SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–87868; File No. SR–BOX–2019–37]

Self-Regulatory Organizations; BOX Exchange LLC; Notice of Filing of a Proposed Rule Change in Connection With the Proposed Commencement of Operations of Boston Security Token Exchange LLC as a Facility of the Exchange

December 30, 2019.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on December 18, 2019, BOX Exchange LLC (the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is submitting this Proposed Rule Change to the Commission in connection with the proposed commencement of operations of BSTX. In this Proposed Rule Change, the proposed Amended and Restated Limited Liability Company Agreement of the Company dated January 29, 2019 (the “LLC Agreement”), is attached as Exhibit 5A hereto [sic]. The text of the proposed rule change is available from the principal office of the Exchange, at the Commission’s Public Reference Room and also on the Exchange’s

internet website at <http://boxoptions.com>.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is submitting this Proposed Rule Change to the Commission in connection with the proposed commencement of operations of BSTX. The Exchange proposes to establish BSTX as a facility, as that term is defined in Section 3(a)(2) of the Act,³ of the Exchange.⁴ BSTX would be a facility of the Exchange that will operate a market for the trading of digital security tokens. BSTX would operate a fully automated, price/time priority execution system for the trading of “security tokens,” which would be equity securities that meet BSTX listing standards and for which ancillary records of ownership would be able to be created and maintained using distributed ledger (or “blockchain”) technology. The security tokens would qualify as NMS stocks pursuant to Regulation NMS.⁵ All transactions in security tokens would clear and settle in accordance with the rules, policies and procedures of registered clearing agencies.

BSTX is owned jointly by BOX Digital, a Delaware limited liability company and a subsidiary of BOX Holdings Group LLC, and tZERO Group, Inc., a Delaware corporation and an

affiliate of *Overstock.com*, Inc. BSTX is an affiliate of the Exchange and, when it commences trading operations, will be subject to regulatory oversight by the Exchange. In addition, the Exchange will enter into a facility agreement with BSTX (the “Facility Agreement”) pursuant to which the Exchange will regulate the Company as a facility of the Exchange. The Exchange’s powers and authority under the Facility Agreement ensure that the Exchange has full regulatory control over BSTX, which is designed to prevent any owner of BSTX from exercising undue influence over the regulated activities of the Company. The Exchange will also provide certain business services to the Company such as providing human resources and office technology support pursuant to an administrative services agreement between the Exchange and BSTX.

The LLC Agreement is the source of governance and operating authority for the Company and, therefore, functions in a similar manner as articles of incorporation and bylaws would function for a corporation. The Exchange is submitting a separate filing to establish rules relating to trading on BSTX.⁶ The Exchange is also submitting another separate filing to introduce structural changes to the Exchange to accommodate regulation of BSTX in addition to the Exchange’s existing facility. With the addition of BSTX as an Exchange facility, BSTX Participants⁷ will have the same representation, rights and responsibilities as Participants on the Exchange’s other facility.

The Exchange currently operates BOX Options Market LLC (“BOX Options”), which is a facility of the Exchange, as that term is defined in Section 3(a)(2) of the Act. The proposed LLC Agreement provisions are generally the same as the provisions of the BOX Options LLC Agreement or, where indicated herein, are the same as provisions of the BOX Holdings LLC Agreement.⁸ Currently, BOX Holdings has nine separate, unaffiliated owners. BOX Holdings owns 100% of BOX Options so BOX Holdings is essentially the alter ego of

⁶ See BSTX Rulebook Proposal.

⁷ A BSTX Participant is a firm or organization that is registered with the Exchange pursuant to Exchange Rules for the purposes of participating on the BSTX Market as an order flow provider or market maker. See Section 1.1, LLC Agreement.

⁸ The Exchange notes, as further described in the Proposed Rule Change, that certain provisions of the BOX Holdings LLC and BOX Options LLC Agreements are not included in the LLC Agreement because they are not applicable. For example, certain provisions in the BOX Holdings LLC Agreement that are related to different ownership classes are not present in the LLC Agreement because BSTX has only one class of ownership. See, e.g., Sections 4.1, 4.4, 4.13 and 7 of the BOX Holding LLC Agreement.

³ 15 U.S.C. 78c(a)(2).

⁴ Approval for the BSTX facility is being sought by the Exchange through a separate proposed rule change with the Commission. See Securities Exchange Act Release No. 87287 October 11, 2019, 84 FR 56022 October 18, 2019 (“BSTX Rulebook Proposal”). The Exchange also currently plans to separately propose certain other rule changes with the Commission designed to provide sufficient flexibility for there to be multiple facilities under the Exchange’s regulatory authority. Currently, there is only one facility of the Exchange, BOX Options Market LLC.
