He spoke of the unique value of the JPAG in maximizing the effective use of joint resources to meet deployment and sustainment requirements and expressed confidence that JPAG meetings would serve to prepare attendees for what could occur during a VISA activation. VADM Mewbourne discussed the current operational picture and said JPAG operations are crucial to development of concepts of operations focused on VISA participants' ability to meet DOD requirements for moving contingency cargo from CONUS Sea Ports of Embarkation to designated OCONUS Ports of Debarkation and onward to operational areas.

The purpose of the JPAG meeting was to: (1) Brief members on current strategic and operational developments; (2) affirm industry's readiness, ability,

and resilience to meet DOD contingency transport requirements, and; (3) discuss planning assumptions for potential deployment scenarios. The meeting was rated a success by industry participants, who offered informed and useful information on the provision of capacity and resources to meet DOD requirements.
