7 CFR Part 400

[0505-AA17]

Nonprocurement Debarment and Suspension

AGENCY: Office of the Chief Financial Officer and Federal Crop Insurance Corporation, USDA.

ACTION: Final rule.

SUMMARY: The USDA issues this final rule to adopt certain provisions of the Office of Management and Budget (OMB) guidelines to agencies on governmentwide debarment and suspension (nonprocurement) not previously adopted, to adopt changes made to the OMB guidance after its initial publication in 2010, and to revise the definition of the term “disqualified” to add the statutory disqualification requirements for USDA agencies. Finally, this rule removes a reference to the old USDA suspension and debarment regulations for the Federal Crop Insurance Corporation and replaces it with the current regulations. This regulatory action makes no substantive changes in USDA policy or procedures for nonprocurement debarment and suspension.

DATES: This final rule is effective as of October 4, 2019.

SUPPLEMENTARY INFORMATION:

Background

USDA published a direct final rule on May 25, 2010, to adopt the OMB guidelines to agencies on nonprocurement debarment and suspension as 2 CFR part 417 (75 FR 29183). USDA issues this final rule to adopt subpart E, General Services Administration’s System for Award Management (GSA/SAM) (formerly Excluded Parties List System) and subpart F, General Principles Relating to Suspension and Debarment, of 2 CFR part 180. It also revises 2 CFR part 417 to amend subpart I to add the definition of “disqualified” in 2 CFR 417.935, as supplemented to include the statutory disqualifications required under USDA programs, and the definition of “nonprocurement transaction” in 2 CFR 417.970, and to adopt the Appendix to Part 180—Covered Transactions. Finally, this rule amends 7 CFR part 400 to replace a reference to the old USDA suspension and debarment regulations in 7 CFR 400.454.

Discussion and Analysis

The amendment to part 417 adopts subparts and definitions in the OMB guidelines to agencies on nonprocurement debarment and suspension not previously adopted and captures updates to 2 CFR part 180 that have occurred since 2010. These include Subpart E, General Services Administration’s System for Award Management (GSA/SAM) (formerly Excluded Parties List System); Subpart F, General Principles Relating to Suspension and Debarment; definitions added in 2 CFR 180.935, as supplemented to include USDA statutory disqualifications, and 2 CFR 180.970; and Appendix to Part 180—Covered Transactions. This rule also replaces a reference to 7 CFR part 3017 in 7 CFR 400.454 with a reference to 2 CFR part 417. This regulatory action is a technical update of the rule and does not represent a change in current USDA nonprocurement debarment and suspension policy or procedures.

Executive Order 12866 Regulatory Planning and Review

This rule is issued in conformance with Executive Order 12866, “Regulatory Planning and Review.” It has been determined to be not significant for the purposes of Executive Order 12866 and, therefore, was not

V. Unfunded Mandates Act of 1995 (Sec. 202, Pub. L. 104-4)

This regulatory action does not contain a Federal mandate that will result in the expenditure by State, local, and Tribal governments, in aggregate, or by the private sector of \$100 million or more in any one year.

VI. Paperwork Reduction Act of 1995 (44 U.S.C., Chapter 35)

This regulatory action will not impose any additional reporting or recordkeeping requirements under the Paperwork Reduction Act.

VII. Federalism (Executive Order 13132)

This regulatory action does not have Federalism implications, as set forth in Executive Order 13132. It will not have substantial direct effects on the States, on the relationship between the Federal government and the States, or on the distribution of power and responsibilities among the various levels of government, except as required by law. This rule does not impose substantial direct compliance costs on State and local governments. Therefore, consultation with the States was not required.

VIII. Executive Order 13175 (Consultation and Coordination With Indian Tribal Governments)

Executive Order 13175, entitled “Consultation and Coordination With Indian Tribal Governments” (65 FR 67249, November 9, 2000), requires agencies to develop an accountable process to ensure “meaningful and timely input by tribal officials in the development of regulatory policies that have tribal implications.” This rule does not have tribal implications, as specified in Executive Order 13175.

417.660 Will administrative agreement information about me in the designated integrity and performance system accessible through SAM be corrected or updated?

Subpart F—General Principles Relating to Suspension and Debarment Actions

§ 417.600 How do suspension and debarment actions start?

When Federal agency officials receive information from any source concerning

a cause for suspension or debarment, they will promptly report it and the agency will investigate. The officials refer the question of whether to suspend or debar you to their suspending or

debaring official for consideration, if appropriate.

§ 417.605 How does suspension differ from debarment?

SUSPENSION DIFFERS FROM DEBARMENT IN THAT—

A suspending official . . .	A debaring official . . .
(a) Imposes suspension as a temporary status of ineligibility for procurement and nonprocurement transactions, pending completion of an investigation or legal proceedings. (b) Must— (1) Have “adequate evidence” that there may be a cause for debarment of a person; and (2) Conclude that “immediate action” is necessary to protect the Federal interest. (c) Usually imposes the suspension “first,” and then promptly notifies the suspended person, giving the person an opportunity to contest the suspension and have it lifted.	Imposes debarment for a specified period as a final determination that a person is not presently responsible. Must conclude, based on a “preponderance of the evidence,” that the person has engaged in conduct that warrants debarment. Imposes debarment “after” giving the respondent notice of the action and an opportunity to contest the proposed debarment.

