SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-87468; File No. SR-BX-2019-039]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Relocate Rules From its Current Rulebook Into its New Rulebook Shell

November 5, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 23, 2019, Nasdaq BX, Inc. ("BX" or "Exchange") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to relocate rules from its current Rulebook into its new Rulebook shell.

The text of the proposed rule change is available on the Exchange's website at <http://nasdaqbx.cchwallstreet.com/>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to relocate BX rules into the new Rulebook shell with some amendments to the shell.³ Nasdaq ISE, LLC ("ISE"), Nasdaq GEMX, LLC ("GEMX") and Nasdaq MRX, LLC ("MRX") recently relocated their rules.⁴ BX proposes to relocate its rules so the Rulebook is similar to ISE, GEMX and MRX. The other Nasdaq affiliated markets will also relocate their Rulebooks in order to harmonize its rule structure, where applicable, across Nasdaq markets. The relocation and harmonization of the BX Rule structure is part of the Exchange's continued effort to promote efficiency and structural conformity of its rules with those of its Affiliated Exchanges. The Exchange believes that the placement of the BX Rules into their new location in the shell will facilitate the use of the Rulebook by Members and Members of Affiliated Exchanges.

The Exchange notes that the entire Rulebook is not being relocated at this time. Specifically, certain Equity Rules and the Disciplinary Rules are not being relocated. These rules will be relocated in other rule filings.

The Exchange proposes to update all cross-references within the Rule to the new relocated rule cites and also proposes to correct certain citations. The Exchange proposes to replace internal rule references to simply state "this Rule" where the rule is citing itself without a more specific cite included in the Rule. For example, if BX Chapter VI, Section 3 refers currently to "Chapter VI, Section 3" the Exchange will amend the phrase to simply "this Rule." The Exchange proposes to conform numbering and lettering in certain rules to the remainder of the Rulebook. The Exchange proposes to reflect the use of the General Equity and Options Rules in place of Equity Rules, where applicable (*i.e.*, an Equity Rule that currently applies to both equities and options). Finally, the Exchange proposes to delete

³ Previously, the Exchange added a shell structure to its Rulebook with the purpose of improving efficiency and readability and to align its rules closer to those of its five sister exchanges, The Nasdaq Stock Market LLC; Nasdaq PHLX LLC; ISE, GEMX and MRX ("Affiliated Exchanges"). See Securities Exchange Act Release No. 82174 (November 29, 2017), 82 FR 57492 (December 5, 2017) (SR-BX-2017-054).

any current Rules that are reserved in the Rulebook.

General 1

The Exchange proposes to relocate rule text from Rule 0111, “Adoption of Rules”, Rule 0112, “Effective Date”, Rule 0113, “Interpretation,” certain definitions from Rule 0120, “Definitions” and Rule 0121 “Definitions in the By-Laws of the

Exchange” into General 1. The Exchange proposes to relocate certain definitions from Chapter VI, Section 1 into General 1.⁵ The Exchange proposes to delete certain definitions which are repetitive.⁶ The Exchange will also alphabetize the definitions within General 1 and conform the text where applicable. Definitions related to the equities rules⁷ currently within Rule 1020 will be relocated into Equity 1 as

explained below. The Exchange is conforming the format of all definitions. Finally, the Exchange notes that the description of “MarketWatch” was amended to remove the phrase “a unit of BX Regulation” because that phrase is repetitive.

The Exchange proposes to relocate Chapter VI, Section 16 Fees, Dues and Other Charges into the General section because this rule applies to both the equity and options products. This rule describes the power of BX’s Board of Directors. The Exchange notes that the Board of Directors of BX has the power to set fees for the BX market, which includes fees

for both options and equities.⁸ The Exchange notes that Section 7, “Regulatory Independence” was amended to remove the placeholder for a date.

The word “FINRA” is being added in certain places for greater clarity. The Exchange is amending Rule 2212, Telemarketing, to update the Rule reference to NASD Rule 2212 to FINRA Rule 3230 in light of a FINRA rule change.⁹ The Exchange is amending Rule 3010, Supervision, as well as IM-3010-1, Standards for Reasonable Review, to update the Rule reference to NASD Rule 3010 to FINRA Rule 3110 and 3170, respectively, in light of a FINRA rule change.¹⁰ The Exchange also proposes to remove rule text from IM-3010-1 which states, “FINRA is in the process of consolidating certain NASD rules into a new FINRA rulebook. If the provisions of NASD Interpretive

Material 3010-1 are transferred into the FINRA rulebook, then Equity Interpretive Material 3010-1 shall be construed to require Exchange members and persons associated with a member to comply with the FINRA rule corresponding to NASD Interpretive Material 3010-1 (regardless of whether such rule is renumbered or amended) as if such rule were part of the Rules of the Exchange.” The consolidation has already occurred with respect to this rule. The Exchange proposes to amend NASD Rule 3070 references within Rule 3070, Reporting Requirements, to FINRA Rule 4530 pursuant to a FINRA rule change.¹¹ The Exchange will also separately file another rule change to amend other NASD Rule references to the FINRA Rulebook. Finally, the Exchange is updating incorrect

references to NASD Rules within General 9, Sections 3, 23 and 24.

