BILLING CODE 1410-30-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 62

[EPA-R09-OAR-2019-0345; FRL-10001-02-Region 9]

Approval and Promulgation of State Plans for Designated Facilities and Pollutants; Pinal County Air Quality Control District; Control of Emissions From Existing Municipal Solid Waste Landfills

AGENCY: Environmental Protection Agency (EPA).
ACTION: Final rule.

SUMMARY: The Environmental Protection Agency (EPA) is taking final action to approve a state plan submitted by the Pinal County Air Quality Control District (PCAQCD). For the purposes of this Section 111(d) plan, the PCAQCD is considered a “State” as defined in EPA’s regulations. This state plan submittal pertains to the regulation of landfill gas and its components, including methane, from existing municipal solid waste (MSW) landfills. This state plan was submitted in response to the EPA’s promulgation of Emissions Guidelines and Compliance Times for MSW landfills. This action is being taken under the Clean Air Act (CAA).

DATES: This plan will be effective on March 20, 2020. The incorporation by reference of certain material listed in the

rule is approved by the Director of the Federal Register as of March 20, 2020.
ADDRESSES: The EPA has established a docket for this action under Docket ID No. EPA-R09-OAR-2019-0345. All documents in the docket are listed on the <https://www.regulations.gov> website. Although listed in the index, some information is not publicly available, e.g., Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Certain other material, such as copyrighted material, is not placed on the internet and will be publicly available only in hard copy form. Publicly available docket materials are available through <https://www.regulations.gov>, or please contact the person identified in the **FOR FURTHER INFORMATION CONTACT** section for additional availability information.
FOR FURTHER INFORMATION CONTACT: Jeffrey Buss, EPA Region IX, 75 Hawthorne St., San Francisco, CA 94105. By phone: (415) 947-4152 or by email at buss.jeffrey@epa.gov.
SUPPLEMENTARY INFORMATION: Throughout this document, “we,” “us” and “our” refer to the EPA.

Table of Contents

- I. Proposed Action
- II. Public Comments and EPA Responses
- III. EPA Action
- IV. Incorporation by Reference
- V. Statutory and Executive Order Reviews

I. Proposed Action

On July 8, 2019 (84 FR 32365), the EPA proposed to approve a section 111(d) plan submitted by the PCAQCD for existing municipal solid waste landfills. The submitted section 111(d) plan was in response to the August 29, 2016 promulgation of Federal NSPS and emission guidelines requirements for MSW landfills, 40 CFR part 60, subparts XXX and Cf, respectively (81 FR 59332 and 81 FR 59276). Included within the section 111(d) plan are regulations under the PCAQCD Code at Chapter 5, Article 34 (5-34-2050) entitled

“Standards of Performance for Existing Municipal Solid Waste Landfills” and Chapter 6, Article 1 (6-1-030) entitled “New Source Performance Standards: Adopted Documents,” effective on December 19, 2018.

We proposed to approve this plan because we determined that it complies with the relevant CAA requirements. Our proposed action contains more information on the plan and our evaluation.

II. Public Comments and EPA Responses

The EPA’s proposed action provided a 30-day public comment period. During this period, we received no comments.

III. EPA Action

No comments were submitted. Therefore, as authorized in section 110(k)(3) of the Act, the EPA is fully approving the plan submitted by the PCAQCD.

IV. Incorporation by Reference

In accordance with the requirements of 1 CFR 51.5, EPA is finalizing regulatory text that includes the incorporation by reference of the PCAQCD Code 5-34-2050 entitled “Standards of Performance for Existing Municipal Solid Waste Landfills” and 6-1-030 entitled “Performance Standards” amended on December 19, 2018, which is part of the CAA section 111(d) plan applicable to existing MSW landfills in Pinal County Arizona as discussed in section I of this preamble. These regulatory provisions in the section 111(d) plan establish emission standards and compliance times for the control of methane and other organic compounds from certain existing MSW landfills located in Pinal County that commenced construction, modification, or reconstruction on or before July 17, 2014. These provisions set forth requirements meeting criteria promulgated by EPA at 40 CFR part 60, subpart Cf. EPA has made, and will continue to make, the entire Pinal

County plan, generally available through www.regulations.gov, Docket No. EPA-R03-OAR-2019-0345, and at the EPA Region IX Office (please contact the person identified in the “For Further Information Contact” section of this preamble for more information). This incorporation by reference has been approved by the Office of the Federal Register and the plan is federally enforceable under the CAA as of the effective date of this final rulemaking.

