Purpose of Program: The AORC program provides grants to consortia of United States institutions of higher education (IHEs) to establish or operate overseas centers to promote postgraduate research, exchanges, and area studies. AORC grants may be used to pay all or a portion of the costs for the operation and maintenance of overseas facilities; organizing and managing conferences; teaching and research materials; the acquisition, maintenance, and preservation of library collections; bringing visiting scholars and faculty to the center to teach or to conduct research; faculty and staff stipends and salaries; faculty, staff, and student travel; and publication and dissemination of materials for the scholarly and general public.

Priorities: Under this competition we are particularly interested in applications that address the following priorities.

Invitational Priorities: For FY 2020 and any subsequent year in which we make awards from the list of unfunded applications from this competition, these priorities are invitational priorities. Under 34 CFR 75.105(c)(1), we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1—Professional Development Opportunities for Community Colleges and Minority Serving Institutions.

Provide professional development opportunities to participants from community colleges and minority-serving institutions. The opportunities must include: Foreign language instruction at the beginning level to introduce participants to the languages of the center, or at the intermediate and advanced levels to strengthen participants' foreign language proficiency; curriculum development workshops for incorporating global content into courses; and conferences related to the scholarly focus of the

center. The professional development opportunities may be provided in the United States or overseas where the center is located.

For the purpose of this priority:

Community college means an institution that meets the definition in section 312(f) of the Higher Education Act of 1965, as amended (HEA) (20 U.S.C. 1058(f)); or an institution of higher education (as defined in section 101 of the HEA) that awards degrees and certificates, more than 50 percent of which are not bachelor's degrees (or an equivalent) or master's, professional, or other advanced degrees.

Minority-serving institution means an institution that is eligible to receive assistance under sections 316 through 320 of part A of title III, under part B of title III, or under title V of the HEA.

Note: The list of institutions currently designated as eligible under title III and title V is available at: www2.ed.gov/about/offices/list/ope/idades/eligibility.html#el-inst.

Invitational Priority 2—Open Access to Center-related Research, Instructional, and Scholarly Resources.

Projects that promote international scholarship by providing open access to center-related research studies, conference proceedings, online libraries, digital archives, foreign language instructional materials, scholarly publications, and other resources related to the thematic focus of the center.

Program Authority: 20 U.S.C. 1128a.

Applicable Regulations: (a) The Education Department General Administrative Regulations in 34 CFR parts 75, 77, 79, 81, 82, 84, 86, 97, 98, and 99. (b) The Office of Management and Budget Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485. (c) The Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

4. *Integrity and Performance System:* If you are selected under this competition to receive an award that over the course of the project period may exceed the simplified acquisition threshold (currently \$250,000), under 2 CFR 200.205(a)(2) we must make a judgment about your integrity, business ethics, and record of performance under Federal awards—that is, the risk posed by you as an applicant—before we make an award. In doing so, we must consider any information about you that is in the integrity and performance system (currently referred to as the Federal Awardee Performance and Integrity Information System (FAPIIS)), accessible through the System for Award Management. You may review and comment on any information about yourself that a Federal agency previously entered and that is currently in FAPIIS.

Please note that, if the total value of your currently active grants, cooperative agreements, and procurement contracts from the Federal Government exceeds \$10,000,000, the reporting requirements in 2 CFR part 200, Appendix XII, require you to report certain integrity information to FAPIIS semiannually. Please review the requirements in 2 CFR part 200, Appendix XII, if this grant plus all the other Federal funds you receive exceed \$10,000,000.

VI. Award Administration Information

requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates the approved application as part of the binding commitments under the grant.

3. *Open Licensing Requirements:* Unless an exception applies, if you are awarded a grant under this competition, you will be required to openly license to the public grant deliverables created in whole, or in part, with Department grant funds. When the deliverable consists of modifications to pre-existing works, the license extends only to those modifications that can be separately identified and only to the extent that open licensing is permitted under the terms of any licenses or other legal restrictions on the use of pre-existing works. Additionally, a grantee or subgrantee that is awarded competitive grant funds must have a plan to disseminate these public grant deliverables. This dissemination plan can be developed and submitted after your application has been reviewed and selected for funding. For additional information on the open licensing requirements please refer to 2 CFR 3474.20.

4. *Reporting:* (a) If you apply for a grant under this competition, you must ensure that you have in place the necessary processes and systems to comply with the reporting requirements in 2 CFR part 170 should you receive funding under the competition. This does not apply if you have an exception under 2 CFR 170.110(b).

(b) At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multiyear award, you must submit an annual performance report that provides the most current performance and financial expenditure information as directed by the Secretary under 34 CFR 75.118. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c).

5. *Performance Measures:* The purpose of the AORC program is to

promote area studies, exchanges, and postgraduate research. In compliance with the Government Performance and Results Act of 1993, the Department will use the following measures to assess the impact of the AORC program on project participants and researchers:

AORC Performance Measure 1: The number of individuals conducting postgraduate research utilizing the services of title VI AORCs.

AORC Performance Measure 2: The percentage of AORC program participants who advanced in their professional field within two years after their participation.

