ACTION: Notice of a New System of Records; request for comments.

SUMMARY: Pursuant to the provisions of the Privacy Act of 1974, the Agency publishes this notice of its use and maintenance of a system of records, NLRB-35, NLRB FOIAonline. DATES: Written comments must be received on or before January 13, 2020.

ADDRESSES: All persons who desire to submit written comments for consideration by the Agency in connection with this proposed notice of the amended system of records shall mail them to the Agency's Senior Agency Official for Privacy, National Labor Relations Board, 1015 Half Street SE, Third Floor, Washington, DC 20570-0001, or submit them electronically to privacy@nrlb.gov. Comments may also be submitted electronically through <http://www.regulations.gov>, which contains a copy of this proposed notice and any submitted comments.

FOR FURTHER INFORMATION CONTACT: Virginia Ephraim, IT Security and Privacy Compliance Specialist, National Labor Relations Board, 1015 Half Street SE, Third Floor, Washington, DC 20570-0001, (202)-273-3733, privacy@nrlb.gov.

SUPPLEMENTARY INFORMATION: The NLRB FOIAonline system contains electronic information of each request and administrative appeal made to the Agency pursuant to the Freedom of Information Act (FOIA), as well as correspondence related to the requests and appeals, including names, addresses, telephone numbers, and other information about a requester. NLRB FOIAonline is managed by the United States Environmental Protection Agency (EPA) and used by the EPA and other agencies to process, track, and respond to FOIA requests and appeals. The NLRB FOIAonline system provides the NLRB with a secure, password-protected website to electronically receive, process, track, and store requests from the public for federal

records; store responsive records; post responsive records to a website; collect data for annual reporting requirements to the Department of Justice; and manage internal FOIA administration activities. In addition, the NLRB FOIAonline system allows the public to submit and track FOIA requests and appeals; access requests and responsive records online, and obtain the status of requests filed with the NLRB. Social security numbers and other types of personally identifiable information may be provided in requests or in responsive documents to first-party requesters. Such sensitive personally identifiable information (PII) is not made publicly available. The name of a FOIA requester is publicly available and searchable by the public. With the exception of a requester's name, any other personally identifiable information provided by a requester during the process of completing the request form or creating an online account (*e.g.*, home addresses, email address, and contact information) will not be posted to the website, nor will it be searchable by the public. PII determined to be publicly releasable and contained in documents released to the public under FOIA (*e.g.*, the names and official contact information of government employees or the names of agency correspondents) will be publicly available and searchable by the public when posted. Individuals accessing the system are the Agency's Chief FOIA Officer, FOIA Officer, FOIA Branch management, FOIA processors, and members of the public. Prior to the use of NLRB FOIAonline, the Agency used NLRB-32, its FOIA Tracking System, which was published on December 13, 2006 (71 FR 74941). As of August 1, 2017, FTS is a legacy system only, and its modification is being published.
