**SUPPLEMENTARY INFORMATION:** This ICR seeks to reinstate PRA authority for the

Certification by School Official information collection. The Certification by School Official information collection mandates that in order to qualify as an eligible dependent for black lung benefits, a child aged 18- to 23-years must be a full-time student as described in the Black Lung Benefits Act, 30 U.S.C. 901 *et seq.*, and regulations 20 CFR 725.209. A school official completes a Certification by School Official (Form CM-981) to verify whether a Black Lung beneficiary's dependent between the ages of 18 to 23 years qualifies as a full-time student. Black Lung Benefits Act section 426 authorizes this information collection. See 30 U.S.C. 936, 30 U.S.C. 902(g); 20 CFR 725.209, 725.218 require that all relevant medical evidence be considered before a decision can be made regarding a claimant's eligibility for benefits. By signing the CM-981 form, the claimant authorizes physicians, hospitals, medical facilities or organizations, and the National Institute for Occupational Safety and Health to release medical information about the miner to the Department of Labor's Office of Workers' Compensation Programs. The form contains information required by medical institutions and private physicians to enable them to release pertinent medical information.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB under the PRA approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL requests OMB reinstatement for this information collection under Control Number 1240-0031.

OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL seeks to reinstate PRA authorization for this information collection for three (3) more years, without any change to existing requirements. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on November 22, 2019 (84 FR 64567).
