Committee Act, as amended, 5 U.S.C.
Appendix 2 authorized creation of the
AMWG to provide recommendations to
the Secretary of the Department of the

Interior in carrying out the
responsibilities of the Act to protect,
mitigate adverse impacts to, and
improve the values for which Grand
Canyon National Park and Glen Canyon

The duties or roles and functions of
the AMWG are in an advisory capacity
only. They are to: (1) Establish AMWG

Experimental and Management Plan
Final Environmental Impact Statement
and subsequent related decisions, (3)

representing their stakeholder group.
Membership from a wide range of

by the Secretary of the Interior
(Secretary) and are comprised of:

a. The Secretary's Designee, who

After consultation, the Secretary will appoint members to the AMWG. AMWG member terms are limited to three (3) years from their date of appointment. Following completion of their first term, an AMWG member may request consideration for reappointment to an additional term. Reappointment is not guaranteed.

Typically, AMWG will hold two in-person meetings and one webinar meeting per fiscal year. Between meetings, AMWG members are expected to participate in committee work via conference calls and email exchanges. Members of the AMWG and its subcommittees serve without pay. However, while away from their homes or regular places of business in the performance of services of the AMWG, members may be reimbursed for travel expenses, including per diem in lieu of subsistence, in the same manner as persons employed intermittently in the government service, as authorized by 5 U.S.C. 5703.
