Abstract: As part of NCUA's Regulatory Modernization Initiative, the NCUA Board amended Part 723 to provide federally insured credit unions with greater flexibility and individual autonomy in safely and soundly providing commercial and business loans to serve their members. Abstract: Section 701.34 (b) of NCUA's regulations provide that designated low-income credit unions (LICU) may accept secondary capital under certain conditions. For those LICUs wishing to exercise their option to access secondary capital, NCUA requires that credit unions accepting secondary capital must develop and submit a plan for its acquisition, use, and repayment. The information is used by NCUA to determine if the secondary capital will be managed by the credit union without risk to its financial condition, the U.S. government, or the National Credit Union Share Insurance Fund.
