SUPPLEMENTARY INFORMATION:

Background

On October 1, 2019, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on certain hot-rolled steel flat products (hot-rolled steel) from Brazil for the POR of October 1, 2018 through September 30, 2019.¹ United States Steel Corporation, Steel Dynamics, Inc., and SSAB Enterprises, LLC (collectively, the domestic interested parties) timely filed a request for administrative review of the following Brazilian exporters/producers of hot-rolled steel: AG Royce Metal Marketing; Aperam South America; Companhia Siderurgica Nacional; Companhia Siderurgica Suape; Cummins Inc.; Erico Incorporated; Gautier Steel Limited; Gerdau Acominas S.A.; Mahle Engine Components USA Inc.; Mahle Metal Leve S.A.; Marcegaglia do Brasil; Modine do Brasil Sistemas Termicos; Nvent do Brasil Eletrometalurgica Ltda.; Nvent Erico; Optimus Steel Inc.; Ternium Brasil Ltda.; Ternium Mexico S.A. de C.V.; and Usinas Siderurgicas de Minas Gerais S.A. (Usiminas), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b).²

On December 11, 2019, pursuant to these requests and in accordance with 19 CFR 351.221(c)(1)(i), Commerce published a notice initiating an administrative review of the antidumping order on hot-rolled steel from Brazil with respect to all 18 companies for which a review was requested.³ On February 10, 2020, the domestic interested parties withdrew their request for an administrative review with respect to all of the

companies for which they had requested a review.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party or parties that requested a review withdraws the request within 90 days of the publication date of the notice of initiation of the requested review. The domestic interested parties withdrew their request for review of all of the Brazilian producers/exporters of hot-rolled steel for which they had requested an administrative review, within 90 days of the publication date of the notice of initiation. No other parties requested an administrative review of the order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding this review in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries of hot-rolled steel from Brazil. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP 15 days after the date of publication of this notice in the **Federal Register**.

Notification to Importers

This notice serves as a reminder to importers of their responsibility under 19 CFR 351.42(f)(2) to file a certificate regarding the reimbursement of AD duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of AD duties occurred and the subsequent assessment of doubled AD duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to all parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely written

notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: February 20, 2020,

James Maeder,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

SUPPLEMENTARY INFORMATION:

Background

On October 11, 2019, Commerce published the *Preliminary Results* of this administrative review.¹ No party commented on the *Preliminary Results*. Accordingly, Commerce has not modified its analysis from the *Preliminary Results*, and no decision memorandum accompanies this **Federal Register** notice. Commerce conducted this review in accordance with section

¹ See *Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity to Request Administrative Review*, 84 FR 52068 (October 1, 2019).

² See domestic interested parties' letter, "Hot-Rolled Steel Flat Products from Brazil: Request for Administrative Review of Antidumping Duty Order," dated October 31, 2019.

751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise subject to this order is hardwood and decorative plywood, and certain veneered panels.² For the purposes of this proceeding, hardwood and decorative plywood are described as a generally flat, multilayered plywood or other veneered panel, consisting of two or more layers of plies of wood veneers and a core, with the face and/or back veneer made of nonconiferous wood (hardwood) or bamboo. For a complete description of the scope of the order, *see* the Preliminary Decision Memorandum.³

Methodology

For each of the subsidy programs we found to be countervailable, we determined that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁴

In making these findings, Commerce relied on facts available and, because we found that two companies selected as mandatory respondents for individual examination (Jiangsu High Hope Arser Co., Ltd. (High Hope) and Zhejiang Dehua TB Import & Export Co., Ltd (Zhejiang Dehua)), as well as the Government of China, did not act to the best of their abilities to respond to Commerce's requests for information, we drew an adverse inference, where appropriate, in selecting from among the facts otherwise available.

As no party submitted comments on the methodology used in calculating the adverse facts available subsidy rates assigned in the *Preliminary Results*, Commerce has made no adjustments to its determination that High Hope and Zhejiang Dehua did not cooperate to the best of their abilities to comply with Commerce's request for information. Accordingly, we continue to determine that it is appropriate to apply facts otherwise available with adverse inferences, in accordance with sections 776(a) and (b) of the Act. For details regarding the issues raised in this proceeding, including Commerce's

determination to apply adverse facts available to High Hope and Zhejiang Dehua, *see* the Preliminary Decision Memorandum.⁵

Additionally, due to the absence of reviewable entries, in our *Preliminary Determination*, we preliminarily rescinded this review with respect to the following companies: Happy Wood Industrial Group Co., Ltd.; Jiangsu Sunwell Cabinetry Co., Ltd.; Linyi Bomei Furniture Co., Ltd.; Pingyi Jinniu Wood Co., Ltd.; Qingdao Top P&Q International Corp.; SAICG International Trading Co., Ltd.; Shandong Huaxin Jiasheng Wood Co., Ltd.; Shandong Jinhua International Trading Co., Ltd.; and Xuzhou Amish Import & Export Co., Ltd.⁶ There is no additional record evidence that calls into question the preliminary decision to rescind this review for the above-referenced companies. Accordingly, we continue to find that it is appropriate to rescind this review with respect to each of these companies.

Final Results

The final net countervailable subsidy rates are as follows:

Exporter/producer	Net subsidy rate ad valorem (percent)
Zhejiang Dehua TB Import & Export Co., Ltd	194.90
Jiangsu High Hope Arser Co., Ltd	194.90

Disclosure

We described the subsidy rate calculations, which were based on adverse facts available, in the Preliminary Decision Memorandum.⁷ As noted above, there are no changes to our calculations. Thus, no additional disclosure is necessary for this final determination.

Assessment Rates

Consistent with section 751(a)(1) of the Act, and 19 CFR 351.212(b)(2), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries. Commerce intends to issue appropriate assessment instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

Pursuant to section 751(a)(2)(C) of the Act, Commerce also intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amount indicated above on shipments of subject merchandise from the above-named companies entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Administrative Protective Order

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: February 10, 2020.

Jeffrey I. Kessler,

Assistant Secretary for Enforcement and Compliance.
