

Scope of the Order

The product covered by this order is glycine from Thailand. For a complete description of the scope of this order, see the Appendix to this notice.

Antidumping Duty Order

On October 8, 2019, in accordance with sections 735(b)(1)(A)(i) and 735(d) of the Act, the ITC notified Commerce of its final determination in this investigation, in which it found that an industry in the United States is materially injured by reason of imports of glycine from Thailand.³ As a result, and in accordance with sections 735(c)(2) and 736 of the Act, Commerce is issuing and publishing this antidumping duty order. Because the ITC determined that imports of glycine from Thailand are materially injuring a U.S. industry, Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on the subject merchandise from Thailand.

As a result of the ITC Notification, in accordance with section 736(a) of the Act, Commerce will direct CBP to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price (or constructed export price) of the merchandise, for all relevant entries of glycine from Thailand. Antidumping duties will be assessed on unliquidated entries of glycine from Thailand entered, or withdrawn from warehouse, for consumption on or after August 5, 2019, the date of publication of the *Final Determination*.⁴

Continuation of Suspension of Liquidation

In accordance with section 735(c)(1)(B) and (C) and section 736 of the Act, Commerce will instruct CBP to continue to suspend liquidation on all relevant entries of glycine from Thailand. We intend to instruct CBP to require, at the same time as importers would normally deposit estimated import duties on this merchandise, cash deposits of estimated antidumping duties for each entry of subject merchandise equal to the rates noted below. The all-others rate applies to all other producers or exporters not specifically listed. These instructions suspending liquidation will remain in effect until further notice.

Critical Circumstances

The ITC found no critical circumstances on LTFV imports of glycine from Thailand. Accordingly, we

will instruct CBP to lift suspension and to refund all cash deposits made to secure the payment of estimated antidumping duties with respect to entries of glycine from Thailand entered, or withdrawn from warehouse, for consumption on or after May 7, 2019 (*i.e.*, 90 days prior to the date of publication of the *Final Determination*), but before August 5, 2019 (*i.e.*, the date of publication of the *Final Determination*).

Estimated Weighted-Average Dumping Margins

The estimated weighted-average antidumping duty margins are as follows:

Exporter or producer	Estimated weighted-average dumping margin (percent)
Newtrend Food Ingredient (Thailand) Co., Ltd	227.17
All Others	201.59

Notifications to Interested Parties

This notice constitutes the antidumping duty order with respect to glycine from Thailand pursuant to section 736(a) of the Act. Interested parties can find a list of antidumping duty orders currently in effect at <http://enforcement.trade.gov/stats/iastatsl.html>.

Scope of the Order

The products covered by the order are certain passenger vehicle and light truck tires from China. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.⁴

Methodology

Commerce is conducting this CVD review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁵ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, *see* the Preliminary Decision Memorandum.⁶

The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and is available to all parties in the Central Records Unit, room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic versions of the Preliminary Decision Memorandum are identical in content.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an

Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance, “Deadlines Affected by the Partial Shutdown of the Federal Government,” dated January 28, 2019. All deadlines in this segment of the proceeding have been extended by 40 days.

⁴ See “Decision Memorandum for the Preliminary Results of the Administrative Review of the Countervailing Duty Order on Certain Passenger Vehicle and Light Truck Tires from the People’s Republic of China and Rescission, in part, 2017,” dated concurrently with this notice (Preliminary Decision Memorandum) and hereby adopted by this notice.

⁵ See sections 771(5)(B) and (D) of the Act regarding financial contribution; section 771(5)(E) of the Act regarding benefit; and, section 771(5A) of the Act regarding specificity.

⁶ A list of topics discussed in the Preliminary Decision Memorandum can be found as an appendix to this notice.

administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of the notice of initiation. We received timely withdrawals of the requests for review, for which no other parties requested a review, for the following companies: Guangrao Taihua International Trade Co., Ltd., Qingdao Keter International Co., Limited, Qingdao Odyking Tyre Co., Ltd., Qinzhou Detai International Trading Co., Ltd., Shengtai Group Co., Ltd., Shouguang Firemax Tyre Co., Ltd., Pirelli Tyre Co., Ltd., Shandong New Continent Tyre Co., Ltd., Shandong Guofeng Rubber Plastics Co., Ltd., Qingdao Jinhaoyang International Co., Ltd., and Maxon Int’l Co., Limited.⁷ Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding this review of the CVD order on passenger tires from China with respect to these companies.

Preliminary Results of Review

As a result of this review, we preliminarily determine the countervailable subsidy rates to be:

Company	Subsidy rate (percent <i>ad valorem</i>)
Shandong Longyue Rubber Co., Ltd	71.13
Non-Selected Companies Under Review	56.99

Preliminary Rate for the Non-Selected Companies Under Review

The statute and the Commerce’s regulations do not directly address the establishment of rates to be applied to companies not selected for individual examination where Commerce limits its examination in an administrative review pursuant to section 777A(e)(2) of the Act. However, Commerce normally determines the rates for non-selected companies in reviews in a manner that is consistent with section 705(c)(5) of the Act, which provides instructions for calculating the all-others rate in an investigation.

Section 705(c)(5)(A)(i) of the Act instructs Commerce as a general rule to calculate an all others rate using the weighted average of the subsidy rates established for the producers/exporters individually examined, excluding any zero, *de minimis*, or rates based entirely on facts available. In this review, the preliminary subsidy rates calculated for Cooper and Longyue and their cross-owned affiliates are above *de minimis* and are not based entirely on facts available. Therefore, for the companies for which a review was requested that were not selected as mandatory company respondents and for which we did not receive a timely request for withdrawal of review, and which we are not finding to be cross-owned with the mandatory company respondents, we are preliminarily basing the subsidy rate on the weighted-average subsidy rates derived from Cooper and Longyue’s publicly available information. For a list of these non-selected companies, please see Appendix II to this notice.

Assessment Rates and Cash Deposit Requirement

Upon issuance of the final results, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, CVDs on all appropriate entries covered by this review. We intend to issue instructions to CBP 15 days after publication of the final results of review. For companies for which this review is rescinded, Commerce will instruct CBP to assess countervailing

duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2017 through December 31, 2017, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.
