

land as suitable for disposal on page 104 and management action 6009. FLPMA Section 203 allows for the disposal of public lands if they meet the following disposal criteria: "Such tract, because of its location or other characteristics, is difficult and uneconomic to manage as part of the public lands, and is not suitable for management by another Federal department or agency." The subject parcels meet this criteria because the existing structures and the change in the character of the lands associated with agricultural ranching operations make the lands difficult to manage as public lands.

A parcel-specific EA, document numbered DOI-BLM-WY-R010-2019-0017-EA, was prepared in connection with this sale. A copy of the EA, Finding of No Significant Impact and Decision Record are available online at: <https://go.usa.gov/xmQfd>.

The parcels are not identified as access points for recreation in accordance with Secretary's Order 3373—Evaluating Public Access in Bureau of Land Management Public Land Disposals and Exchanges. There are no anticipated impacts from the BLM-managed public land disposal on recreational access to adjacent tracts of publicly accessible lands.

In accordance with 43 CFR 2710-0-6(c)(3)(iii) and 43 CFR 2711.3-3(a), a direct sale may be appropriate to resolve inadvertent, unauthorized use of the land or to protect existing equities in the land. In this case, a competitive sale is not appropriate because the subject lands contain improvements that directly support the adjoining ranch property, owned by Paint Rock Angus Ranch, Inc., rendering the land unusable by the public. The minimal acreage was considered to create a manageable boundary that included the lands needed to protect the existing irrigation improvements and resolve inadvertent unauthorized use. The public's interest is best served by resolving the inadvertent unauthorized use and receiving payment at FMV for the public lands.

Upon publication of this Notice in the **Federal Register**, the public lands described above will be segregated from all forms of appropriation under the public land laws, including the mining laws, except for the sale provisions of the FLPMA. The temporary segregation will terminate upon, (1) Issuance of a conveyance document, (2) Publication in the **Federal Register** terminating the segregation, or (3) On February 14, 2022, unless extended by the BLM Wyoming State Director, in accordance with 43 CFR 2711.1-2(d).

Upon publication of this Notice, the BLM will no longer accept land use applications affecting these public lands, except applications for the amendment of previously filed rights-of-way applications or existing authorizations to increase the term of the grants in accordance with 43 CFR 2807.15 and 43 CFR 2886.15.

The conveyance document, if issued, will be subject to the following terms, conditions, and reservations:

1. A rights-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945);
2. All mineral deposits in the lands so conveyed and to it, or persons authorized by it, the right to prospect for, mine and remove such deposits from the same under applicable law and regulations to be established by the Secretary of the Interior, together with all necessary access and exit rights; and
3. All valid existing rights issued prior to conveyance.

The BLM will publish this Notice in the Basin Republican Rustler newspaper once each week for 3 consecutive weeks. Only written comments submitted by postal service or overnight mail will be considered as properly filed. Electronic mail, facsimile, or telephone comments will not be considered.

Any adverse comments regarding the sale will be reviewed by the BLM Wyoming State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in response to such comments. In the absence of any timely filed objections, this realty action will become the final determination of the Department of the Interior.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. Comments, including names and street addresses of respondents, will be available for public review at the BLM Worland Field Office during regular business hours, except holidays.

## DEPARTMENT OF LABOR

### Office of the Secretary

#### Agency Information Collection Activities; Submission for OMB Review; Comment Request; Provider Enrollment Form

**ACTION:** Notice of availability; request for comments.

**SUMMARY:** The Department of Labor (DOL) is submitting the Office of Workers' Compensation Programs (OWCP) sponsored information collection request (ICR) titled, "Provider Enrollment Form," to the Office of Management and Budget (OMB) for review and approval for use in accordance with the Paperwork Reduction Act (PRA) of 1995. Public comments on the ICR are invited.

**DATES:** The OMB will consider all written comments that agency receives on or before March 16, 2020.

**ADDRESSES:** A copy of this ICR with applicable supporting documentation; including a description of the likely respondents, proposed frequency of response, and estimated total burden may be obtained free of charge from the *RegInfo.gov* website at [http://www.reginfo.gov/public/do/PRAViewICR?ref\\_nbr=202002-1240-001](http://www.reginfo.gov/public/do/PRAViewICR?ref_nbr=202002-1240-001) (this link will only become active on the day following publication of this notice) or by contacting Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

