

language clarifies that CBP may immediately remove a participant from the pilot for the repeated failure to provide data or the repeated submission of false, inaccurate or misleading data. CBP is also replacing the phrase “discontinuance from participation” with “removal from participation” for clarity. The language below replaces in full the misconduct section in the July 2019 notice and reads as follows:

VI. Misconduct Under the Pilot

A pilot participant may be subject to civil and criminal penalties, administrative sanctions, liquidated damages, or removal from participation in the Section 321 Data Pilot for any of the following:

- (1) Failure to follow the rules, terms, and conditions of this pilot;
- (2) Failure to exercise reasonable care in the execution of participant obligations; or
- (3) Failure to abide by applicable laws and regulations.

Test participants who are unable to provide data elements contemplated by this test will not be subject to civil and criminal penalties, administrative sanctions, or liquidated damages solely for such inability. Test participants who repeatedly provide false, inaccurate or misleading data will be subject, at CBP’s discretion, to civil and criminal penalties, administrative sanctions, liquidated damages or removal from participation.

If the Director, Intellectual Property Rights and E-Commerce Division, Office of Trade, finds that there is a basis for removal of pilot participation privileges, the pilot participant will be provided a written notice proposing the removal with a description of the facts or conduct warranting the action. The pilot participant will be offered the opportunity to appeal the decision in writing within 10 calendar days of receipt of the written notice. The appeal of this determination must be submitted to the Executive Director, Trade Policy and Programs, Office of Trade, by emailing e-commercesmallbusinessbranch@cbp.dhs.gov.

The Executive Director, Trade Policy and Programs, Office of Trade, will issue a decision in writing on the proposed action within 30 working days after receiving a timely filed appeal from the pilot participant. If no timely appeal is received, the proposed notice becomes the final decision of the Agency as of the date that the appeal period expires. A proposed removal of a pilot participant’s privileges will not take effect unless the appeal process under this paragraph has been

concluded with a written decision adverse to the pilot participant.

In cases of willfulness, the repeated failure to provide data, the repeated submission of false, inaccurate or misleading data, or those in which public health, interest, or safety so requires, the Director, Intellectual Property Rights and E-Commerce Division, Office of Trade, may immediately remove the pilot participant’s privileges upon written notice to the pilot participant. The notice will contain a description of the facts or conduct warranting the immediate action. The pilot participant will be offered the opportunity to appeal the decision within 10 calendar days of receipt of the written notice providing for immediate removal from participation. The appeal of this determination must be submitted to the Executive Director, Trade Policy and Programs, Office of Trade, by emailing ecommercesmallbusinessbranch@cbp.dhs.gov.

The immediate removal will remain in effect during the appeal period. The Executive Director, Trade Policy and Programs, Office of Trade, will issue a decision in writing on the removal within 15 working days after receiving a timely filed appeal from the pilot participant. If no timely appeal is received, the notice becomes the final decision of the Agency as of the date that the appeal period expires.

D. Twelve Month Extension

The Section 321 Data Pilot was originally intended to run for approximately one year. CBP is extending the pilot to run an additional twelve months, through August 2021. The additional time is necessary in order for pilot participants to modify their communication systems in order to execute the provisions of the pilot and for CBP to collect a sufficient amount of data from the participants.

Subject to the amendments herein, all other provisions of the July 2019 notice, except for section “VI. Misconduct Under the Pilot,” remain applicable to the Section 321 Data Pilot. CBP reiterates that it is not waiving any regulations for purposes of the pilot. All of the existing regulations, including the Trade Act of 2002 requirements and the ISF regulations described above, continue to apply to pilot participants.

Dated: December 4, 2019.

Robert E. Perez,
Deputy Commissioner, U.S. Customs and Border Protection.

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID FEMA–2019–0002]

Changes in Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: New or modified Base (1-percent annual chance) Flood Elevations (BFEs), base flood depths, Special Flood Hazard Area (SFHA) boundaries or zone designations, and/or regulatory floodways (hereinafter referred to as flood hazard determinations) as shown on the indicated Letter of Map Revision (LOMR) for each of the communities listed in the table below are finalized. Each LOMR revises the Flood Insurance Rate Maps (FIRMs), and in some cases the Flood Insurance Study (FIS) reports, currently in effect for the listed communities. The flood hazard determinations modified by each LOMR will be used to calculate flood insurance premium rates for new buildings and their contents.

DATES: Each LOMR was finalized as in the table below.

ADDRESSES: Each LOMR is available for inspection at both the respective Community Map Repository address listed in the table below and online through the FEMA Map Service Center at <https://msc.fema.gov>.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibt, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street SW, Washington, DC 20472, (202) 646–7659, or (email) patrick.sacbibt@fema.dhs.gov; or visit the FEMA Map Information eXchange (FMIX) online at https://www.floodmaps.fema.gov/fhm/fmx_main.html.

SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency (FEMA) makes the final flood hazard determinations as shown in the LOMRs for each community listed in the table below. Notice of these modified flood hazard determinations has been published in newspapers of local circulation and 90 days have elapsed since that publication. The Deputy Associate Administrator for Insurance and Mitigation has resolved any appeals resulting from this notification.

The modified flood hazard determinations are made pursuant to

section 206 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are in accordance with the National Flood Insurance Act of 1968, 42 U.S.C. 4001 *et seq.*, and with 44 CFR part 65.

For rating purposes, the currently effective community number is shown and must be used for all new policies and renewals.

The new or modified flood hazard information is the basis for the floodplain management measures that the community is required either to adopt or to show evidence of being already in effect in order to remain qualified for participation in the National Flood Insurance Program (NFIP).

This new or modified flood hazard information, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own or pursuant to policies established by other Federal, State, or regional entities.

This new or modified flood hazard determinations are used to meet the floodplain management requirements of the NFIP and are used to calculate the appropriate flood insurance premium rates for new buildings, and for the

contents in those buildings. The changes in flood hazard determinations are in accordance with 44 CFR 65.4.

Interested lessees and owners of real property are encouraged to review the final flood hazard information available at the address cited below for each community or online through the FEMA Map Service Center at <https://msc.fema.gov>.

Proposed Flood Hazard Determinations

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice.

SUMMARY: Comments are requested on proposed flood hazard determinations, which may include additions or modifications of any Base Flood Elevation (BFE), base flood depth, Special Flood Hazard Area (SFHA) boundary or zone designation, or regulatory floodway on the Flood Insurance Rate Maps (FIRMs), and where applicable, in the supporting

Flood Insurance Study (FIS) reports for the communities listed in the table below. The purpose of this notice is to seek general information and comment regarding the preliminary FIRM, and where applicable, the FIS report that the Federal Emergency Management Agency (FEMA) has provided to the affected communities. The FIRM and FIS report are the basis of the floodplain management measures that the community is required either to adopt or to show evidence of having in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). In addition, the FIRM and FIS report, once effective, will be used by insurance agents and others to calculate appropriate flood insurance premium rates for new buildings and the contents of those buildings.

DATES: Comments are to be submitted on or before March 9, 2020.

ADDRESSES: The Preliminary FIRM, and where applicable, the FIS report for each community are available for

inspection at both the online location <https://www.fema.gov/preliminaryfloodhazarddata> and the respective Community Map Repository address listed in the tables below. Additionally, the current effective FIRM and FIS report for each community are accessible online through the FEMA Map Service Center at <https://msc.fema.gov> for comparison.
