On September 23, 2019, the Department of Justice filed a Complaint and concurrently lodged a proposed Consent Decree to resolve claims by the United States against the Utah Department of Transportation for violations of the Clean Water Act, specifically violations of the terms and conditions of Defendant’s National Pollutant Discharge Elimination System Permit issued by the State of Utah under Section 402(b) of the Clean Water Act, 33 U.S.C. 1342(b), for discharges of stormwater from Defendant’s municipal separate storm sewer system (“MS4”) throughout the State of Utah.
