RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

Summary: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding three Information Collection Requests (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

Title and purpose of information collection: Supplement to Claim of Person Outside the United States; OMB 3220-0155.

Under the Social Security Amendments of 1983 (Pub. L. 98-21), which amends Section 202(t) of the Social Security Act, effective January 1, 1985, the Tier I or the overall minimum (O/M) portion of an annuity, and Medicare benefits payable under the Railroad Retirement Act to certain beneficiaries living outside the U.S., may be withheld. The benefit withholding provision of Public Law 98-21 applies to divorced spouses,

spouses, minor or disabled children, students, and survivors of railroad employees who (1) initially became eligible for Tier I amounts, O/M shares, and Medicare benefits after December 31, 1984; (2) are not U.S. citizens or U.S. nationals; and (3) have resided outside the U.S. for more than six consecutive months starting with the annuity beginning date. The benefit withholding provision does not apply, however to a beneficiary who is exempt under either a treaty obligation of the U.S., in effect on August 1, 1956, or a totalization agreement between the U.S. and the country in which the beneficiary resides, or to an individual who is exempt under other criteria specified in Public Law 98-21.

RRB Form G-45, *Supplement to Claim of Person Outside the United States*, is currently used by the RRB to determine applicability of the withholding provision of Public Law 98-21. Completion of the form is required to obtain or retain a benefit. One response is requested of each respondent.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (84 FR 63907 on November 19, 2019) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

OMB Control Number: 3220-0155.

Form(s) submitted: G-45.

Type of request: Revision of a currently approved collection of information.

Affected public: Individuals or Households.

Abstract: Under Public Law 98-21, the Tier I or the overall minimum portion of an annuity and Medicare benefits payable under the Railroad Retirement Act to certain beneficiaries living outside the United States may be withheld. The collection obtains the information needed by the Railroad Retirement Board to implement the benefit withholding provisions of Public Law 98-21.

Changes proposed: The RRB proposes minor non-burden impacting changes to Form G-45.

The burden estimate for the ICR is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
G-45	100	10	17
