SUPPLEMENTARY INFORMATION:**Background**

On February 8, 2019, Commerce published in the **Federal Register** a notice of "Opportunity to Request Administrative Review" of the antidumping duty order on shrimp from China for the period of review February 1, 2018, through January 31, 2019.¹ Pursuant to requests from interested parties, on May 2, 2019, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the antidumping duty order on shrimp from China with respect to 102 companies.² On June 10, 2019, Ad Hoc Shrimp Trade Action Committee (the petitioner) timely withdrew its requests for an administrative review of all of the companies for which it had requested a review.³

³ See Petitioner's Letter, "Certain Frozen Warmwater Shrimp from the People's Republic of China: Domestic Producers' Withdrawal of Review Requests," dated June 10, 2019.

Partial Rescission of the Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested the review withdraws its request within 90 days of the publication date of the notice of initiation of the requested review. The petitioner timely withdrew all of its review requests. Because Commerce received no other requests for review for 14 of the companies for which a review was initiated, we are rescinding this review of shrimp from China for the period February 1, 2018, through January 31, 2019, in part, with respect to these 14 entities, in accordance with 19 CFR 351.213(d)(1). These 14 entities are: (1) Dalian Hengtai Foods Co., Ltd.; (2) Dalian Philica Supply Chain Management Co., Ltd.; (3) Dalian Sunrise Foodstuffs Co., Ltd.; (4) Dongwei Aquatic Products (Zhangzhou) Co., Ltd.; (5) Fujian Dongwei Food Co., Ltd.; (6) Fujian Hongao Trade Development Co.; (7) Fujian R & J Group Ltd.; (8) Gallant Ocean Group; (9) Guangdong Rainbow Aquatic Development; (10) Penglai Yuming Foodstuff Co., Ltd.; (11) Rizhao Meijia Keyuan Foods Co. Ltd.; (12) Suizhong Tieshan Food Co., Ltd.; (13) Yangjiang Guolian Seafood Co., Ltd.; and (14) Zhangzhou Xinhui Foods Co., Ltd. The instant review will continue with respect to the remaining companies for which a review was initiated.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For the companies for which this review is rescinded, antidumping duties shall be assessed at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as the only reminder to importers whose entries will be liquidated as a result of this rescission notice, of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the presumption that

reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751 and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: October 10, 2019.

On November 5, 2018, we received a timely filed certification of no shipments of subject merchandise from Fabricaciones y Servicios de Mexico (FASEMEX).³ Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 28, 2019.⁴ On April 10, 2019, we further extended the time limit for completion of the preliminary results of the review to no later than October 10, 2019.⁵

Scope of the Order

The scope of this order covers certain welded carbon-quality light-walled steel pipe and tube, of rectangular (including square) cross section, having a wall thickness of less than 4 mm. The term carbon-quality steel includes both carbon steel and alloy steel which contains only small amounts of alloying elements. Specifically, the term carbon-quality includes products in which none of the elements listed below exceeds the quantity by weight respectively indicated; 1.80 percent of manganese, or 2.25 percent of silicon, or 1.00 percent of copper, or 0.50 percent of aluminum, or 1.25 percent of chromium, or 0.30 percent of cobalt, or 0.40 percent of lead, or 1.25 percent of nickel, or 0.30 percent of tungsten, or 0.10 percent of molybdenum, or 0.10 percent of niobium, or 0.15 percent of vanadium, or 0.15 percent of zirconium.

The description of carbon-quality is intended to identify carbon-quality products within the scope. The welded-carbon quality rectangular pipe and tube subject to the order is currently classified under the Harmonized Tariff Schedule of the United States (HTSUS) subheadings 7306.61.50.00 and 7306.61.70.60. This tariff classification is provided for convenience and Customs purposes; however, the written description of the scope of the order is dispositive.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(2) of the Tariff Act of 1930, as amended (the Act). Export price was calculated in accordance with section 772 of the Act. Normal value was calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum.

Preliminary Determination of No Shipments

Prior to the issuance of the questionnaire, FASEMEX reported that it made no sales of subject merchandise during the POR.⁷ On November 9, 2018, we placed the U.S. Customs and Border Protection (CBP) inquiry instructions on the record that we sent to CBP regarding

FASEMEX's statement of no shipments.⁸ We received no information from CBP contrary to the statements of no shipments from FASEMEX.

Consistent with our practice,⁹ we are not preliminarily rescinding the review with respect to FASEMEX. Rather, we will complete the review for FASEMEX and issue appropriate instructions to CBP based on the final results of this review.

Preliminary Results of Review

We preliminarily determine that, for the period August 1, 2017 through July 31, 2018, the following weighted-average dumping margins exist:

Assessment Rates

For any individually examined respondents whose weighted-average dumping margin is above *de minimis* (i.e., 0.50 percent), we will calculate importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR

351.212(b)(1).¹⁸ We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If a respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by this review where applicable.

Regarding entries of subject merchandise during the period of review that were produced by Maquilacero and Regiopytsa and for which they did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the all-others rate of 3.76 percent, as established in the less-than-fair-value investigation, if there is no rate for the intermediate company(ies) involved in the transaction.¹⁹ For a full discussion of this matter, see *Assessment Policy Notice*.²⁰

In accordance with 19 CFR 356.8, we intend to issue liquidation instructions to CBP on or after 41 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recently

completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review, a prior review, or in the investigation but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be the all-others rate of 3.76 percent. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: October 10, 2019.
