III. Designation of Longer Period for Commission Action

Section 19(b)(2) of the Exchange Act⁷ provides that, within 45 days of the publication of notice of the filing of a proposed rule change, or within such longer period up to 90 days as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding, or as to which the self-regulatory organization consents, the Commission shall either approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether the proposed rule change should be disapproved. The 45th day after publication of the Notice of Filing is October 11, 2019. The Commission is extending this 45-day time period.

In order to provide the Commission with sufficient time to consider the Proposed Rule Change, the Commission finds that it is appropriate to designate a longer period within which to take action on the Proposed Rule Change.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Exchange Act,⁸ designates November 25, 2019 as the date by which the Commission shall either approve, disapprove, or institute proceedings to determine whether to disapprove proposed rule change SR–OCC–2019–007.

The Committee’s objectives and scope of its activities are to provide the Commission with (a) diverse perspectives on asset management, including (i) trends and developments affecting investors and market participants, (ii) the effects of globalization, including as it relates to operations, risks and regulation, and (iii) changes in the role of technology and service providers, as well as (b) related advice and recommendations.
