

(HTSUS).³ The HTSUS subheadings are provided for convenience and customs purposes only; the written description of the scope of the order is dispositive.

Final Results of Review

Commerce preliminarily determined that neither of the companies subject to this review demonstrated eligibility for separate rate status and, thus, Commerce found them to be part of the China-wide entity.⁴ As noted above, Commerce received no comments concerning the *Preliminary Results* of this review. We find that there is no reason to modify our analysis. Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details regarding the issues addressed in this proceeding, see the *Preliminary Results*.⁵

In these final results of review, we continue to treat both exporters subject to this review as part of the China-wide entity.⁶ The China-wide entity rate is 234.51 percent.

China-Wide Entity

Commerce's policy regarding the conditional review of the China-wide entity applies to this administrative review.⁷ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, and Commerce did not self-initiate a review, the entity is not under review and the entity's rate is not subject to change (*i.e.*, 234.51 percent).

³ Based on a recommendation by U.S. Customs and Border Protection (CBP), on September 6, 2017, we added HTSUS 7326.20.0090 to the scope. See Memorandum, "Request from Customs and Border Protection to Update the ACE AD/CVD Case Reference File, Uncovered Innersprings from the People's Republic of China (A-570-928) and South Africa (A-791-821)," dated September 6, 2017. On October 21, 2019, we also added HTSUS numbers 9404.29.9050 and 9404.29.9013 to the scope based on another recommendation by CBP. See Memorandum, "Request from Customs and Border Protection to Update the ACE AD/CVD Case Reference File, Uncovered Innersprings from the People's Republic of China (A-570-928)," dated October 21, 2019.

⁴ See *Preliminary Results*.

⁵ *Id.*

⁶ In the *Preliminary Results*, we found both exporters subject to this review to be part of the China-wide entity as each exporter failed to submit a separate rate application and/or a separate rate certification to establish its eligibility for separate rate status.

⁷ See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963 (November 4, 2013).

Assessment Rates

Commerce has determined, and CBP shall assess, antidumping duties on all appropriate entries in this review, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(1). We intend to issue assessment instructions directly to CBP 15 days after publication in the **Federal Register** of these final results of this administrative review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For previously investigated or reviewed Chinese and non-Chinese exporters not under review in this segment of the proceeding, but who have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (2) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the China-wide entity rate (*i.e.*, 234.51 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of

APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation, which is subject to sanction.

Notification to Interested Parties

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Dated: January 27, 2020.

Multilayered Wood Flooring From the People's Republic of China: Preliminary Results of Countervailing Duty Administrative Review, and Intent To Rescind Review, in Part; 2017

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that countervailable subsidies are being provided to producers and exporters of multilayered wood flooring (wood flooring) from the People's Republic of China (China). Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable February 6, 2020.

FOR FURTHER INFORMATION CONTACT: Bob Palmer or Suzanne Lam, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: 202-482-9068 or 202-482-0783, respectively.

SUPPLEMENTARY INFORMATION:

Background

On December 8, 2011, Commerce issued a countervailing duty (CVD) order on multilayered wood flooring from China.¹ Several interested parties requested that Commerce conduct an administrative review of the *Order*, and on March 14, 2019, Commerce published in the **Federal Register** a notice of initiation of an administrative

¹ See *Multilayered Wood Flooring from the People's Republic of China: Countervailing Duty Order*, 76 FR 76693 (December 8, 2011) (*Order*).

review of the *Order* on 170 producers/exporters for the period of review (POR).² Commerce exercised its discretion to toll all deadlines affected by the partial federal government closure from December 22, 2018, through the resumption of operations on January 29, 2019.³ On September 11, 2019, Commerce partially extended the preliminary results deadline until December 13, 2019.⁴ On November 18, 2019, Commerce fully extended the preliminary results deadline until January 31, 2020.⁵

Scope of the Order

The product covered by the *Order* is wood flooring from China. For a complete description of the scope of this administrative review, see the Preliminary Decision Memorandum.⁶

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (Act). For each of the subsidy programs found countervailable, we preliminarily determine that there is a subsidy, *i.e.*, a financial contribution by an “authority” that confers a benefit to the recipient, and that the subsidy is specific.⁷ For a full description of the methodology underlying our preliminary conclusions, including our reliance, in part, on adverse facts available pursuant to sections 776(a) and (b) of the Act, see the Preliminary Decision Memorandum.

The Preliminary Decision Memorandum is a public document and is on file electronically *via* Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users

at <https://access.trade.gov> and in the Central Records Unit, Room B8024 of the main Commerce building. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed Preliminary Decision Memorandum and the electronic version of the Preliminary Decision Memorandum are identical in content. A list of topics discussed in the Preliminary Decision Memorandum is included as an Appendix to this notice.