§ 417.610 What procedures does a Federal agency use in suspension and debarment actions?

In deciding whether to suspend or debar you, a Federal agency handles the actions as informally as practicable, consistent with principles of fundamental fairness.

(a) For suspension actions, a Federal agency uses the procedures in this subpart and subpart G of this part.

(b) For debarment actions, a Federal agency uses the procedures in this subpart and subpart H of this part.

§ 417.615 How does a Federal agency notify a person of a suspension or debarment action?

(a) The suspending or debaring official sends a written notice to the last known street address, facsimile number, or email address of—

- (1) You or your identified counsel; or
- (2) Your agent for service of process, or any of your partners, officers, directors, owners, or joint venturers.

(b) The notice is effective if sent to any of these persons.

§ 417.620 Do Federal agencies coordinate suspension and debarment actions?

Yes, when more than one Federal agency has an interest in a suspension or debarment, the agencies may consider designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their suspension and debarment actions.

§ 417.625 What is the scope of a suspension or debarment?

If you are suspended or debarred, the suspension or debarment is effective as follows:

(a) Your suspension or debarment constitutes suspension or debarment of all of your divisions and other organizational elements from all covered transactions, unless the suspension or debarment decision is limited—

(1) By its terms to one or more specifically identified individuals, divisions, or other organizational elements; or

(2) To specific types of transactions.

(b) Any affiliate of a participant may be included in a suspension or debarment action if the suspending or debaring official—

(1) Officially names the affiliate in the notice; and

(2) Gives the affiliate an opportunity to contest the action.

§ 417.630 May a Federal agency impute the conduct of one person to another?

For purposes of actions taken under this part, a Federal agency may impute conduct as follows:

(a) *Conduct imputed from an individual to an organization.* A Federal agency may impute the fraudulent, criminal, or other improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with an organization, to that organization when the improper conduct occurred in connection with the individual’s performance of duties for or on behalf of that organization, or with the organization’s knowledge, approval or acquiescence. The organization’s acceptance of the benefits derived from the conduct is evidence of knowledge, approval or acquiescence.

(b) *Conduct imputed from an organization to an individual, or between individuals.* A Federal agency

may impute the fraudulent, criminal, or other improper conduct of any organization to an individual, or from one individual to another individual, if the individual to whom the improper conduct is imputed either participated in, had knowledge of, or reason to know of the improper conduct.

(c) *Conduct imputed from one organization to another organization.* A Federal agency may impute the fraudulent, criminal, or other improper conduct of one organization to another organization when the improper conduct occurred in connection with a partnership, joint venture, joint application, association or similar arrangement, or when the organization to whom the improper conduct is imputed has the power to direct, manage, control, or influence the activities of the organization responsible for the improper conduct. Acceptance of the benefits derived from the conduct is evidence of knowledge, approval, or acquiescence.

§ 417.635 May a Federal agency settle a debarment or suspension action?

Yes, a Federal agency may settle a debarment or suspension action at any time if it is in the best interest of the Federal Government.

§ 417.640 May a settlement include a voluntary exclusion?

Yes, if a Federal agency enters into a settlement with you in which you agree to be excluded, it is called a voluntary exclusion and has governmentwide effect.

§ 417.645 Do other Federal agencies know if an agency agrees to a voluntary exclusion?

(a) Yes, the Federal agency agreeing to the voluntary exclusion enters information about it into SAM Exclusions.

(b) Also, any agency or person may contact the Federal agency that agreed to the voluntary exclusion to find out the details of the voluntary exclusion.

§ 417.650 May an administrative agreement be the result of a settlement?

Yes, a Federal agency may enter into an administrative agreement with you as part of the settlement of a debarment or suspension action.

§ 417.655 How will other Federal awarding agencies know about an administrative agreement that is the result of a settlement?

The suspending or debaring official who enters into an administrative agreement with you must report information about the agreement to the designated integrity and performance system within three business days after entering into the agreement. This information is required by section 872 of the Duncan Hunter National Defense Authorization Act for Fiscal Year 2009 (41 U.S.C. 2313).

§ 417.660 Will administrative agreement information about me in the designated integrity and performance system accessible through SAM be corrected or updated?

Yes, the suspending or debaring official who entered information into the designated integrity and

performance system about an administrative agreement with you:

(a) Must correct the information within three business days if he or she subsequently learns that any of the information is erroneous.

(b) Must correct in the designated integrity and performance system, within three business days, the ending date of the period during which the agreement is in effect, if the agreement is amended to extend that period.

(c) Must report to the designated integrity and performance system, within three business days, any other modification to the administrative agreement.

(d) Is strongly encouraged to amend the information in the designated integrity and performance system in a timely way to incorporate any update that he or she obtains that could be helpful to Federal awarding agencies who must use the system.
