FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 1

[MD Docket No. 19-334; FCC 19-114]

Closure of FCC Lockbox 979095 Used To File Fees for Service Provided by the Office of Engineering and Technology

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: In this document, the Federal Communications Commission (FCC or Commission) adopts an Order that closes Lockbox 979095 and modifies the relevant rule provisions of filing and

making fee payments in lieu of closing the lockbox.

DATES: Effective January 2, 2020.

FOR FURTHER INFORMATION CONTACT: Warren Firschein, Office of Managing Director at (202) 418-2653 or Roland Helvajian, Office of Managing Director at (202) 418-0444.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission’s Order, FCC 19-114, MD Docket No. 19-334, adopted on November 7, 2019 and released on November 8, 2019. The full text of this document is available for public inspection and copying during normal business hours in the FCC Reference Center (Room CY-A257), 445 12th Street SW, Washington, DC 20554, or by downloading the text from the Commission’s website at <https://www.fcc.gov/document/amendment-part-1-commissions-rules>.

I. Introduction

1. In the Order, we reduce expenditures by the Commission and modernize procedures by amending § 1.1103 of our rules, 47 CFR 1.1103, which sets forth the application fees for services administered by the FCC’s Office of Engineering and Technology (OET). The rule amendment reflects the closure of the lockbox (P.O. Box) ¹ used

¹ A P.O. Box used for the collection of fees is referred to as a “lockbox” in our rules and other Commission documents. The FCC collects application processing fees using a series of P.O. Boxes located at U.S. Bank in St. Louis, Missouri. See 47 CFR 1.1101-1.1109 (setting forth the fee

for such manual payment of filing fees for four types of OET services: Experimental radio services; assignment of grantee codes; advance approval of subscription TV systems; and certification of equipment approval services. We discontinue the option of manual fee payments and instead require the use of an electronic payment for each service listed above.

2. Section 1.1103 of the Commission’s rules, 47 CFR 1.1103, provides a schedule of application fees for complaint proceedings handled by OET. The rule had also directed filers that do not utilize the Commission’s on-line filing and fee payment systems to send manual payments to P.O. Box 979095 at U.S. Bank in St. Louis, Missouri. In recent years, there have been a decreasing number of lockbox filers, and it now is rare that the Commission receives a lockbox payment.

3. The Commission has begun to reduce its reliance on P.O. Boxes for the collection of fees, instead encouraging the use of electronic payment systems for all application and regulatory fees and closing certain lockboxes. We find that electronic payment of fees for the services processed by OET reduces the agency’s expenditures (including eliminating the annual fee for the bank’s services) and the cost of manually processing each transaction, with little or no inconvenience to the

schedule for each type of application remittable to the Commission along with the correct lockbox).

Commission's regulatees, applicants, and the public.

4. As part of this effort, we are now closing P.O. Box 979095 and modifying the relevant rule provision that requires payment of fees via the closed P.O. Box. The rule change is contained in the Appendix of the Order. We make this change without notice and comment because it is a rule of agency organization, procedure, or practice exempt from the general notice-and-comment requirements of the Administrative Procedure Act, *see* 5 U.S.C. 553(b)(A).

5. *Implementation.* As a temporary transition measure, for 90 days after publication of this document in the **Federal Register**, U.S. Bank will continue to process payments to P.O. Box 979095. After that date, payments for these OET services must be made in accordance with the procedures set forth on the Commission's website, <https://www.fcc.gov/licensing-databases/fees/application-processing-fees> (Office of Engineering and Technology Fee Filing Guide). For now, such payments will be made through the Fee Filer Online System (Fee Filer), accessible at <https://www.fcc.gov/licensing-databases/fees/fee-filer>. As we assess and implement U.S. Treasury initiatives toward an all-electronic payment system, we may transition to other secure payment systems with appropriate public notice and guidance.

II. Procedural Matters

A. Final Regulatory Flexibility Analysis

6. Section 603 of the Regulatory Flexibility Act, as amended, requires a regulatory flexibility analysis in notice and comment rulemaking proceedings. *See* 5 U.S.C. 603(a). As we are adopting these rules without notice and comment, no regulatory flexibility analysis is required.

B. Final Paperwork Reduction Act of 1995 Analysis

7. This document does not contain new or modified information collection requirements subject to the Paperwork Reduction Act of 1995 (PRA), Public Law 104–13. In addition, therefore, it does not contain any new or modified information collection burden for small business concerns with fewer than 25 employees, pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107–198, *see* 44 U.S.C. 3506(c)(4).

C. Congressional Review Act

8. The Commission will not send a copy of the Order pursuant to the Congressional Review Act, *see* 5 U.S.C. 801(a)(1)(A), because the adopted rules are rules of agency organization, procedure, or practice that do not “substantially affect the rights or obligations of non-agency parties. *See* 5 U.S.C. 804(3)(C).

III. Ordering Clauses

9. *Accordingly, it is ordered*, that pursuant to sections 4(i), 4(j), 158, 208, and 224 of the Communications Act of

1934, as amended, 47 U.S.C. 154(i), 154(j), 158, 208, and 224, the Order is hereby *adopted* and the rules set forth in the Appendix of the Order are hereby *amended* effective January 2, 2020.
