SURFACE TRANSPORTATION BOARD

60-Day Notice of Intent To Seek Extension of Approval: Household Goods Movers' Disclosure Requirements

AGENCY: Surface Transportation Board.

ACTION: Notice and request for comments.

For further information regarding this collection, contact Michael Higgins, Deputy Director, Office of Public Assistance, Governmental Affairs, and Compliance, at (202) 245-0284 or michael.higgins@stb.gov. Assistance for the hearing

impaired is available through the Federal Relay Service at (800) 877-8339.

SUPPLEMENTARY INFORMATION: Comments are requested concerning: (1) The accuracy of the Board's burden estimates; (2) ways to enhance the quality, utility, and clarity of the information collected; (3) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology when appropriate; and (4) whether the collection of information is necessary for the proper performance of the functions of the Board, including whether the collection has practical utility. Submitted comments will be summarized and included in the Board's request for OMB approval.

Description of Collection

Title: Household Goods Movers' Disclosure Requirements.

OMB Control Number: 2140-0027.

STB Form Number: None.

Type of Review: Extension without change.

Respondents: Household goods movers that desire to offer a rate limiting their liability on interstate moves to anything less than replacement value of the goods.

Number of Respondents: 4,500

(approximate number of active household goods carriers in the United States according to the Federal Motor Carrier Safety Administration. *See* 2019 Pocket Guide to Large Truck and Bus Statistics (January 2020) section 1-7 Household Goods Carriers and Brokers Operating in the United States, 2014-2018)).

Frequency: On occasion.

Total Burden Hours: None. The change to the estimate form was a one-time, start-up cost, which was considered in the cost analysis of the Board's initial approval for this collection. The Board's initial request for approval estimated that 15 of the approximately 4,500 household goods movers were large firms that print their own forms and would have to produce modified forms to meet the new requirement. Further, any new large mover entrants would have to create forms based on other agency regulations—with or without the released rate disclosure—and, therefore, there is no hourly burden for this collection.

Total "Non-hour Burden" Cost: Movers may provide these forms to shippers electronically. Further, as with the burden hours above, the one-time, start-up costs that were previously considered will no longer apply to
