## INTERNATIONAL TRADE COMMISSION

### **American Manufacturing Competitiveness Act of 2016: Notice of Publication of Petitions For Duty Suspensions and Reductions and Related Disclosure Forms, and Notice of Request for Comments on Those Petitions and Disclosure Forms**

**AGENCY:** United States International Trade Commission.

**ACTION:** Notice of publication on the Commission's website of petitions for duty suspensions and reductions and related disclosure forms, and notice of request for comments on those petitions and disclosure forms.

**SUMMARY:** As required by section 3(b)(3) of the American Manufacturing Competitiveness Act of 2016, the Commission has published on its website at <https://mtbps.usitc.gov> the

petitions for duty suspensions and reductions and related disclosure forms (hereafter collectively referred to as "petitions") that were filed according to requirements. The Commission is now requesting that members of the public submit comments to the Commission on those petitions by the close of business on February 24, 2020. All comments must be submitted via the Commission's designated secure web portal. The Commission will not accept comments submitted in paper or in any other form or format.

**DATES:** *January 10, 2020:* Date of publication on the Commission's website of petitions for duty suspensions and reductions, and opening date for filing comments concerning those petitions.

*February 24, 2020, 5:15 p.m., EST:* Closing date and time for the submission of comments on the petitions.

**ADDRESSES:** All Commission offices are located in the United States International Trade Commission Building, 500 E Street SW, Washington, DC. The public file for this proceeding may be viewed on the Commission's Miscellaneous Tariff Bill Petition System (MTBPS) at <https://mtbps.usitc.gov>.

**FOR FURTHER INFORMATION CONTACT:** For general inquiries, contact [mtbinfo@usitc.gov](mailto:mtbinfo@usitc.gov). For filing inquiries, contact the Office of Secretary, Docket Services Division, U.S. International Trade Commission, at [mtbpshelp@usitc.gov](mailto:mtbpshelp@usitc.gov) or (202) 205-3238.

The media should contact Peg O'Laughlin, Public Affairs Officer (202-205-1819 or [margaret.olaughlin@usitc.gov](mailto:margaret.olaughlin@usitc.gov)). General information concerning the Commission may be obtained at <https://www.usitc.gov>.

**Background:** The American Manufacturing Competitiveness Act of 2016 (the Act), 19 U.S.C. 1332 note, establishes a process for the submission and consideration of petitions. The Act requires the Commission to initiate the process by publishing a notice requesting members of the public who can demonstrate that they are likely beneficiaries of duty suspensions or reductions to submit petitions to the Commission. As required by the Act, the Commission published that notice in the **Federal Register** on October 11, 2019 (84 FR 54924), with all such petitions to be submitted by the close of business on December 10, 2019.

Section 3(b)(3)(A) of the Act requires that the Commission, no later than 30 days after the expiration of the period for filing petitions, that is, by January 10, 2020, publish on its website the

petitions that contain the information required by the Act. Section 3(b)(3)(B) of the Act requires that the Commission, at the same time, publish a notice requesting members of the public to submit comments to the Commission on the petitions published. Such comments must be submitted to the Commission during the 45-day period beginning on the date of publication of the notice—in this case, by February 24, 2020.

The Act requires the Commission to submit preliminary and final reports to the House Committee on Ways and Means and the Senate Committee on Finance (Committees) on the petitions received. The Commission will submit those reports in June and August 2020, respectively. The reports are to include the Commission's analysis and determinations regarding the petitions, including whether there is domestic production of the article, whether the duty suspension or reduction can likely be administered by the U.S. Customs and Border Protection (CBP), whether the estimated loss in revenues due to the duty suspension or reduction does not exceed \$500,000, and whether the duty suspension or reduction will be available to any person importing the article. The Commission is required to classify the petitions into categories based on whether (1) the petition meets the requirements for inclusion in a miscellaneous tariff bill as submitted or with specified technical changes, changes in product scope, or adjustment in the amount of duty reduction; (2) the petition does not meet the petitioning requirements or the petitioner is not a likely beneficiary; and (3) the Commission otherwise recommends not including the petition in the bill. The Committees and the Congress will make the final decision regarding the imported articles to be included in a bill.

The Act also requires the U.S. Department of Commerce (Commerce), with input from CBP and other Federal agencies, to submit a report to the Commission and to the Committees. This report is to include information related to domestic production and technical changes that are necessary for purposes of administration when articles are presented for importation.

**Procedures for Filing a Comment:** The Commission has promulgated rules of practice and procedure regarding the process for filing comments on the petitions filed. The rules, as amended, are published at 19 CFR part 220 (84 FR 44687, Aug. 27, 2019). See in particular 19 CFR 220.10—220.11. The rules are also posted on the Commission's website along with other materials, including a handbook, designed to assist