Submit comments about this request by mail to the Office of Information and Regulatory Affairs, Attn: OMB Desk Officer for DOL-OWCP, Office of Management and Budget, Room 10235, 725 17th Street NW, Washington, DC 20503; by Fax: 202-395-5806 (this is not a toll-free number); or by email: [OIRA\\_submission@omb.eop.gov](mailto:OIRA_submission@omb.eop.gov). Commenters are encouraged, but not required, to send a courtesy copy of any comments by mail or courier to the U.S. Department of Labor-OASAM, Office of the Chief Information Officer, Attn: Departmental Information Compliance Management Program, Room N1301, 200 Constitution Avenue NW, Washington, DC 20210; or by email: [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**FOR FURTHER INFORMATION CONTACT:** Frederick Licari by telephone at 202-693-8073, TTY 202-693-8064, (these are not toll-free numbers) or sending an email to [DOL\\_PRA\\_PUBLIC@dol.gov](mailto:DOL_PRA_PUBLIC@dol.gov).

**SUPPLEMENTARY INFORMATION:** This ICR seeks approval under the PRA for revisions to the Provider Enrollment

Form (Form OWCP–1168). The form requests profile information on providers that enroll in one or more of OWCP's benefit programs so its billing contractor can pay them for services rendered to beneficiaries using its automated bill processing system. In addition to the enrollment form information collection, the OWCP bill processing contractor currently collects electronic data interchange (EDI) information from the provider *only if* the provider chooses a data exchange submission method. Once the new OWCP–1168 form is in place, the existing EDI template will no longer be applicable. The current EDI template collects information that is duplicative to information collected on Form OWCP–1168, such as names, addresses, and NPI. Collecting EDI information with the enrollment information in one form will improve efficiency in collecting the information from providers, reduce the time required for processing by operational staff, and will significantly reduce errors associated with mismatching provider enrollments to their EDI information. This information collection will be submitted to OMB under the emergency processing request procedures, as outlined by 5 CFR part 1320 Section 13, to allow for implementation of the revisions to the Provider Enrollment Form as soon as possible, and to incorporate regulatory updates implementing the Black Lung benefits Act which becomes applicable on April 26, 2020. Once OMB has approved the emergency processing request, a separate 60-day **Federal Register** Notice will be published to again solicit public comments.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6.

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within thirty (30) days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should mention OMB Control Number 1240–0021.

The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

## OFFICE OF MANAGEMENT AND BUDGET

### Request for Comment on Considerations for Additional Measures of Poverty

**AGENCY:** Office of Information and Regulatory Affairs, Office of Management and Budget, Executive Office of the President.

**ACTION:** Notice of solicitation of comments.

**SUMMARY:** Office of Management and Budget (OMB) requests comment on the questions posed by the Interagency Technical Working Group on Evaluating Alternative Measures of Poverty (Working Group) to help inform the Working Group's recommendations on

producing additional measures of poverty. The Working Group has developed a consensus interim report that details its considerations to date. The Working Group's interim report is summarized in the **SUPPLEMENTARY INFORMATION** section below and available in full on [www.regulations.gov](http://www.regulations.gov). The interim report outlines the history of poverty measurement in the U.S., describes the Working Group's considerations of an extended income-based poverty measure and a consumption-based poverty measure, and identifies other areas worthy of future research. It also identifies questions for public comment, toward the goal of helping to inform the remaining discussions of the Working Group, and meet their charge of identifying whether or not to recommend to the Chief Statistician of the United States that one or more new measures of poverty be developed and published. The Working Group's interim report reflects considerations to date, but does not reflect recommendations or decisions. This interim report and the Working Group's questions are being published to solicit input from the public.

**DATES:** To ensure consideration of comments on this Notice, comments must be provided in writing no later than 60 days from the publication date of this notice. Because of delays in the receipt of regular mail related to security screening, respondents are encouraged to send comments electronically (see **ADDRESSES**, below).

**ADDRESSES:** Written comments may be addressed to: Office of the Chief Statistician, OMB, email [US\\_Chief\\_Statistician@omb.eop.gov](mailto:US_Chief_Statistician@omb.eop.gov), fax number (202) 395–7245. Comments may be sent via [www.regulations.gov](http://www.regulations.gov)—a Federal E-Government website that allows the public to find, review, and submit comments on documents that agencies have published in the **Federal Register** and that are open for comment. Simply type “OMB–2019–0007” (in quotes) in the Comment or Submission search box, click Go, and follow the instructions for submitting comments. Comments received by the date specified above will be included as part of the official record.

Comments submitted in response to this notice may be made available to the public and are subject to disclosure under the Freedom of Information Act. For this reason, please do not include in your comments information of a confidential nature, such as sensitive personal information or proprietary information. If you send an email comment, your email address will be
