**SUPPLEMENTARY INFORMATION:** This ICR seeks to extend PRA authority for the Welding, Cutting, and Brazing Standard information collection. Regulation 29 CFR 1910.255(e) requires that qualified maintenance personnel and a certification record generated and maintained make a periodic inspection of resistance welding equipment. The certification shall include the date of the inspection, the signature of the person who performed the inspection and the serial number, or other identifier, for the equipment inspected. The maintenance inspection ensures that welding equipment is in safe operating condition, while the maintenance record provides evidence that employers performed the required inspections. The Occupational Safety and Health Act sections 2(b)(3) and 8(c) authorize this information collection. See 29 U.S.C. 651(b)(3), 657(c).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1218–0207.

OMB authorization for an ICR cannot be for more than three (3) years without renewal, and the current approval for this collection is scheduled to expire on January 31, 2020. The DOL seeks to extend PRA authorization for this information collection for three (3) more years, without any change to existing requirements. The DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. #### Agency Information Collection Activities; Submission for OMB Review; Comment Request; Equal Employment Opportunity in Apprenticeship Training

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting the Employment and Training Administration (ETA) sponsored information collection request (ICR) revision titled, "Equal Employment Opportunity in Apprenticeship Training," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork

Reduction Act (PRA) of 1995. Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that agency receives on or before February 28, 2020.

**ADDRESSES:** A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free of charge from the *RegInfo.gov* website at [http://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=201912-1205-001](http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=201912-1205-001) (this link will only become active on the day following publication of this notice) or by contacting Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

Submit comments about this request by mail to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for DOL-ETA, Office of Management and Budget, Room 10235, 725 17th Street NW, Washington, DC 20503; by Fax: 202-395-5806 (this is not a toll-free number); or by email: [OIRA\\_submission@omb.eop.gov](mailto:OIRA_submission@omb.eop.gov). Commenters are encouraged, but not required, to send a courtesy copy of any comments by mail or courier to the U.S. Department of Labor-OASAM, Office of the Chief Information Officer, Attn: Departmental Information Compliance Management Program, Room N1301, 200 Constitution Avenue NW, Washington, DC 20210; or by email: [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**FOR FURTHER INFORMATION CONTACT:**

Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** This ICR seeks approval under the PRA for revisions to the Equal Employment Opportunity in Apprenticeship Training. Title 29 CFR part 30 sets forth policies and procedures to promote equality of opportunity in apprenticeship programs registered with the U.S. Department of Labor (the Department) and recognized State Apprenticeship Agencies. Among other things, these policies and procedures apply to the recruitment and selection of apprentices, and to the conditions of employment and training during apprenticeship. The procedures also provide for reviewing apprenticeship programs, for processing complaints, and for deregistering non-complying apprenticeship programs. The part 30 regulations also provide policies and procedures for continuation or withdrawal of recognition of State

Apprenticeship Agencies (SAAs) which register apprenticeship programs for Federal purposes. This information collection is a revision, because it includes: (1) Minor edits for clarity; (2) an update to the Office of Apprenticeship's room number; (3) a correction to the number of days (*i.e.*, 300) that a complaint must be filed as required under part 30; (4) an update to the list of bases for complaints to include disability, age (40 or older), genetic information, sex (including pregnancy and gender identity), sexual orientation, and retaliation; (5) the removal of the definitions of protected bases to be consistent with the practices of other agencies of the Department; and (6) to clarify that the non-retaliation language applies to both employers and sponsors. The annual burden for this information collection increased from 16,097 hours to 191,355 hours resulting in an increase of 175,258 hours over ETA's previous estimate, which OMB approved until January 31, 2020. Unlike ETA's previous estimate, the annual burden for this information collection is calculated for all program sponsors and not just new ones since there are ongoing burdens that all sponsors need to undertake annually.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB, under the PRA, approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1205-0224. The current approval is scheduled to expire on January 31, 2020; however, the DOL notes that existing information collection requirements submitted to the OMB will receive a month-to-month extension while they undergo review. New requirements would only take effect upon OMB approval. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 21, 2019 (84 FR 64340).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments
