Order Imposing Civil Monetary Penalty

I

Dead Ringer, LLC (Dead Ringer) provides tactical optics and sights, hunting scopes and sights, as well as archery broadheads, sights and accessories. Dead Ringer is located in Rochester, New York.

II

The U.S. Nuclear Regulatory Commission (NRC) initiated two separate investigations of Dead Ringer’s activities on January 4, 2017, and January 19, 2018. The results of both investigations indicated that Dead Ringer had not conducted its activities in full compliance with the NRC’s requirements associated with the initial transfer for sale or distribution of gun sights containing radioactive material (tritium). A written Notice of Violation and Proposed Imposition of Civil Penalty (Notice) was served upon Dead Ringer by letter dated August 8, 2019. The Notice states the nature of the violations, the provisions of the NRC’s requirements that Dead Ringer violated, and the amount of the civil penalty proposed for the violations. As of the date of this Order, Dead Ringer has not responded to the Notice.

III

The NRC staff has determined that the violations occurred as stated and that the civil penalty in the amount of \$43,500 should be imposed. In reaching this determination, the NRC staff considered that Dead Ringer was informed on August 8, 2019, of the NRC’s enforcement decision and forthcoming Notice, which were transmitted electronically, as well as via certified mail. Additionally, the NRC staff informed Dead Ringer on September 10, 2019, that an Order would be forthcoming if the civil penalty was not paid. To date, Dead Ringer has not taken any action to address the Notice and proposed imposition of civil penalty.
