#### DEPARTMENT OF VETERANS AFFAIRS

##### 38 CFR Part 21

##### RIN 2900–AQ61

#### Elimination of On-the-Job Training and Apprenticeship Trainee Certification

**AGENCY:** Department of Veterans Affairs.

**ACTION:** Proposed rule.

**SUMMARY:** The Department of Veterans Affairs (VA) proposes to amend its regulations that contain the requirements for certification of attendance at on-the-job training and apprenticeship programs under the Veterans Apprenticeship and Labor Opportunity Reform Act (VALOR Act). Section 3 of this law eliminated the requirement that trainees (veterans and other eligible persons who receive the training) certify attendance at on-the-job or apprentice training prior to disbursement of a training assistance allowance, thereby placing the responsibility solely on the employer to certify attendance in on-the-job and apprenticeship programs. Although it does not apply to chapter 30, we propose to eliminate the regulatory trainee certification requirement for chapter-30 trainees as well.

**DATES:** Comments must be received on or before April 28, 2020.

**ADDRESSES:** Written comments may be submitted through [www.Regulations.gov](https://www.Regulations.gov); by mail or hand-delivery to Director, Office of Regulation Policy and Management (00REG), Department of Veterans Affairs, 810 Vermont Avenue NW, Room 1064, Washington, DC 20420; or by fax to (202) 273–9026. Comments should indicate that they are submitted in response to “RIN 2900–AQ61—Elimination of On-the-Job Training and Apprenticeship Trainee Certification.” Copies of comments received will be available for public inspection in the Office of Regulation Policy and

Management, Room 1064, between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday (except holidays). Please call (202) 461-4902 for an appointment. (This is not a toll-free number.) In addition, during the comment period, comments may be viewed online through the Federal Docket Management System (FDMS) at [www.Regulations.gov](http://www.Regulations.gov).

**FOR FURTHER INFORMATION CONTACT:**

Cheryl Amitay, Chief, Policy and Regulation Development Staff (225C), Education Service, Department of Veterans Affairs, 810 Vermont Ave. NW, Washington, DC 20420, (202) 461-9700. (This is not a toll-free telephone number.)

**SUPPLEMENTARY INFORMATION:** Prior to the enactment of Public Law 115-89, 131 Stat. 1279, “Veterans Apprenticeship and Labor Opportunity Reform Act” (VALOR Act), 38 U.S.C. 3680(c) required that veterans and other eligible persons pursuing approved programs of on-the-job training (OJT) or apprenticeship training (trainees) certify actual attendance and that training establishments certify that a trainee was enrolled in and pursuing a program of apprenticeship or other on-job training. VA implemented former section 3680(c) in 38 CFR 21.4138(e)(2), 21.5133(b), and 21.7640(a)(3). VA also required dual certification for chapter-30 apprenticeship and OJT programs in 38 CFR 21.7140(c)(2).

Section 3 of Public Law 115-89 amended sec. 3680(c) to eliminate the trainee’s attendance certification requirement. Consequently, only the training establishment is required to certify the trainee’s OJT or apprenticeship training. Congress eliminated the trainee certification requirement to “reduce the administrative burden on veterans while maintaining attendance certification” to “ensure GI Bill benefits are only paid to individuals who are abiding by the benefit requirements.” H.R. Rep. No. 115-398, at 4 (2017). VA therefore proposes to amend 38 CFR 21.4138(e)(2), 21.5133(b), and 21.7640(a)(3) by removing references to the requirement for a trainee’s certification.

Section 3034 of title 38, U.S.C., sets forth general provisions regarding the administration of the chapter 30 Montgomery GI Bill program. Section 3034(a)(1) provides that the general administration of educational benefits provisions contained in chapter 36 apply to the chapter 30 program, except for sec. 3680(c), among other provisions. Although 38 U.S.C. 3034(a)(1) specifically excepts 38 U.S.C. 3680(c)

from application to the provision of educational assistance under chapter 30, VA previously promulgated 38 CFR 21.7140(c)(2)(ii) to require employer and trainee certification for apprenticeship and OJT programs under chapter 30. (VA apparently interpreted sec. 3034(a)(1) as not necessarily prohibiting VA from requiring dual certifications but, rather, as not requiring VA to require dual certifications pursuant to sec. 3680(c).)

VA proposes to amend 38 CFR 21.7140(c)(2)(ii) to eliminate the trainee certification requirement for apprenticeship and OJT programs under chapter 30. We are proposing to amend section 21.7140(c)(2) so that the certification requirement would be consistent across all VA education and training programs and with Congress’ intent to reduce the administrative burden for trainees enrolled in apprenticeship and OJT programs. H.R. Rep. No. 115-398, at 4.

