### Appendix

#### Scope of the Investigations

The merchandise subject to these investigations consists of wood mouldings and millwork products that are made of wood (regardless of wood species), bamboo, laminated veneer lumber (LVL), or of wood and composite materials (where the composite materials make up less than 50 percent of the total merchandise), and which are continuously shaped wood that undergoes additional manufacturing or finger-jointed or edge-glued moulding or millwork blanks (whether or not resawn).

The percentage of composite materials contained in a wood moulding or millwork product is measured by length, except when the composite material is a coating or cladding. Wood mouldings and millwork

products that are coated or clad, even along their entire length, with a composite material, but that are otherwise comprised of wood, LVL, or wood and composite materials (where the non-coating composite materials make up 50 percent or less of the total merchandise) are covered by the scope.

The merchandise subject to these investigations consists of wood, LVL, bamboo, or a combination of wood and composite materials that is continuously shaped throughout its length (with the exception of any endwork/dados), profiled wood having a repetitive design in relief, similar milled wood architectural accessories, such as rosettes and plinth blocks, and finger-jointed or edge-glued moulding or millwork blanks (whether or not resawn). The scope includes continuously shaped wood in the forms of dowels, building components such as interior paneling and jamb parts, and door components such as rails and stiles.

The covered products may be solid wood, laminated, finger-jointed, edge-glued, face-glued, or otherwise joined in the production or remanufacturing process and are covered by the scope whether imported raw, coated (e.g., gesso, polymer, or plastic), primed, painted, stained, wrapped (paper or vinyl overlay), any combination of the aforementioned surface coatings, treated, or which incorporate rot-resistant elements (whether wood or composite). The covered products are covered by the scope whether or not any surface coating(s) or covers obscures the grain, textures, or markings of the wood, whether or not they are ready for use or require final machining (e.g., endwork/dado, hinge/strike machining, weatherstrip or application thereof, mitre) or packaging.

All wood mouldings and millwork products are included within the scope even if they are trimmed; cut-to-size; notched; punched; drilled; or have undergone other forms of minor processing.

Subject merchandise also includes wood mouldings and millwork products that have been further processed in a third country, including but not limited to trimming, cutting, notching, punching, drilling, coating, or any other processing that would not otherwise remove the merchandise from the scope of the investigations if performed in the country of manufacture of the in-scope product.

Excluded from the scope of these investigations are exterior fencing, exterior decking and exterior siding products (including solid wood siding, non-wood siding (e.g., composite or cement), and shingles) that are not LVL or finger jointed; finished and unfinished doors; flooring; parts of stair steps (including newel posts, balusters, easing, gooseneck, risers, treads and rail fittings); and picture frame components three feet and under in individual lengths.

Excluded from the scope of these investigations are all products covered by the scope of the antidumping and countervailing duty orders on *Hardwood Plywood from the People's Republic of China*. See *Certain Hardwood Plywood Products from the People's Republic of China: Amended Final Determination of Sales at Less Than Fair*

*Value, and Antidumping Duty Order*, 83 FR 504 (January 4, 2018); *Certain Hardwood Plywood Products from the People's Republic of China: Countervailing Duty Order*, 83 FR 513 (January 4, 2018).

Excluded from the scope of these investigations are all products covered by the scope of the antidumping and countervailing duty orders on *Multilayered Wood Flooring from the People's Republic of China*. See *Multilayered Wood Flooring from the People's Republic of China: Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order*, 76 FR 76690 (December 8, 2011); *Multilayered Wood Flooring from the People's Republic of China: Countervailing Duty Order*, 76 FR 76693 (December 8, 2011).

Imports of wood mouldings and millwork products are primarily entered under the following Harmonized Tariff Schedule of the United States (HTSUS) numbers: 4409.10.4010, 4409.10.4090, 4409.10.4500, 4409.10.5000, 4409.22.4000, 4409.22.5000, 4409.29.4100, and 4409.29.5100. ## Background

On September 3, 2019, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on certain cold-rolled steel flat products (cold-rolled steel) from Brazil for the POR of September 1, 2018 through August 31, 2019.<sup>1</sup> United States Steel Corporation (U.S. Steel) timely filed requests for administrative review of Aperam Inox America do Sul S.A. (Aperam Inox); Armco do Brasil S.A. (Armco); Arvedi Metalfer do Brasil (Arvedi Metalfer); Companhia Siderurgica Nacional (CSN); NVent do Brasil Eletrometalurgica (NVent); Signode Brasileira Ltda. (Signode Brasileira); and Usinas Siderurgicas de Minas Gerais (Usiminas), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).<sup>2</sup>

On November 12, 2019, pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the antidumping order on cold-rolled steel from Brazil with respect to Aperam Inox, Armco, Arvedi Metalfer, CSN, NVent, Signode Brasileira, and Usiminas.<sup>3</sup> On January 8, 2020, U.S. Steel withdrew its request for an administrative review with respect to all of the companies for which it had requested a review.<sup>4</sup>

## Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. U.S. Steel withdrew its request within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

## Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of cold-rolled steel from Brazil. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

## Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.42(f)(2) to file a certificate regarding the reimbursement of AD duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of AD duties occurred and the subsequent assessment of doubled AD duties.

## Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

### Pure Magnesium From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2018-2019

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) is conducting the administrative review of the antidumping duty order on pure magnesium from the People's Republic of China (China), covering the period May 1, 2018 through April 30, 2019. Commerce preliminarily determines that Tianjin Magnesium International, Co., Ltd. and Tianjin Magnesium Metal, Co., Ltd. (collectively TMI/TMM) did not have reviewable entries during the period of review (POR). We invite interested parties to comment on these preliminary results.

**DATES:** Applicable February 5, 2020.

**FOR FURTHER INFORMATION CONTACT:** Kyle Clahane, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington DC 20230; telephone: (202) 482-5449.

## Background

On May 1, 2019, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on pure magnesium from China for the POR.<sup>1</sup> On July 15, 2019, in response to a timely request from the petitioner,<sup>2</sup> and in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on pure magnesium from China with respect to TMI/TMM.<sup>3</sup>

<sup>1</sup> See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 84 FR 18479 (May 1, 2019).

<sup>2</sup> See US Magnesium LLC's Letter, "Pure Magnesium from the People's Republic of China: Request for Administrative Review," dated May 31, 2019.

<sup>3</sup> See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 84 FR 33739 (July 15, 2019). In the 2011-2012 administrative review of the order, Commerce collapsed TMM and TMI, and treated the companies as a single entity for purposes of the proceeding. Because there were no changes to the facts which supported that decision since that determination was made, we continue to find that these companies are part of a single entity for this
