

- The analysis relied upon; and
- The methodology, including models, used to gather and analyze data.

XIII. Questions and Requests for IEED Assistance

IEED staff may provide technical consultation, upon written request by an applicant. The request must clearly identify the type of assistance sought. Technical consultation does not include funding to prepare a grant proposal, grant writing assistance, or pre-determinations as to the likelihood that a proposal will be awarded. The applicant is solely responsible for preparing its grant proposal. Technical consultation may include clarifying application requirements, confirming whether an applicant previously submitted the same or similar proposal, and registration information for SAM or ASAP.

XIV. Separate Document(s)

- Application for Federal Assistance SF-424 Form
- Project Narrative Attachment Form (This form includes the Project Narrative, Budget, Tribal Resolution, and Critical Information page).

XV. Authority

This is a discretionary grant program authorized under the Snyder Act (25 U.S.C.13) and the Further Consolidated Appropriations Act 2020 (Pub. L. 116-94). The Snyder Act authorizes the BIA to expend such moneys as Congress may appropriate for the benefit, care, and assistance of Indians for the purposes listed in the Act. Broadband deployment or expansion facilitates two of the purposes listed in the Snyder Act: "General support and civilization, including education" and "industrial assistance and advancement." The Further Consolidated Appropriations Act 2020 authorizes the BIA to "carry out the operation of Indian programs by direct expenditure, contracts, cooperative agreements, compacts, and grants, either directly or in cooperation with States and other organizations."

Dated: December 23, 2019.

Tara Sweeney,

Assistant Secretary—Indian Affairs.
