**AGENCY:** Office of Community Services, Administration for Children and Families, HHS.

**ACTION:** Request for public comment.

**SUMMARY:** The Office of Community Services (OCS) is requesting a three-year extension of the semi-annual reporting format for Community Economic Development (CED) grantees, the Performance Progress Report (PPR), which collects information concerning the outcomes and management of CED projects (OMB #0970-0386, expiration 6/30/2020). There are no changes requested to the form.

**SUPPLEMENTARY INFORMATION:**

**Description:** OCS will continue collecting key information about projects funded through the CED program. The legislative requirement for this program is in Title IV of the Community Opportunities, Accountability and Training and Educational Services Act (COATS Human Services Reauthorization Act) of October 27, 1998, Public Law 105-285, section 680(b) as amended. The PPR collects information concerning the outcomes and management of CED projects. OCS will use the data to critically review the overall design and effectiveness of the program.

The PPR will continue to be administered to all active grantees of the CED program. Grantees will be required to use this reporting tool for their semi-annual reports to be submitted twice a year. The current PPR replaced both the annual questionnaire and other semi-annual reporting formats, which resulted in an overall reduction in burden for the grantees while significantly improving the quality of the data collected by OCS. OCS seeks to renew this PPR to continue to collect quality data from grantees. To ensure the burden on grantees is not increased, but that the information collected demonstrates the full impact of the program, OCS has conducted an in-depth review of the forms and requests no changes to the PPR.

**Respondents:** Active CED Grantees.

**ANNUAL BURDEN ESTIMATES**

Instrument	Annual number of respondents	Annual number of responses per respondent	Average burden hours per response	Annual burden hours
PPR for Current OCS-CED Grantees .....	129	2	1.5	387

**Estimated Total Annual Burden Hours:** 387.

**Comments:** The Department specifically requests comments on (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the

burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted within 60 days of this publication.

**Authority:** Section 680(a)(2) of the Community Services Block Grant (CSBG) Act, 42 U.S.C. 9921.