V. Statutory and Executive Order Reviews

Under the Clean Air Act, the Administrator is required to approve section 111(d) state plan submissions that comply with the provisions of the Act and applicable Federal regulations. 42 U.S.C. 7411(d); 40 CFR part 60, subparts B and Cf; and 40 CFR part 62, subpart A. Thus, in reviewing CAA section 111(d) state plan submissions, the EPA’s role is to approve state choices, provided that they meet the criteria of the Act and implementing regulations. Accordingly, this action merely approves state law as meeting Federal requirements and does not impose additional requirements beyond those imposed by state law. For that reason, this action:

- Is not a “significant regulatory action” subject to review by the Office of Management and Budget under Executive Orders 12866 (58 FR 51735, October 4, 1993) and 13563 (76 FR 3821, January 21, 2011);
- Is not an Executive Order 13771 (82 FR 9339, February 2, 2017) regulatory action because this action is not significant under Executive Order 12866;
- Does not impose an information collection burden under the provisions of the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*);
- Is certified as not having a significant economic impact on a substantial number of small entities under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*);
- Does not contain any unfunded mandate or significantly or uniquely affect small governments, described in the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4);
- Does not have federalism implications as specified in Executive Order 13132 (64 FR 43255, August 10, 1999);
- Is not an economically significant regulatory action based on health or safety risks subject to Executive Order 13045 (62 FR 19885, April 23, 1997);
- Is not a significant regulatory action subject to Executive Order 13211 (66 FR 28355, May 22, 2001);

- Is not subject to requirements of section 12(d) of the National Technology Transfer and Advancement Act of 1995 (15 U.S.C. 272 note) because application of those requirements would be inconsistent with the CAA; and

- Does not provide EPA with the discretionary authority to address, as appropriate, disproportionate human health or environmental effects, using practicable and legally permissible methods, under Executive Order 12898 (59 FR 7629, February 16, 1994).

In addition, the CAA section 111(d) Plans are not approved to apply in Indian country, as defined at 18 U.S.C. 1151, located in the state. As such, this rule does not have tribal implications, as specified by Executive Order 13175 (65 FR 67249, November 9, 2000), and it will not impose substantial direct costs on tribal governments or preempt tribal law.

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this action and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of the rule in the **Federal Register**. A major rule cannot take effect until 60 days after it is published in the **Federal Register**. This action is not a “major rule” as defined by 5 U.S.C. 804(2).

Under section 307(b)(1) of the Clean Air Act, petitions for judicial review of this action must be filed in the United States Court of Appeals for the appropriate circuit by April 20, 2020. Filing a petition for reconsideration by the Administrator of this final rule does not affect the finality of this action for the purposes of judicial review nor does it extend the time within which a petition for judicial review may be filed, and shall not postpone the effectiveness of such rule or action. This action may not be challenged later in proceedings to enforce its requirements. (See section 307(b)(2).)

List of Subjects in 40 CFR Part 62

Environmental protection, Air pollution control, Incorporation by reference, Intergovernmental relations, Landfills, Methane, Ozone, Reporting and recordkeeping requirements, Sulfur Oxides, Volatile organic compounds.

Dated: August 30, 2019.

Deborah Jordan,

Acting Regional Administrator, Region IX.

Editorial note: This document was received for publication by the Office of the Federal Register on February 4, 2020.

For the reasons stated in the preamble, the Environmental Protection Agency amends 40 CFR part 62 as follows:

PART 62—APPROVAL AND PROMULGATION OF STATE PLANS FOR DESIGNATED FACILITIES AND POLLUTANTS

■ 1. The authority citation for part 62 continues to read as follows:

Authority: 42 U.S.C. 7401 *et seq.*

Subpart D—Arizona

■ 2. Section 62.600 is revised to read as follows:

§ 62.600 Identification of plan.

(a) The Arizona Department of Environmental Quality submitted on June 17, 1997 and June 29, 1999, the State of Arizona’s Section 111(d) Plan for Existing Municipal Solid Waste Landfills.

(b) Control of landfill gas emissions from existing municipal solid waste landfills, submitted by the Arizona Department of Environmental Quality on July 24, 2018, to implement 40 CFR par 60, subpart Cf. The Plan includes the regulatory provisions cited in paragraph (f) of this section, which the EPA incorporates by reference.

(c) After March 20, 2020, the substantive requirements of the municipal solid waste landfills state plan are contained in paragraph (b) of this section and owners and operators of municipal solid waste landfills in Arizona must comply with the requirements in paragraph (b) of this section.

(d) Control of landfill gas emissions from existing municipal solid waste landfills, submitted by the Pinal County Air Quality Control District on March 4, 2019, to implement 40 CFR part 60, subpart Cf. The Plan includes the regulatory provisions cited in paragraph (f) of this section, which the EPA incorporates by reference.

(e) After March 20, 2020, the substantive requirements of the municipal solid waste landfills state plan are contained in paragraph (d) of this section and owners and operators of municipal solid waste landfills in Arizona must comply with the requirements in paragraph (d) of this section.

(f)(1) The material incorporated by reference in this section was approved by the Director of the Federal Register in accordance with 5 U.S.C. 552(a) and 1 CFR part 51. You may obtain copies at the EPA Region 9 office, 75 Hawthorne Street, San Francisco, California 94105, 415-947-8000 or from the source(s) listed in this paragraph (f). Copies may be inspected at the National Archives and Records Administration (NARA). For information on the availability of this material at NARA, email fedreg.legal@nara.gov or go to: www.archives.gov/federal-register/cfr/ibr-locations.html.

(2) State of Arizona, Pinal County Air Quality Control District. Clerk of the Board, Pinal County, PO Box 827, Florence, AZ 85232.

