

petitions submitted by the SWAs concern various aspects of unemployment and the economic condition for a specific area in order to provide justification for adding the area to the LSA list under the exceptional circumstances criteria. Under these criteria, an area may be determined eligible for classification as a LSA if it is experiencing a high rate of unemployment which is not temporary or seasonal and which was not adequately reflected in the unemployment data for the two-year reference period. Instructions designed to assist SWAs in the preparation of such petitions are currently contained on the ETA website: <http://www.doleta.gov/programs/lsa.cfm>.
