SUPPLEMENTARY INFORMATION: DoD has determined this rulemaking meets the criteria for a direct final rule because the removal of 32 CFR part 78, last amended on July 18, 2006 (71 FR 40657), does not change in any way the procedures for the voluntary withholding of State tax from the monthly retired or retainer pay of any member or former member of the uniformed Services, and therefore DoD expects no opposition to it. However, if DoD receives a significant adverse comment, the Department will withdraw this direct final rule by publishing a notice in the **Federal Register**. A significant adverse comment is one that explains why the direct final rule is inappropriate or unacceptable. In determining whether a comment necessitates withdrawal of this direct final rule, DoD will consider whether it warrants a substantive response in a notice and comment process.

Congress authorized the Department in 10 U.S.C. 1045 to establish this program. This part restates that law and otherwise contains internal instruction. DoD internal procedures for the voluntary withholding of this state tax are contained in DoD's Financial Management Regulation (FMR), Volume 7B, Chapter 26, available at http://comptroller.defense.gov/Portals/45/documents/fmr/current/07b/07b_26.pdf (most recently updated in July 2018). Any administrative-type information pertinent to the public, such as where a tax payer should file a request to have pay withheld or how a state can procedurally enter into a withholding agreement with the Department, can be found in a notice document published in the **Federal Register** today, as well as in the FMR at the website above.

This rule is not significant under Executive Order (E.O.) 12866, "Regulatory Planning and Review." Therefore, the requirements of E.O. 13771, "Reducing Regulation and Controlling Regulatory Costs," do not apply.
