

assessment rate will be equal to the rate assigned to them for the final results (*i.e.*, 0.89 USD/kg).

For the companies identified as part of the China-wide entity, we will instruct CBP to apply a per-unit assessment rate of 2.42 USD/kg to all entries of subject merchandise during the POR which were produced or exported by those companies.

Pursuant to a refinement in our non-market economy practice, for sales that were not reported in the U.S. sales data submitted by companies individually examined during this review, we will instruct CBP to liquidate entries associated with those sales at the rate for the China-wide entity. Furthermore, where we found that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's cash deposit rate) will be liquidated at the rate for the China-wide entity.²⁴

Cash Deposit Requirements

The following per-unit cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For Carbon Activated, Datong Juqiang, and the non-examined separate rate respondents the cash deposit rate will be equal to their weighted-average dumping margins established in the final results of this review; (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin for the China-wide entity (*i.e.*, 2.42 USD/kg); and (4) for all non-Chinese exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter. These per-unit cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure

We intend to disclose the calculations performed to parties in this proceeding within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing these final results of administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

October 11, 2019, Borusan Mannesmann Boru Sanayi ve Ticaret and Borusan Istikbal Ticaret submitted a request asking Commerce to reject the petitioners' request for an administrative review with respect to Borusan, maintaining that Borusan was specifically excluded from the antidumping order on OCTG and, thus, should not be part of the administrative review.⁴ Subsequently, on October 30, 2019, the petitioners timely withdrew their request of an administrative review with regard to entries by Borusan Mannesmann Boru Sanayi ve Ticaret, Borusan Istikbal Ticaret, Borusan Mannesmann Boru Yatirim Holding, and Borusan Lojistik Dag.
