Stainless Steel Sheet and Strip From the People's Republic of China: Rescission of Countervailing Duty Administrative Review; 2018

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the countervailing duty (CVD) order on stainless steel sheet and strip (SSSS) from the People's Republic of China (China) for the period January 1, 2018 through December 31, 2018.

DATES: Applicable January 6, 2020.

FOR FURTHER INFORMATION CONTACT: Charlotte Baskin-Gerwitz, Enforcement and Compliance, AD/CVD Operations, Office VII, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4880.

SUPPLEMENTARY INFORMATION:

Background

On April 1, 2019, Commerce published a notice of opportunity to request an administrative review of the CVD order on SSSS from China for the period January 1, 2018 through December 31, 2018.¹ On April 30, 2019, AK Steel Corporation, Allegheny Ludlum LLC d/b/a ATI Flat Rolled Products, North American Stainless, and Outokumpu Stainless USA LLC (collectively, the petitioners), requested an administrative review of exports of subject merchandise to the United States by specific companies in China.² On June 13, 2019, in accordance with section 751(a) the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the order on SSSS from China.³ On June 19, 2019, the petitioners timely withdrew their request for an administrative review

with respect to all entities for which they had requested a review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, “in whole or in part, if a party that requested the review withdraws the request within 90 days of the date of publication of the notice of initiation of the requested review.” The petitioners withdrew their request within the 90-day time limit. Because we received no other requests for review of the order on SSSS from China, we are rescinding the administrative review of the order in its entirety, in accordance with 19 CFR 351.213(d)(1).

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries of SSSS from China during the period of review at rates equal to the cash deposit rate of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate instructions to CBP 15 days after publication of this notice in the **Federal Register**.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of countervailing duties occurred and the subsequent assessment of doubled countervailing duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to the administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under an APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an

APO is a violation which is subject to sanction.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).

Dated: December 30, 2019.

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Uncoated Paper From Indonesia: Final Results of Antidumping Duty Administrative Review; 2018–2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) determines that APRIL, the lone respondent in this administrative review, made sales of certain uncoated paper at prices below normal value during the period of review (POR) March 1, 2018 through February 28, 2019.

DATES: Applicable January 6, 2020.

FOR FURTHER INFORMATION CONTACT: Jacob Garten, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–3342.

SUPPLEMENTARY INFORMATION:

Background

The review covers one producer/exporter of the subject merchandise, APRIL. APRIL is a collapsed entity consisting of the following companies: APRIL Fine Paper Macao Offshore Limited, APRIL Fine Paper Trading Pte. Ltd., APRIL International Enterprise Pte. Ltd., A P Fine Paper Trading (Hong Kong) Limited, PT Anugerah Kertas Utama, PT Riau Andalan Kertas, PT Asia Pacific Rayon, and PT Sateri Viscose International (collectively, APRIL).¹

On November 8, 2019, Commerce published the *Preliminary Results*. Although we invited parties to comment on the preliminary results of the review,² no interested party submitted comments. Accordingly, no decision memorandum accompanies this **Federal Register** notice.³ Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise under review includes uncoated paper in sheet form; weighing at least 40 grams per square meter but not more than 150 grams per square meter; that either is a white paper with a GE brightness level⁴ of 85 or higher or is a colored paper; whether or not surface-decorated, printed (except as described below), embossed, perforated, or punched; irrespective of the smoothness of the surface; and irrespective of dimensions (Certain Uncoated Paper).

Certain Uncoated Paper includes (a) uncoated free sheet paper that meets this scope definition; (b) uncoated ground wood paper produced from bleached chemi-thermo-mechanical pulp (BCTMP) that meets this scope definition; and (c) any other uncoated paper that meets this scope definition regardless of the type of pulp used to produce the paper.

Specifically excluded from the scope are (1) paper printed with final content of printed text or graphics and (2) lined paper products, typically school supplies, composed of paper that incorporates straight horizontal and/or vertical lines that would make the paper unsuitable for copying or printing purposes. For purposes of this scope definition, paper shall be considered “printed with final content” where at least one side of the sheet has printed text and/or graphics that cover at least five percent of the surface area of the entire sheet.

On September 1, 2017, Commerce determined that that imports of uncoated paper with a GE brightness of $83 \pm 1\%$ (83 Bright paper), otherwise

⁴ One of the key measurements of any grade of paper is brightness. Generally speaking, the brighter the paper the better the contrast between the paper and the ink. Brightness is measured using a GE Reflectance Scale, which measures the reflection of light off a grade of paper. One is the lowest reflection, or what would be given to a totally black grade, and 100 is the brightest measured grade. “Colored paper” as used in this scope definition means a paper with a hue other than white that reflects one of the primary colors of magenta, yellow, and cyan (red, yellow, and blue) or a combination of such primary colors.