(i) Pinal County Air Quality Control District Code of Regulations. Article 34: Standards of Performance for Existing Municipal Solid Waste Landfills—5-34-2050 Applicability, amended December 19, 2018.

(ii) Pinal County Air Quality Control District Code of Regulations. 6-1-030 Performance standards, Nos. 1, 2, and 75, amended December 19, 2018.

■ 3. Section 62.601 is revised to read as follows:

§ 62.601 Identification of sources.

(a) The plan applies to all existing municipal solid waste landfills for which construction, reconstruction, or modification was commenced before May 30, 1991, as described in 40 CFR part 60, subpart Cc.

(b) The plan in § 62.600(b) applies to all existing municipal solid waste landfills under the jurisdiction of the Arizona Department of Environmental Quality for which construction, reconstruction, or modification was commenced on or before July 17, 2014.

(c) The plan in § 62.600(c) applies to all existing municipal solid waste landfills under the jurisdiction of the Pinal County Air Quality Control District for which construction, reconstruction, or modification was commenced on or before July 17, 2014.

■ 4. Section 62.602 is revised to read as follows:

§ 62.602 Effective date.

(a) The effective date of EPA approval of the plan is November 19, 1999.

(b) The effective date of the plan submitted on July 24, 2018 by the Arizona Department of Environmental Quality for municipal solid waste landfills is March 20, 2020.

(c) The effective date of the plan submitted on March 4, 2019 by the Pinal County Air Quality Control District for

municipal solid waste landfills is March 20, 2020.

BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 64

[PS Docket Nos. 18-261, 17-239; GN Docket No. 11-117; FCC 19-76; FRS 16425]

Implementing Kari's Law and RAY BAUM'S Act; Inquiry Concerning 911 Access, Routing, and Location in Enterprise Communications Systems; Amending the Definition of Interconnected VoIP Service; Corrections

AGENCY: Federal Communications Commission.

ACTION: Final rule; correction.

SUMMARY: This document corrects the final rules portion of a **Federal Register** document published on December 5, 2019. That **Federal Register** document inadvertently removed definitions from the Commission's rules for telecommunications relay services.

DATES: Effective on February 19, 2020.

FOR FURTHER INFORMATION CONTACT: Michael Scott, Consumer and Governmental Affairs Bureau, (202) 418-1264, or email Michael.Scott@fcc.gov.

SUPPLEMENTARY INFORMATION: This document corrects the final rules document published at 84 FR 66716, December 5, 2019.

List of Subjects in 47 CFR Part 64

Individuals with disabilities, Telecommunications, Telecommunications relay services.

Federal Communications Commission.

Marlene Dortch,
Secretary.

Final Rules

Accordingly, 47 CFR part 64 is corrected by making the following correcting amendments:

PART 64—MISCELLANEOUS RULES RELATING TO COMMON CARRIERS

■ 1. The authority citation for part 64 continues to read as follows:

Authority: 47 U.S.C. 154, 201, 202, 217, 218, 220, 222, 225, 226, 227, 228, 251(a), 251(e), 254(k), 262, 403(b)(2)(B), (c), 616, 620, and 1401-1473, unless otherwise noted.

■ 2. Amend § 64.601 by adding paragraphs (a)(1) through (51) to read as follows:

§ 64.601 Definitions and provisions of general applicability.

(a) * * *

(1) *711*. The abbreviated dialing code for accessing relay services anywhere in the United States.

(2) *ACD platform*. The hardware and/or software that comprise the essential call center function of call distribution, and that are a necessary core component of internet-based TRS.

(3) *American Sign Language (ASL)*. A visual language based on hand shape, position, movement, and orientation of the hands in relation to each other and the body.

(4) *ANI*. For 911 systems, the Automatic Number Identification (ANI) identifies the calling party and may be used as the callback number.

(5) *ASCII*. An acronym for American Standard Code for Information Interexchange which employs an eight bit code and can operate at any standard transmission baud rate including 300, 1200, 2400, and higher.

(6) *Authorized provider*. An iTRS provider that becomes the iTRS user's new default provider, having obtained the user's authorization verified in accordance with the procedures specified in this part.

(7) *Baudot*. A seven bit code, only five of which are information bits. Baudot is used by some text telephones to communicate with each other at a 45.5 baud rate.

(8) *Call release*. A TRS feature that allows the CA to sign-off or be "released" from the telephone line after the CA has set up a telephone call between the originating TTY caller and a called TTY party, such as when a TTY user must go through a TRS facility to contact another TTY user because the called TTY party can only be reached through a voice-only interface, such as a switchboard.

(9) *Common carrier or carrier*. Any common carrier engaged in interstate Communication by wire or radio as defined in section 3(h) of the Communications Act of 1934, as amended (the Act), and any common carrier engaged in intrastate communication by wire or radio, notwithstanding sections 2(b) and 221(b) of the Act.

(10) *Communications assistant (CA)*. A person who transliterates or interprets conversation between two or more end users of TRS. CA supersedes the term "TDD operator."

(11) *Default provider*. The iTRS provider that registers and assigns a ten-digit telephone number to an iTRS user pursuant to § 64.611.

(12) *Default provider change order*. A request by an iTRS user to an iTRS
