, 2019). The President issued E.O. 13883 in order to take additional steps with respect to the national emergency described and declared in Executive Order 12938 of November 14, 1994, as amended by and relied on for additional steps in subsequent Executive Orders.

In E.O. 13883, the President directed the Secretary of the Treasury, in consultation with the Secretary of State, to take the following actions when necessary to implement certain sanctions set forth in E.O. 13883 and section 307(b)(2) of the CBW Act selected for imposition on a country by the President or the Secretary of State pursuant to section 307(b)(1) of the CBW Act: (i) Oppose, in accordance with section 701 of the International Financial Institutions Act (22 U.S.C. 262d), the extension of any loan or financial or technical assistance to that country by international financial institutions; and (ii) prohibit any United States bank from making any loan or providing any credit to the government

of that country, except for loans or credits for the purpose of purchasing food or other agricultural commodities or products.

Accordingly, on August 2, 2019, pursuant to the Secretary of State's August 2, 2019 decision to impose additional sanctions on Russia, E.O. 13883, and the Weapons of Mass Destruction Proliferators Sanctions Regulations, 31 CFR 544.802, the Director of OFAC issued the Russia-Related Directive Under Executive Order 13883 of August 1, 2019 (CBW Act Directive). OFAC made the CBW Act Directive available on its website on August 3, 2019. OFAC is publishing the CBW Act Directive in the **Federal Register**, updated to include the number of the Executive Order of August 1, 2019.
