

Act permits the Secretary of HHS to exercise authority equivalent to that available to the Secretary of State under 22 U.S.C. 2669(c) to award personal services contracts for work performed in foreign countries.

The authority delegated herein includes the authority to determine the necessity of negotiating, executing, and performing such contracts without regard to statutory provisions as relate to the negotiation, making, and performance of contracts and performance of work in the United States. This authority is immediately revoked in the event that any subsequent fiscal year HHS appropriations act does not contain the provision currently in section 212(1) or substantially similar authority.

The Director, CDC may redelegate this authority to the Chief Operating Officer, CDC for a period of one (1) year from the effective date of this delegation to respond to the current Ebola outbreak. This authority may not be further redelegated except as noted above.

The delegates shall consult with the Secretary of State and relevant Chief of Mission to ensure that this authority is exercised in a manner consistent with section 207 of the Foreign Service Act of 1980 and other applicable statutes administered by the Department of State.

This delegation became effective upon date of signature. In addition, I hereby affirm and ratify any actions taken by the delegates or their subordinates which involved the exercise of the authorities delegated herein, or substantially similar authorities vested in me by prior annual HHS appropriations acts, prior to the effective date of the delegation.

Dated: September 19, 2019.

Alex M. Azar II,

Secretary, Department of Health and Human Services.
