Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on all aspects of the information collections, but commentators may wish to focus particular attention on: (a) The cost for CDFIs and CDEs to operate and maintain the services/systems required to provide the required information; (b) ways to enhance the quality, utility, and clarity of the information to be collected; (c) whether the collection of information is necessary for the proper evaluation of the effectiveness and impact of the CDFI Fund's programs, including whether the information has practical utility; (d) the accuracy of the CDFI Fund's estimate of the burden of the collection of information; (e) ways to minimize the burden of the collection of information including through the use of technology, such as software for internal accounting and geocoding to capture geographic detail while streamlining and aggregating TLR reporting for upload to AMIS, and; (f) what methods might be used to improve the data quality, internal accounting and efficiency of reporting transactions for serving other targeted populations.

Please note that this request for public comment is necessary in order to renew the OMB data collection 1559-0027 under the Paperwork Reduction Act, (formerly CIIS) and now executed through AMIS. Later in 2020 the CDFI Fund plans to publish a request for public comment to solicit feedback on proposed additions and revisions to the NMTC and CDFI TLRs and estimates on reporting burdens which are not contained in this notice.
