BILLING CODE 9110-12-P

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2019-0025; OMB No. 1660-0017]

Agency Information Collection Activities: Submission for OMB Review; Comment Request; Public Assistance Program

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency (FEMA) will submit the information collection abstracted below to the Office of Management and Budget for review and clearance in accordance with the requirements of the Paperwork Reduction Act of 1995. The submission will describe the nature of the information collection, the categories of respondents, the estimated burden (*i.e.*, the time, effort and resources used by respondents to respond) and cost, and the actual data collection instruments FEMA will use.

DATES: Comments must be submitted on or before February 27, 2020.

ADDRESSES: Submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the Desk Officer for the Department of Homeland Security, Federal Emergency Management Agency, and sent via electronic mail to dhsdeskofficer@omb.eop.gov.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection should be made to Director, Information Management Division, 500 C Street SW, Washington, DC 20472, email address FEMA-Information-Collections-Management@fema.dhs.gov or Rachel Hildebrand, Process Improvement Section Chief, Public Assistance Program Delivery Branch, 202-646-3484.

SUPPLEMENTARY INFORMATION: This proposed information collection previously published in the **Federal Register** on November 14, 2019 at 84 FR 61922 with a 60 day public comment period. FEMA received one comment. The comment concerned the requirement for schools or educational facilities to provide proof of accreditation or certification requested on FEMA Form 009-0-49, Request for Public Assistance. While the specific citations in 44 CFR 206.221(a) are now out of date, the Elementary and Secondary Education Act of 1965 continues to have definitions for elementary school (20 U.S.C. 7801(19)) and secondary school (20 U.S.C. 7801(45)) that define such schools as providing elementary and secondary education “as determined under state law.” Government regulation of private schools is limited. In general, the U.S. Department of Education does not have authority to regulate private elementary and secondary schools or home schools. If any regulation is made, it is usually implemented at the State level and the extent of such regulation varies. For example, some States do not require accreditation, and FEMA cannot require formal accreditation where a State does not. However, FEMA may require that an applicant private nonprofit school demonstrate that it meets the required criteria for an educational institution and facility under the Public Assistance Program. This includes the requirement for a private nonprofit school to demonstrate that it meets the regulatory requirements of education “as determined under state law.” Likewise, the Higher Education Act of 1965 continues to have a definition of institution of higher education (20 U.S.C. 1001(a)) which has five criteria that are aligned with the criteria in Table 5 on page 132 of the Public Assistance Program and Policy Guide. FEMA continues to rely on the definitions in these two acts, and we do not believe that Congress, when they reorganized these acts, intended to eliminate FEMA’s longstanding eligibility criteria.

The salary used to calculate the Estimated Total Annual Cost to the Federal Government has been updated to reflect the 2020 Salary Table.

The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below

to the Office of Management and Budget for review and clearance.

DEPARTMENT OF HOMELAND SECURITY

Federal Emergency Management Agency

[Docket ID: FEMA-2020-0006; OMB No. 1660-0022]

Agency Information Collection Activities: Proposed Collection; Comment Request; Community Rating System—Application Letter & Quick Check; Community Recertifications; Environmental & Historic Preservation Certifications

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public to take this opportunity to comment on an extension with changes to a currently approved information collection. In accordance with the Paperwork Reduction Act of 1995, this notice seeks comments concerning application for the National Flood Insurance Program's Community Rating System program. This program allows communities to become eligible for discounts on the cost of flood insurance when the communities undertake activities to mitigate anticipated damage due to flooding. The

application materials verify and document the community mitigation activities performed and provides the Federal Emergency Management Agency with the information necessary to determine what flood insurance premium discounts are appropriate for participating communities.

DATES: Comments must be submitted on or before March 30, 2020.

ADDRESSES: To avoid duplicate submissions to the docket, please use only one of the following means to submit comments:

(1) *Online.* Submit comments at www.regulations.gov under Docket ID FEMA-2020-0006. Follow the instructions for submitting comments.

(2) *Mail.* Submit written comments to Docket Manager, Office of Chief Counsel, DHS/FEMA, 500 C Street SW, 8NE, Washington, DC 20472-3100.

All submissions received must include the agency name and Docket ID. Regardless of the method used for submitting comments or material, all submissions will be posted, without change, to the Federal eRulemaking Portal at <http://www.regulations.gov>, and will include any personal information you provide. Therefore, submitting this information makes it public. You may wish to read the Privacy Act notice that is available via the link in the footer of www.regulations.gov.

FOR FURTHER INFORMATION CONTACT: Bill Lesser, Program Specialist, Federal Insurance and Mitigation Administration, (202) 646-2807. You may contact the Information Management Division for copies of the proposed collection of information at email address: FEMA-Information-Collections-Management@fema.dhs.gov.

SUPPLEMENTARY INFORMATION: The National Flood Insurance Reform Act (NFIRA) of 1994 (Pub. L. 103-325, section 541) requires that a community rating system be established. This ratings system is a voluntary program for communities and it would provide a method by which flood mitigation activities engaged in by these communities could be measured. The effect of this mitigation activity would reduce the exposure of the communities to damage resulting from flooding and in turn reduce the losses incurred as a result of this flooding. To encourage participation, discounts on flood insurance are offered within communities that successfully complete qualified mitigation actions, and the community ratings system provides the ability to measure these actions and to recertify the communities in successive years.

Collection of Information

Title: Community Rating System—Application Letter & Quick Check; Community Annual Recertifications; Environmental & Historic Preservation Certifications.

Type of Information Collection: Extension with changes to a currently approved information collection.

OMB Number: 1660-0022.

FEMA Forms: FEMA Form 086-0-35, Community Rating System Application Letter and Quick Check; FEMA Form 086-0-35A, Community Annual Recertifications, FEMA Form 086-0-35B, Environmental and Historic Preservation Certifications; and FEMA Form 086-0-35C, Repetitive Loss Update Form.

Abstract: The Community Rating System (CRS) Application Letter & Quick Check, the CRS certification and update forms, and accompanying guidance are used by communities that participate in the National Flood Insurance Program's (NFIP) CRS program. The CRS is a voluntary program where flood insurance costs are reduced in communities that implement practices, such as building codes and public awareness activities, that are considered to reduce the risks of flooding and promote the purchase of flood insurance.
