Certain Hot-Rolled Steel Flat Products From Australia: Preliminary Results of Antidumping Duty Administrative Review; 2017–2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily finds that sales of certain hot-rolled steel flat products from Australia were made at less than normal value during the period of review (POR) October 1, 2017 through September 30, 2018. We invite interested parties to comment on these preliminary results.

DATES: Applicable December 17, 2019.

FOR FURTHER INFORMATION CONTACT: Rachel Greenberg, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0652.

SUPPLEMENTARY INFORMATION:

Background

On December 11, 2018, Commerce initiated the administrative review of the antidumping duty order on certain hot-rolled steel flat products (hot-rolled steel) from Australia in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).¹ This review covers one producer/exporter of subject merchandise, the collapsed entity, BlueScope Steel (AIS) Pty Ltd., BlueScope Steel Ltd., and BlueScope Steel Distribution Pty Ltd. (collectively, BlueScope).² Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018 through the resumption of operations on January 29, 2019, resulting in a revised deadline for these preliminary results.³ Additionally, Commerce exercised its discretion to extend the deadline for the preliminary results until December 10, 2019.⁴

Scope of the Order⁵

The products covered by this order are certain hot-rolled, flat-rolled steel

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 83 FR 63615 (December 11, 2018) (*Initiation Notice*).

² We note that in the *Initiation Notice*, we initiated this review on BlueScope Steel Ltd., BlueScope Steel Americas, Inc. (BSA), and Steelscape LLC (Steelscape). However, this was an error, and the calculated margin is only applicable to the BlueScope collapsed entity, as an exporter, because BSA is an importer of subject merchandise and Steelscape is a further manufacturer of subject merchandise in the United States. Accordingly, consistent with the underlying investigation and the first administrative review, we reviewed the responses from the BlueScope collapsed entity, which included responses from BSA and Steelscape as required by our requests for information.

All deadlines in this segment of the proceeding have been extended by 40 days.

products. For a full description of the scope, see the Preliminary Decision Memorandum.

Methodology

Commerce is conducting this review in accordance with section 751(a) of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.⁶ A list of the topics included in the Preliminary Decision Memorandum is included as an appendix to this notice. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum is available at <http://enforcement.trade.gov/frn/>. The signed and electronic versions of the Preliminary Decision Memorandum are identical in content.

Partial Adverse Facts Available

BlueScope failed to provide all necessary information and failed to cooperate by not acting to the best of its ability to comply with Commerce’s request for information in this review. As a result, we preliminarily determine to apply facts otherwise available with an adverse inference to BlueScope, in accordance with sections 776(a)(2)(A), (B), and (C) and section 776(b) of the Act. For further discussion, see Preliminary Decision Memorandum.

Preliminary Results of Review

We preliminarily determine that the following weighted-average dumping margin exists for the period October 1, 2017 through September 30, 2018:

Exporter/producer	Weighted-average dumping margin (percent)
BlueScope Steel (AIS) Pty Ltd, BlueScope Steel Ltd., and BlueScope Steel Distribution Pty Ltd.	15.13

Antidumping Duty Orders, 81 FR 67962 (October 3, 2016) (*Order*).

⁶ See Memorandum, “Decision Memorandum for the Preliminary Results of the Antidumping Duty Administrative Review: Certain Hot-Rolled Steel Flat Products from Australia; 2017–2018,” dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If BlueScope's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent) in the final results of this review, we will calculate importer-specific *ad valorem* antidumping duty assessment rates based on the ratio of the total amount of dumping calculated for the importer's examined sales to the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1). We will instruct CBP to assess antidumping duties on all appropriate entries covered by this review when the importer-specific assessment rate calculated in the final results of this review is not zero or *de minimis*. If BlueScope's weighted-average dumping margin is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated duties, where applicable.⁷

In accordance with Commerce's "automatic assessment" practice, for entries of subject merchandise during the POR produced by BlueScope for which it did not know that the merchandise was destined to the United States, we will instruct CBP to liquidate those entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁸

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for BlueScope in the final results of review will be equal to the weighted-average dumping margin established in the final results of this administrative review; (2) for

merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) if the exporter is not a firm covered in this review or the original investigation but the producer is, then the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 29.58 percent, the all-others rate established in the less-than-fair-value investigation. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

We intend to disclose the calculations performed to parties within five days after public announcement of the preliminary results.⁹ Commerce will establish a deadline for interested parties to submit case briefs and rebuttal briefs at a later date.¹⁰ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue, (2) a brief summary of the argument, and (3) a table of authorities.¹¹ Case and rebuttal briefs should be filed using ACCESS¹² and must be served on interested parties.¹³ Executive summaries should be limited to five pages total, including footnotes.

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically filed document must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) The party's name, address and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. Commerce intends to issue the final results of this administrative review, including the results of its analysis of the issues raised in any

written briefs, not later than 120 days after the date of publication of this notice, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(1).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification to Interested Parties

This administrative review and notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 10, 2019.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