Intent To Rescind Administrative Review, in Part

Based on our analysis of U.S. Customs and Border Protection (CBP) information, and the no shipment certifications submitted by Anhui Boya Bamboo & Wood Products Co., Ltd., Anhui Yaolong Bamboo and Wood Products Co., Ltd., Armstrong Wood Products (Kunshan) Co., Ltd., Changzhou Hawd Flooring Co., Ltd., Dalian Shengyu Science and Technology Development Co., Ltd., Hunchun Forest Wolf Wooden Industry Co., Ltd., Jiashan On-Line Lumber Co., Ltd., Kingman Floors Co., Ltd., Yingyi-Nature (Kunshan) Wood Industry Co., Ltd., and Zhejiang Shiyou Timber Co., Ltd., Commerce preliminarily determines that these companies had no shipments of subject merchandise during the POR. For additional information regarding this determination, see the Preliminary Decision Memorandum. Absent any evidence of shipments being placed on the record, pursuant to 19 CFR 351.213(d)(3), we intend to rescind the administrative review of these companies in the final results of review.

Rate for Non-Selected Companies Under Review

There are 157 companies for which a review was requested and not rescinded, and which were not selected as mandatory respondents or found to be cross-owned with a mandatory respondent. For these companies, because the rates calculated for the mandatory respondents, Baroque Timber Industries (Zhongshan) Co., Ltd. (Baroque Timber) and Jiangsu Guyu International Trading Co., Ltd. (Jiangsu Guyu) were above *de minimis* and not based entirely on facts available, we applied a subsidy rate based on a weighted-average of the subsidy rates calculated for Baroque Timber and Jiangsu Guyu using publicly-ranged sales data submitted by the respondents. This methodology to establish the all-others subsidy rate is consistent our practice and with section 705(c)(5)(A) of the Act. For further information on the calculation of the non-selected respondent rate, refer to the section in the Preliminary Decision Memorandum entitled “Non-Selected Companies Under Review.” For a list of the non-selected companies, please see Appendix III to this notice.

Preliminary Results of the Review

In accordance with 19 CFR 351.221(b)(4)(i), we calculated a countervailable subsidy rate for each of the mandatory respondents, Baroque Timber and Jiangsu Guyu, and their cross-owned affiliates where applicable.

We preliminarily find the countervailable subsidy rates for the mandatory and non-selected respondents under review to be as follows:

Producer/exporter	Subsidy rate (percent)
Baroque Timber Industries (Zhongshan) Co., Ltd. and its Cross-Owned Affiliates ⁸	18.18
Jiangsu Guyu International Trading Co., Ltd. and its Cross-Owned Affiliates ⁹	123.26
Non-Selected Companies Under Review ¹⁰	24.61

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act, we intend to issue the final results of this administrative review, including the results of our analysis of the issues raised by the parties in their comments, within 120 days after publication of these preliminary results.

Assessment Rates

In accordance with 19 CFR 351.221(b)(4)(i), we preliminarily assigned subsidy rates in the amounts shown above for the producer/exporters shown above. Upon completion of the administrative review, consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review. We intend to issue instructions directly to CBP 15 days after publication of the final results of this review. For the companies for which this review is rescinded, Commerce will instruct CBP

to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2017, through December 31, 2017, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Cash Deposit Requirements

In accordance with section 751(a)(1) of the Act, Commerce intends, upon publication of the final results, to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for each of the respective companies listed above on shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits at the most recent company-specific or all-others rate applicable to the company. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Interested Parties

These preliminary results are issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.221(b)(4).

Dated: January 31, 2020.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that certain companies covered by the administrative review and new shipper reviews did not make sales of subject merchandise at prices below normal value (NV). We invite interested parties

to comment on these preliminary results.

DATES: Applicable February 6, 2020.

FOR FURTHER INFORMATION CONTACT: Sergio Balbontin or Alexis Cherry, AD/CVD Operations, Office VIII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6478 or (202) 482-0607, respectively.

SUPPLEMENTARY INFORMATION:**Background**

Commerce is conducting an administrative review and an aligned new shipper review (NSR) of the antidumping duty order on multilayered wood flooring (MLWF) from the People's Republic of China (China). The period of review (POR) for both reviews is December 1, 2017 through November 30, 2018. The administrative review covers 99 companies, including two mandatory respondents: The Fusong Jinlong Group¹ (Jinlong) and Jiangsu Guyu International Trade Co., Ltd. (Guyu). The new shipper review covers Muchsee Wood (Chuzhou) Co., Ltd. (Muchsee Wood). We preliminarily determine that sales of subject merchandise by Jinlong and Guyu have not been made at prices below NV.² We also preliminarily determine that a single sale of subject merchandise by Muchsee Wood has not been made at prices below NV.³ In addition, we are preliminarily granting separate rates to Jinlong, Guyu, Muchsee Wood and 54 producers/exporters, and determine that 21 producer/exporters made no shipments of subject merchandise during the POR. Finally, we are rescinding the review with respect to

¹ Commerce has previously indicated that Dalian Qianqiu Wooden Product Co., Ltd. (Dalian Qianqiu), Fusong Jinlong Wooden Group Co., Ltd. (Fusong Jinlong), Fusong Jinqiu Wooden Product Co., Ltd. (Fusong Jinqiu), and Fusong Qianqiu Wooden Product Co., Ltd. (Fusong Qianqiu) are collectively known as the "Fusong Jinlong Group."
