D. Public Comment

A 60-day notice was published in the **Federal Register** at 84 FR 44619, on August 26, 2019. One comment was received; however, it did not change the estimate of the burden.

Comment: The commenter asked for support in urging and supporting Senator Thune to reintroduce S. 545, the Pay Our Coast Guard Act, and seek quick action in bringing it to the floor for a vote. The act was introduced in the 114th Congress to make continuous appropriations for Coast Guard pay for a government shutdown.

Response: This comment is out of scope because the information collection requirements covered through OMB Control No. 9000-0091 do not relate to the topic of appropriations for Coast Guard pay.

Obtaining Copies: Requesters may obtain a copy of the information collection documents from the General Services Administration, Regulatory Secretariat Division (MVCB), 1800 F Street NW, Washington, DC 20405, telephone 202-501-4755. B. Needs and Uses

This clearance covers the information that contractors must submit to comply with the Federal Acquisition Regulation requirement at 52.247-68, Report of Shipment (REPSHIP). This clause requires contractors to send an advanced notice to the consignee transportation office at least twenty-four hours before the arrival of a shipment, unless otherwise directed by a contracting officer.

Generally, this notification is required only for classified material; sensitive, controlled, and certain other protected material; explosives, and some other hazardous materials; selected shipments requiring movement control; or minimum carload or truckload shipments. It facilitates arrangements for transportation control, labor, space, and use of materials handling equipment at destination. Also, timely receipt of notices by the consignee transportation office precludes the incurring of demurrage and vehicle detention charges.

Total Annual Responses: 8,023.
