

In accordance with section 735(a)(2)(A) of the Act and 19 CFR 351.210(b)(2)(ii), because (1) the preliminary determination is affirmative; (2) the requesting exporters account for a significant proportion of exports of the subject merchandise; and (3) no compelling reasons for denial exist, Commerce is postponing the final determination and extending the provisional measures from a four-month period to a period not greater than six months. Accordingly, Commerce's final determination will be issued no later than 135 days after the date of publication of this preliminary determination.

### International Trade Commission Notification

In accordance with section 733(f) of the Act, Commerce will notify the International Trade Commission (ITC) of its preliminary determination of sales at LTFV. If the final determination is affirmative, the ITC will determine before the later of 120 days after the date of this preliminary determination or 45 days after the final determination whether these imports of the subject merchandise are materially injuring, or threaten material injury to, the U.S. industry.

### Notification to Interested Parties

This determination is issued and published in accordance with sections 733(f) and 777(i)(1) of the Act and 19 CFR 351.205(c).

Dated: November 6, 2019.

<sup>7</sup> See Memorandum, “Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review: Certain Lined Paper Products from India; 2017–2018,” dated concurrently and hereby adopted by this notice (Preliminary Decision Memorandum).

**Preliminary Determination of No Shipments**

On November 22 and December 6, 2018, in their respective responses to Commerce’s quantity and value questionnaire, Lodha and Pioneer reported that they had no exports or sales of subject merchandise into the United States during the POR. On December 10, 2018, Marisa submitted a certification of no shipments. To confirm Lodha’s, Marisa’s, and Pioneer’s no-shipment claims, Commerce issued a no-shipment inquiry to U.S. Customs and Border Protection (CBP) requesting that it review Lodha’s, Marisa’s, and Pioneer’s no-shipment claims. CBP reported that it had no information to contradict these claims of no shipments during the POR.

Given that Lodha, Marisa, and Pioneer reported that they made no shipments of subject merchandise to the United States during the POR, and there is no information calling their claims into question, we preliminarily determine that Lodha, Pioneer, and Marisa did not have any reviewable transactions during the POR. Consistent with Commerce’s practice, we will not rescind the review with respect to Lodha, Marisa, and Pioneer but, rather, will complete the review and issue instructions to CBP based on the final results.<sup>8</sup>

**Methodology**

Commerce is conducting this review in accordance with section 751(a)(2) of the Act. Export price is calculated in accordance with section 772 of the Act. Normal value is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying our preliminary results, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). A list of the topics discussed in the Preliminary Decision Memorandum is attached as an Appendix to this notice.

**Rate for Non-Selected Respondents**

For the rate for non-selected respondents in an administrative review, generally, Commerce looks to section 735(c)(5) of the Act, which provides instructions for calculating the all-others rate in a market economy investigation. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted-average of the estimated weighted-average dumping margins established for exporters and producers individually investigated, excluding any zero or *de minimis* margins, and any margins determined entirely {on the basis of facts available}.” In this segment of the proceeding, we calculated a margin for Navneet that was not zero, *de minimis*, or based on facts available. Accordingly, we have preliminarily applied the margin calculated for Navneet to the non-individually examined respondents.

**Preliminary Results of the Review**

We preliminarily determine that, for the period September 1, 2017 through August 31, 2018, the following weighted-average dumping margins exist:

Producer/exporter	Weighted-average dumping margin (percent)
Cellpage Ventures Private Limited .....	2.30
Goldenpalm Manufacturers PVT Limited .....	2.30
Kokuyo Riddhi Paper Products Pvt. Ltd .....	2.30
Lotus Global Private Limited .....	2.30
Magic International Pvt. Ltd .....	2.30
Navneet Education Ltd .....	2.30
PP Bafna Ventures Private Limited .....	2.30
SAB International .....	0.00
SGM Paper Products .....	2.30
Super Impex .....	2.30

**Assessment Rates**

Upon issuance of the final results, Commerce shall determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review. If the weighted-average dumping margin for Navneet or SAB is not zero or *de minimis* (i.e., less than 0.5

percent), we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for each importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).<sup>9</sup> If the weighted-average dumping margin for the respondents listed above is zero or *de minimis* in the final results, or an importer-specific assessment rate is zero or *de minimis* in the final results, we will instruct CBP not to assess antidumping duties on any of their entries in accordance with the *Final Modification for Reviews*.<sup>10</sup>

In accordance with Commerce's assessment practice, for entries of subject merchandise during the POR produced by Navneet or SAB for which it did not know that its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate of 3.91 percent, as established in the less-than-fair-value investigation, if there is no rate for the intermediate company(ies) involved in the transaction.<sup>11</sup> For a full discussion of this matter, see *Assessment Policy Notice*.<sup>12</sup>

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for respondents noted above will be the rates established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this

proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation, but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.91 percent, the all-others rate established in the investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Disclosure and Public Comment

We will disclose to parties to the proceeding any calculations performed in connection with these preliminary results of review within five days after the date of publication of this notice.<sup>13</sup> Interested parties may submit case briefs not later than 30 days after the date of publication of this notice in the **Federal Register**.<sup>14</sup> Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the date for filing case briefs.<sup>15</sup> Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.<sup>16</sup> All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety by the established deadline.

Interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, within 30 days after the date of publication of this notice.<sup>17</sup> Requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case and rebuttal briefs. If a request for a hearing is made, Commerce intends to hold the hearing at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230, at a time and date to be determined.<sup>18</sup> Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

We intend to issue the final results of this administrative review, including

the results of our analysis of the issues raised in any written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act.

### Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Commerce's presumption that reimbursement of antidumping duties occurred and increase the subsequent assessment of the antidumping duties.

### Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(1).

Dated: November 7, 2019.
