BILLING CODE 4333-15-P

NATIONAL INDIAN GAMING COMMISSION

Notice of Approved Class III Tribal Gaming Ordinance

AGENCY: National Indian Gaming Commission.

ACTION: Notice.

SUMMARY: The purpose of this notice is to inform the public of the approval of Coquille Tribe of Oregon's Class III gaming ordinance by the Chairman of the National Indian Gaming Commission.

DATES: This notice is effective upon date of publication in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Frances Fragua, Office of General Counsel at the National Indian Gaming Commission, 202-632-7003, or by facsimile at 202-632-7066 (not toll-free numbers).

SUPPLEMENTARY INFORMATION: The Indian Gaming Regulatory Act (IGRA) 25 U.S.C. 2701 *et seq.*, established the National Indian Gaming Commission (Commission). Section 2710 of IGRA authorizes the Chairman of the Commission to approve Class II and Class III tribal gaming ordinances. Section 2710(d)(2)(B) of IGRA, as implemented by NIGC regulations, 25 CFR 522.8, requires the Chairman to publish, in the **Federal Register**, approved Class III tribal gaming ordinances and the approvals thereof.

IGRA requires all tribal gaming ordinances to contain the same requirements concerning tribes' sole proprietary interest and responsibility for the gaming activity, use of net revenues, annual audits, health and safety, background investigations and licensing of key employees and primary management officials. The Commission, therefore, believes that publication of each ordinance in the **Federal Register** would be redundant and result in unnecessary cost to the Commission.

Thus, the Commission believes that publishing a notice of approved Class III tribal gaming ordinances in the **Federal Register**, is sufficient to meet the requirements of 25 U.S.C. 2710(d)(2)(B). Every approved tribal gaming ordinance, every approved ordinance amendment, and the approval thereof, are posted on the Commission's website.

As of January 29, 2020, the Coquille Tribe of Oregon's Class III gaming ordinance became approved by operation of law. Under 25 U.S.C. 2710(e), the NIGC Chair has ninety days from the date of submission to either approve or disapprove a gaming ordinance. Any ordinance not acted upon at the end of the ninety-day period is considered to have been approved by the Chair to the extent it is consistent with the provisions of IGRA. Because no action was taken by the Chair within the ninety-day period, the Tribe's amended ordinance is considered approved to the extent it is consistent with IGRA. It is

the opinion of the Office of General Counsel that the Coquille Tribe of Oregon's Class III gaming ordinance is compliant with the requirements of IGRA and NIGC regulations. A copy of the ordinance and approval letter can be found on the NIGC's website (www.nigc.gov) under General Counsel, Gaming Ordinances. A copy of the approved Class III gaming ordinance will also be made available upon request. Requests can be made in writing to the Office of General Counsel, National Indian Gaming Commission, Attn: Frances Fragua, 1849 C Street NW, MS #1621, Washington, DC 20240.

National Indian Gaming Commission.

Dated: January 31, 2020.

Michael Hoenig,
General Counsel.

SUPPLEMENTARY INFORMATION: On October 18, 2016, the Commission instituted this investigation based on a complaint filed by R2 Semiconductor, Inc. of Sunnyvale, California. 81 FR 71764 (Oct. 18, 2016). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337 ("section 337") based upon the importation into the United States, the sale for importation, or the sale within the United States after importation of certain integrated circuits with voltage regulators and products containing the same by reason of infringement of certain claims of U.S. Patent No. 8,233,250 ("the '250 patent"). *Id.* The Commission's notice of investigation named as respondents Intel Corporation of Santa Clara, California; Intel Ireland Ltd. of Leixlip, Ireland; Intel Products Vietnam Co., Ltd. of Ho Chi Minh City, Vietnam; Intel Israel 74 Ltd. of Haifa, Israel; Intel Malaysia Sdn. Berhad of Penang, Malaysia; Intel China, Ltd. of Beijing, China; Dell, Inc. of Round Rock, Texas; Dell Technologies Inc. of Round Rock, Texas; HP Inc. of Palo Alto, California; and Hewlett Packard Enterprise Co. of Palo Alto, California (collectively, "Respondents"). *Id.* The Office of Unfair Import Investigations ("OUII") is participating in this investigation. *Id.*

On July 31, 2018, the Patent Trial and Appeal Board ("PTAB") issued final written decisions in inter partes review proceedings, finding all asserted claims of the '250 patent to be invalid. On August 16, 2018, Respondents filed an unopposed motion to stay this investigation pending appellate review of those decisions by the Federal Circuit. On August 31, 2018, the presiding administrative law judge ("ALJ") granted that motion. Order No. 55 (Aug. 31, 2018).

On December 23, 2019, R2 and Respondents filed a joint motion to terminate this investigation in its entirety for good cause in light of the Federal Circuit's November 13, 2019 decision affirming the PTAB's decision finding all asserted claims of the '250 patent unpatentable. OUII did not oppose the motion.

On January 10, 2020, the ALJ issued the subject ID (Order No. 59), which grants the motion. The ALJ found that the motion complies with Commission Rule 210.21(a) and that no extraordinary circumstances prohibit termination of the investigation. No petitions for review were filed.

The Commission has determined not to review the subject ID. This investigation is terminated.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: January 31, 2020.

Lisa Barton,

Secretary to the Commission.
