SUPPLEMENTARY INFORMATION:

I. Abstract

OSC is a permanent independent federal investigative and prosecutorial agency. OSC's basic authorities come from four federal statutes: The Civil Service Reform Act, the Whistleblower Protection Act, the Hatch Act, and the Uniformed Services Employment & Reemployment Rights Act (USERRA). OSC's primary mission is to safeguard the merit system by protecting federal employees and applicants from prohibited personnel practices, especially reprisal for whistleblowing, and to serve as a safe channel for allegations of wrongdoing.

OSC is seeking renewal of the approval for the information collection for Form OSC-14. The electronic form must be used to submit allegations of possible prohibited personnel practices or other prohibited activity for investigation and possible prosecution by OSC and is recommended for filing disclosures of covered wrongdoing for review and possible referral to heads of agencies. The form may also be used by individuals to file complaints under the Hatch Act.

II. Request for Comments

OSC requests that you send your comments on this collection to the location listed in the **ADDRESSES** section. Your comments should address the following: (a) The necessity of the information collection for OSC to

perform its functions; (b) the accuracy of the estimated burden (hours and cost) of the collection of information; (c) ways OSC could enhance the quality, utility, and clarity of the information to be collected; and (d) ways OSC could minimize the burden of the collection of the information on the respondents. All comments will be available for review at the location listed in the **ADDRESSES** section during the hours of 9 a.m.–5 p.m., Eastern Time, Monday through Friday except for legal holidays.