Equity Rules

The Exchange proposes to amend the Equity Rules to re-title certain chapters in the new Rulebook. The Exchange proposes to relocate certain definitions currently within Rule 0120, Definitions, into Equity 1.¹² The Exchange proposes to re-title Equity 2 from “Equity Trading Rules” to “Equity Market Participants.” The Exchange proposes to re-title Equity 3 from “Equity Market Participants” to “Equity Trading Rules.” The Exchange proposes to title Equity 4, which is currently reserved, as “Limit Up-Limit Down.” The Exchange proposes to reserve Equity 6, which is currently titled “Limit Up-Limit Down.” The Exchange proposes to title Equity 10, which is currently reserved, as “BX

Venture Market Listing Rules.” Finally, the Exchange proposes to remove Equity 11, which is titled “BX Venture Market Listing Rules.”

Options 1

The Exchange proposes to rename current Options 1 from “Options Definitions” to “General Provisions.” The Exchange proposes to relocate and alphabetize certain definitions from Chapter I, Section 1 into proposed General 1, Section 1. The Exchange also proposes to relocate definitions from Chapter VI, Section 1(a)–(c) and (h) into Options 1, Section 1. Certain definitions

within Chapter 1, Section 1 and Chapter VI, Section 1 apply to both equities and options. These definitions¹³ will be relocated to General 1, Section 1 from Chapter I, Section 1 and Chapter VI, Section 1. The Exchange proposes to conform the definitions by adding “the term” where necessary. The Exchange proposes to amend the term “System” from Chapter VI, Section 1 and apply that term to both “System” and “Trading System” and remove the separate definition for “Trading System” in Chapter I, Section 1(a)(62) which creates a circular reference to the term “System.” The Exchange also

proposes to eliminate the defined term “Participant” from Chapter VI, Section 1. The Exchange defines an “Options Participant” or “Participant” within its rules today. The separate defined term “Participant” is confusing and unnecessary. The term “Exchange” is redundant of the same terms that was already being relocated to General 1 from the Equity Rules. The Exchange proposes to delete the terms “Exchange” and “Order Entry Firms” in this rule because they are duplicative.

In addition the Exchange proposes to relocate the following rules into Options 1:

Proposed new rule No.	Current rule No.
Section 1	Chapter I, Section 1, Definitions and Chapter VI, Section 1(a)–(c) and (h).
Section 2	Chapter I, Section 2, Applicability.
Section 3	Chapter I, Section 3, Regulation of BX and its Members.

The Exchange proposes to relocate Chapter V, Section 2, MarketWatch, to the end of the defined term “MarketWatch” which is currently within Chapter I, Section 1 and is being relocated to General 1 as that term applies to both options and equities.

The sentence is merely descriptive and adds to the already defined term. The Exchange proposes to relocate Chapter VII, Section 1, Customer Orders and Order Entry Firms, into a definition for Order Entry Firms within Options 1, Section 1.

Options 2

The Exchange proposes to rename Options 2 from “Options Trading Rules” to “Options Market Participants” and relocate the following rules into this chapter:

Section 2	Reserved.
Section 3	Chapter VII, Section 13, Lead Market Makers Allocations (re-title as “Lead Market Maker Allocations”).

Section 6	Reserved.
Section 7	Chapter VII, Section 7, Securities Accounts and Orders of Market Makers.
Section 8	Chapter VII, Section 9, Financial Requirements for Market Makers.

Trading Interest, and Section 12, Order Exposure Requirements, to Options 3, Sections 19 and 22. Chapter VII, Section 1, Customer Orders and Order Entry Firms, was relocated to the definitions as described herein.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,¹⁶ in general, and furthers the objectives of Section 6(b)(5) of the Act,¹⁷ in particular, in that it is designed to promote just and equitable principles of

trade and to protect investors and the public interest by bringing greater transparency to its rules by relocating its Rules into the new Rulebook shell together with other rules which have already been relocated. The Exchange’s proposal is consistent with the Act and will protect investors and the public interest by harmonizing its rule structure, where applicable, across Nasdaq markets so that Members can readily locate rules which cover similar topics. The relocation and harmonization of the BX Rule structure is part of the Exchange’s continued effort to promote efficiency and conformity of its processes with those of its Affiliated Exchanges. The Exchange believes that the placement of the BX Rules into their new location in the shell will facilitate the use of the Rulebook by Members. Specifically, the Exchange believes that market participants that are members of more than one Nasdaq market will benefit from the ability to compare Rulebooks.

The Exchange is not substantively amending rule text unless noted

otherwise within this rule change. The renumbering, re-lettering, deleting reserved rules, amending cross-references and other minor technical changes will bring greater transparency to BX’s Rule structure. ISE, GEMX and MRX have already relocated their Rulebooks. The other Nasdaq affiliated markets will also relocate their Rulebooks in order to harmonize its rule structure, where applicable, across Nasdaq markets. The Exchange believes its proposal will benefit investors and the general public by increasing the transparency of its Rulebook and promoting easy comparisons among the various Nasdaq Rulebooks.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed amendments do not impose an undue burden on competition because the

amendments to relocate the Rules are non-substantive. This rule change is intended to bring greater clarity to the Exchange's Rules. Renumbering, re-lettering, deleting reserved rules and amending cross-references will bring greater transparency to BX's Rule structure.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and Rule 19b-4(f)(6) thereunder.¹⁹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act²⁰ normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)²¹ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay so that the Exchange could immediately relocate its rules. According to the Exchange, the proposal is intended to make it easier for members to locate the various Exchange rules, and is part of a larger effort to reorganize the Exchange's rules and those of its Affiliated Exchanges. For these reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.²²

¹⁹ 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6)(iii) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

²² For purposes only of waiving the 30-day operative delay, the Commission also has

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule change should be approved or disapproved.
