5. *Performance Measures*: The Secretary has established the following key performance measures for assessing the effectiveness of the DHSI Program:

(a) The annual rate of degree or certificate completion for all students, and specifically for Hispanic students, at DHSI grantee institutions.

(b) The annual persistence rate at DHSI grantee institutions for all students, and for Hispanic students in particular, from one year to the next.

(c) The percentage of all students, and of Hispanic students in particular, that transfer from a two-year HSI to a four-year institution.

(d) The number of all students, and the number of Hispanic students in particular, served by any direct student service supported by the grant.

6. *Continuation Awards*: In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).