The grantee performance reports collected in IRIS will be the data source for these measures. The AORC program reporting screens may be viewed at: <http://iris.ed.gov/iris/pdfs/AORC.pdf>.

6. *Continuation Awards:* In making a continuation award under 34 CFR 75.253, the Secretary considers, among other things: Whether a grantee has made substantial progress in achieving the goals and objectives of the project; whether the grantee has expended funds in a manner that is consistent with its approved application and budget; and, if the Secretary has established performance measurement requirements, the performance targets in the grantee's approved application.

In making a continuation award, the Secretary also considers whether the grantee is operating in compliance with the assurances in its approved application, including those applicable to Federal civil rights laws that prohibit discrimination in programs or activities receiving Federal financial assistance from the Department (34 CFR 100.4, 104.5, 106.4, 108.8, and 110.23).

ELECTION ASSISTANCE COMMISSION

Proposed Information Collection—2020 Election Administration and Voting Survey; Comment Request

AGENCY: U.S. Election Assistance Commission (EAC).

ACTION: Notice.

SUMMARY: In compliance with the *Paperwork Reduction Act* of 1995, the EAC announces an information collection and seeks public comment on the provisions thereof. The EAC intends to submit this proposed information collection (2020 Election Administration and Voting Survey, or EAVS) to the Director of the Office of Management and Budget for approval. The 2020 EAVS asks election officials questions concerning voting and election administration, including the following topics: Voter registration; overseas and military voting; voting by mail; early in-person voting; polling operations; provisional voting; voter participation; election technology; election policy; and other related issues.

DATES: Written comments must be submitted on or before March 12, 2020.

ADDRESSES: Comments on the proposed information collection should be submitted electronically via <https://www.regulations.gov> (docket ID: EAC-2019-0001). Written comments on the proposed information collection can also be sent to the U.S. Election Assistance Commission, 1335 East West Highway, Suite 4300, Silver Spring, MD 20910, *Attn:* EAVS.

Obtaining a Copy of the Survey: To obtain a free copy of the draft survey instrument: (1) Download a copy at <https://www.regulations.gov> (docket ID: EAC-2019-0001); or (2) write to the EAC (including your address and phone number) at U.S. Election Assistance Commission, 1335 East West Highway, Suite 4300, Silver Spring, MD 20910, *Attn:* EAVS.

FOR FURTHER INFORMATION CONTACT: Dr. Nichelle Williams at 301-563-3919, or email clearinghouse@eac.gov; U.S. Election Assistance Commission, 1335

East West Highway, Suite 4300, Silver Spring, MD 20910.

SUPPLEMENTARY INFORMATION:

Comments: Public comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

Title and OMB Number: 2020 Election Administration and Voting Survey; OMB Number Pending.

Needs and Uses

The EAC issues the EAVS to meet its obligations under the Help America Vote Act of 2002 (HAVA) to serve as national clearinghouse and resource for the compilation of information with respect to the administration of Federal elections; to fulfill both the EAC and the Department of Defense Federal Voting Assistance Program's (FVAP) data collection requirements under the Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA); and meet its National Voter Registration Act (NVRA) mandate to collect information from states concerning the impact of that statute on the administration of Federal elections. In addition, under the NVRA, the EAC is responsible for collecting information and reporting, biennially, to Congress on the impact of that statute. The information the states are required to submit to the EAC for purposes of the NVRA report are found under Title 11 of the Code of Federal Regulations. States that respond to questions in this survey concerning voter registration-related matters will meet their NVRA reporting requirements under 52 U.S.C. 20508 and EAC regulations. Finally, UOCAVA mandates that FVAP work with the EAC and chief state election officials to develop standards for reporting UOCAVA voting information (52 U.S.C. 20302) and that FVAP will store the reported data and present the findings within the congressionally-mandated report to the President and Congress. Additionally, UOCAVA requires that "not later than 90 days after the date of each regularly scheduled general election for Federal office, each state and unit of local government which administered the election shall (through the state, in the case of a unit of local

government) submit a report to the EAC on the combined number of absentee ballots transmitted to absent uniformed services voters and overseas voters for the election and the combined number of such ballots which were returned by such voters and cast in the election, and shall make such a report available to the general public." States that complete and timely submit the UOCAVA section of the survey to the EAC will fulfill their UOCAVA reporting requirement under 52 U.S.C. 20302. In order to fulfill the above requirements, the EAC is seeking information relating to the period from the Federal general election day 2018 +1 through the November 2020 Federal general election. The EAC will provide the data regarding UOCAVA voting to FVAP after data collection is completed. This data sharing reduces burden on local election offices because FVAP does not have to conduct its own data collection to meet its reporting requirements.

Affected Public (Respondents): State or local governments, the District of Columbia, American Samoa, Guam, the Northern Mariana Islands, Puerto Rico, and the U.S. Virgin Islands.

Number of Respondents: 56.

Responses per Respondent: 1.

Estimated Burden per Response: 101 hours per collection, 50.5 hours annualized.

Estimated Total Annual Burden Hours: 5,656 hours per collection, 2,828 hours annualized.

Frequency: Biennially.
