DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

January 6, 2020.

The Department of Agriculture will submit the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13 on or after the date of publication of this notice. Comments are requested regarding: Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), New Executive Office Building, Washington, DC; New Executive Office Building, 725 17th Street NW, Washington, DC 20503. Commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@omb.eop.gov or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602.

Comments regarding these information collections are best assured of having their full effect if received by February 10, 2020. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Agricultural Marketing Service

Title: Tart Cherries Grown in the States of MI, NY, PA, OR, UT, WA, and WI.

OMB Control Number: 0581-0177.

Summary of Collection: Marketing Order No. 930 (7 CFR part 930) regulates the handling of tart cherries grown in Michigan, New York, Pennsylvania, Oregon, Utah, Washington and Wisconsin. The Agricultural Marketing Agreement Act of 1937 authorizes the promulgation and amendment of marketing orders for certain agricultural commodities and the issuance of regulations thereof for the purpose of providing orderly marketing conditions in interstate and intrastate commerce and for improving returns to producers. The primary objective of the Order is to stabilize the supply of tart cherries. Only tart cherries that will be canned or frozen will be regulated. The Order is administered by an 18-member Board comprised of producers, handlers and one public member, plus alternates for each. The members will serve for a three-year term of office.

Need and Use of the Information: Various forms were developed by the Board for persons to file required information relating to tart cherry inventories, shipments, diversions and other needed information to effectively carry out the requirements of the Order. The information collected is used to ensure compliance, verify eligibility, and vote on amendments, monitor and record grower's information. Authorized Board employees and the industry are the primary users of the information. If information were not collected, it would eliminate needed data to keep the industry and the Secretary abreast of changes at the State and local level.

Description of Respondents: Business or other for profit; Not-for-profit institutions.

Number of Respondents: 640.

Frequency of Responses: Reporting: Annually; Quarterly; On occasion.

Total Burden Hours: 741.

Ruth Brown,

Departmental Information Collection Clearance Officer.

SUPPLEMENTARY INFORMATION:

Background

Codex was established in 1963 by two United Nations organizations, the Food and Agriculture Organization and the World Health Organization. Through adoption of food standards, codes of practice, and other guidelines developed by its committees, and by promoting their adoption and implementation by governments, Codex seeks to protect the health of consumers and ensure fair practices in the food trade.

The Terms of Reference of the Codex Committee on Food Additives (CCFA) are:

(a) To establish or endorse permitted maximum levels for individual food additives;

(b) To prepare priority lists of food additives for risk assessment by the Joint FAO/WHO Expert Committee on Food Additives;

(c) To assign functional classes to individual food additives;

(d) To recommend specifications of identity and purity for food additives for adoption by the Codex Alimentarius Commission;

(e) To consider methods of analysis for the determination of additives in food; and

(f) To consider and elaborate standards or codes for related subjects

such as the labelling of food additives when sold as such.

The CCFA is hosted by China. The United States attends the CCFA as a member country of Codex.

Issues To Be Discussed at the Public Meeting

The following items on the Agenda for the 52nd Session of the CCFA will be discussed during the public meeting:

- Matters referred by the Codex Alimentarius Commission and other subsidiary bodies
- Matters of interest arising from FAO/WHO and from the 87th Meeting of the Joint FAO/WHO Expert Committee on Food Additives (JECFA)
- Proposed draft specifications for identity and purity of food additives arising from the 87th JECFA meeting
- Endorsement and/or revision of maximum levels for food additives and processing aids in Codex standards
- Alignment of the food additive provisions of commodity standards: Report of the Electronic Working Group (EWG) on Alignment
- *General Standard for Food Additives* (GSFA): Report of the EWG on the GSFA
- *General Standard for Food Additives* (GSFA): Proposals for new and/or revision of food additive provisions
- Continuation of the discussion on the relevant provisions for sweeteners associated with Note 161
- General information on the availability of data related to nitrates and nitrites
- Proposed draft revision to the *International Numbering System (INS) for Food Additives*
- Proposals for additions and changes to the Priority List of Substances proposed by evaluation by JECFA
- Other business and future work

Public Meeting

At the January 21, 2020 public meeting, draft U.S. positions on the agenda items will be described and discussed, and attendees will have the opportunity to pose questions and offer comments. Written comments may be offered at the meeting or sent to Dr. Paul Honigfort, U.S. Delegate for the 52nd Session of the CCFA (see **ADDRESSES**). Written comments should state that they relate to activities of the 52nd Session of the CCFA.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, the U.S. Codex Office will announce this **Federal**
