**Recreational Boating Safety Projects,  
 Programs, and Activities Funded  
 Under Provisions of the Fixing  
 America's Surface Transportation Act;  
 Fiscal Year 2019**

**ACTION:** Notice.

**SUMMARY:** The Coast Guard is publishing this notice to satisfy a requirement of the Fixing America's Surface Transportation Act that requires a detailed accounting of the projects, programs, and activities funded under the national recreational boating safety program provision of the Act be published annually in the **Federal Register**. This notice specifies the funding amounts the Coast Guard has committed, obligated, or expended during fiscal year 2019, as of September 30, 2019.

**FOR FURTHER INFORMATION CONTACT:** For questions on this notice please contact

Mr. Jeffrey Decker, U.S. Coast Guard, Regulations Development Manager, (202) 372-1507.

**SUPPLEMENTARY INFORMATION:**

**Background and Purpose**

Since 1998, Congress has passed a series of laws providing funding for projects, programs, and activities funded under the national recreational boating safety program, which is administered by the U.S. Coast Guard. For a detailed description of the legislative history, please see the Recreational Boating Safety Projects, Programs, and Activities Funded Under Provisions of the Fixing America's Surface Transportation Act; Fiscal Year 2016 Notice published in the **Federal Register** on April 12, 2017 (82 FR 17671).

These funds are available to the Secretary from the Sport Fish Restoration and Boating Trust Fund (Trust Fund) established under 26 U.S.C. 9504(a) for payment of Coast Guard expenses for personnel and activities directly related to coordinating and carrying out the national recreational boating safety program. Amounts made available under this subsection remain available during the two succeeding fiscal years. Any amount that is unexpended or unobligated at the end of the 3-year period during which it is available, shall be withdrawn by the Secretary and allocated to the States in addition to any other amounts available for allocation in the fiscal year in which they are withdrawn or the following fiscal year.

Use of these funds requires compliance with standard Federal contracting rules with associated lead and processing times resulting in a lag time between available funds and spending. The total amount of funding transferred to the Coast Guard from the Trust Fund, and committed, obligated, and/or expended during fiscal year 2019 for each project is shown below.

**Specific Accounting of Funds**

The total amount of funding transferred to the Coast Guard from the Sport Fish Restoration and Boating Trust Fund and committed, obligated, and/or expended during fiscal year 2019 for each project is shown in the chart below.
