

D. Development and Implementation Phases

Not applicable.

E. Analysis of Impact on Competition

The Amendment does not impose any burden on competition because they simply add LTSE as a Participant to the UTP Plan and effectuates a change in the names and addresses of certain Participants. LTSE has completed the required steps to be added to the Plans, and the Amendment represents the final step to officially add LTSE as a Participant. For the same reasons, the Participants do not believe that the Amendment introduces terms that are unreasonably discriminatory for purposes of Section 11A(c)(1)(D) of the Act.
