A person who is licensed as a physician, however, is ''registered'' and exempt from the statute's registration fee and application requirements. Ga. Code Ann. § 16–13–35(g)(2) (Westlaw, current through acts passed during the 2019 Session of the General Assembly). The Georgia Code defines ''physician'' as ''a person licensed to practice medicine.'' Ga. Code Ann. § 43–34–21(2) (Westlaw, current through acts passed during the 2019 Session of the General Assembly). Under Georgia law, ''to practice medicine'' includes ''attaching the title 'M.D.' . . . to one's name, indicating that such person is engaged in the treatment or diagnosis of disease, defects, or injuries to human beings.'' Ga. Code Ann. § 43–34–21(3) (Westlaw, current through acts passed during the 2019 Session of the General Assembly).

Here, the undisputed evidence in the record, including Respondent's admission, is that Respondent currently lacks authority to practice medicine in Georgia. Government Motion, Exhs. 2–4; RMRC, at 2. As already discussed, a ''physician,'' under Georgia law, is a person licensed to practice medicine. Further, under Georgia law, a ''physician'' is registered to dispense controlled substances. Because Respondent lacks authority to practice medicine in Georgia, he is not registered to handle controlled substances in Georgia according to Georgia law. Accordingly, Respondent is not eligible to maintain a DEA registration and I will order that Respondent's DEA registration be revoked.[6]

Order

Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 824(a), I hereby revoke DEA Certificate of Registration No. BS4014332 issued to John Yolman Salinas, M.D. Pursuant to 28 CFR 0.100(b) and the authority vested in me by 21 U.S.C. 823(f), I hereby deny any pending application of John Yolman Salinas to renew or to modify this registration, and any pending application of John Yolman Salinas to be registered in the state of Georgia. This Order is effective October 21, 2019.

[6] Given my findings that Respondent is registered with the DEA in Georgia, that his Georgia medical license is revoked, and that he lacks authority in Georgia to dispense controlled substances, I find that both of Respondent's CAPs—changing his registered address to another state or a Territory of the United States, and ''procuring a position as an undercover physician to infiltrate pill mills and help in the war against drugs''—provide no basis for me to discontinue or defer this proceeding. 21 U.S.C. 824(c)(3).

Acting Administrator.
