Rule 104, SEC File No. 270-411, OMB Control No. 3235-0465

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the existing collection of information provided for in Rule 104 of Regulation M (17 CFR 242.104), under the Securities Exchange Act of 1934 (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 104—Stabilizing and Other Activities in Connection with an Offering—permits stabilizing by a distribution participant during a distribution so long as the distribution participant discloses information to the market and investors. This rule requires disclosure in offering materials of the potential stabilizing transactions and that the distribution participant inform the market when a stabilizing bid is made. It also requires the distribution participants (*i.e.*, the syndicate manager) to maintain information regarding syndicate covering transactions and penalty bids and disclose such information to the Self-Regulatory Organization (SRO).

There are approximately 805 respondents per year that require an aggregate total of 161 hours to comply with this rule. Each respondent makes an estimated 1 annual response. Each response takes approximately 0.20 hours (12 minutes) to complete. Thus, the total compliance burden per year is 161 hours. The total estimated internal labor cost of compliance for the respondents is approximately \$11,270.00 per year, resulting in an estimated internal cost of compliance for each respondent per response of approximately \$14.00 (*i.e.*, \$11,270.00/805 respondents).

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission’s estimates of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to: David Bottom, Director/Chief Information Officer, Securities and Exchange Commission, c/o Cynthia Roscoe, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: February 7, 2020.

Rule 17a-22, SEC File No. 270-202, OMB Control No. 3235-0196

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information provided for in Rule 17a-22 (17 CFR. 240.17a-22) under the Securities Exchange Act of 1934 (“Exchange Act”) (15 U.S.C. 78a *et seq.*). The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Rule 17a-22 requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with whom they have a significant relationship. The filings with the Commission must be made within ten days after the materials are issued or made generally available. When the Commission is not the clearing agency’s appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency.

The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine whether a clearing agency is implementing procedural or policy changes. The information filed aids the Commission in determining whether such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 are registered clearing agencies. The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies but on average there are approximately 120 filings per year per active clearing agency. There are nine clearing agencies, but only seven active registered clearing agencies that are expected to submit filings under Rule 17a-22. The Commission staff estimates that each response requires approximately .25 hours (fifteen minutes), which represents the time it takes for a staff person at the clearing agency to properly identify a document subject to the rule, print and make copies, and mail that document to the Commission. Thus, the total annual burden for all active clearing agencies is approximately 210 hours (7 clearing agencies multiplied by 120 filings per clearing agency multiplied by .25 hours).