VA also proposes to amend the authority citations for 38 CFR 21.4138(e) and 21.5133 to explain that 38 U.S.C. 3680(c) is an authority for these regulations. Also, VA would add an authority citation for § 21.7140(c)(2) to explain that 38 U.S.C. 3034 and 3680(g) are the authority for this regulation. Finally, VA would add the Office of Management and Budget (OMB) information-collection control number for 38 CFR 21.4138, 21.5133, 21.7140, and 21.7640.

These proposed amendments would necessitate revision of the current OMB approved collection of information, OMB Control No. 2900-0178, VA Form 22-6553d-1, “Monthly Certification of On-The-Job and Apprenticeship Training.” Both the trainee and the training establishment must currently complete and sign the form reporting the number of hours the trainee has worked and, if applicable, the date the trainee terminated training. Based on this form, VA either continues a trainee’s education benefits without changes or amends or terminates benefits. We propose to revise this information collection to remove the trainee’s certification based on Public Law 115-89.

**Executive Orders 12866, 13563, and 13771**

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, when regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, and other advantages;

distributive impacts; and equity). Executive Order 13563 (Improving Regulation and Regulatory Review) emphasizes the importance of quantifying both costs and benefits, reducing costs, harmonizing rules, and promoting flexibility. The Office of Information and Regulatory Affairs has determined that this rule is not a significant regulatory action under Executive Order 12866. VA’s impact analysis can be found as a supporting document at <http://www.regulations.gov>, usually within 48 hours after the rulemaking document is published. Additionally, a copy of the rulemaking and its impact analysis are available on VA’s website at <http://www1.va.gov/orpm/>, by following the link for “VA Regulations Published From FY 2004 Through Fiscal Year to Date.” This proposed rule is expected to be an E.O. 13771 deregulatory action. Details on the estimated cost savings of this proposed rule can be found in the rule’s economic analysis.

**Regulatory Flexibility Act**

The Secretary hereby certifies that this proposed rule would not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act (5 U.S.C. 601-612). This rulemaking does not change VA’s policy or provisions involving any small entities. Therefore, pursuant to 5 U.S.C. 605(b), the initial and final regulatory flexibility analysis requirements of 5 U.S.C. 603 and 604 do not apply.

**Unfunded Mandates**

The Unfunded Mandates Reform Act of 1995 requires at 2 U.S.C. 1532 that agencies prepare an assessment of anticipated costs and benefits before issuing any rule that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100 million or more (adjusted annually for inflation) in any one year. This proposed rule would have no such effect on State, local, and tribal governments, or on the private sector.

**Paperwork Reduction Act**

The Paperwork Reduction Act of 1995 (at 44 U.S.C. 3507) requires that VA consider the impact of paperwork and other information collection burdens imposed on the public. Under 44 U.S.C. 3507(a), an agency may not collect or sponsor the collection of information, nor may it impose an information collection requirement unless it displays a currently valid OMB control number. *See also* 5 CFR 1320.8(b)(3)(vi).

This proposed rule includes provisions involving a revised collection of information under the Paperwork Reduction Act of 1995 that requires approval by OMB. OMB assigns control numbers to collections of information it approves. VA may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The information collection requirement in §§ 21.4138(e)(2), 21.5133(b), 21.7140(c)(2), and 21.7640(a)(3) is currently approved by OMB and has been assigned OMB control number 2900-0178.

*Title:* Monthly Certification of On-The-Job and Apprenticeship Training (VA Form 22-6553d & 22-6553d-1).

*Summary of collection of information:* The amended collection of information in proposed §§ 21.4138(e)(2), 21.5133(b), 21.7140(c)(2), and 21.7640(a)(3) would require only the training establishment to complete and submit VA Form 22-6553d or 22-6553d-1 to certify a trainee's on-the-job training or apprenticeship training. This proposed rule would eliminate the requirement for the trainee to complete and submit this form to certify training. The proposed amendment to §§ 21.4138(e)(2), 21.5133(b), 21.7140(c)(2), and 21.7640(a)(3) would decrease the estimated annual number of respondents and consequently reduce the estimated total annual reporting and recordkeeping burden.

The estimated annual burden for the revised collection of information would be determined as follows:

*Description of need for information and proposed use of information:* There would be no change in the need for information and proposed use of information collected for OMB-approved Control Number 2900-0178 (VA Form 22-6553d or 22-6553d-1). VA Form 22-6553d or 22-6553d-1 is used to report the number of hours the trainee has worked and, if applicable, to report the date the trainee terminated training.

*Description of likely respondents:* The certifying officials at VA approved training establishments would be the sole respondents as a result of the proposed rule. They are the only parties that would complete and sign VA Form 22-6553d or 22-6553d-1 to certify a trainee's on-the-job training or apprenticeship training as the proposed rule, which would implement Public Law 115-89, would eliminate the requirement that trainees also complete and sign the form. This change, therefore, would reduce the number of respondents.

*Estimated number of respondents per month/year:* 3,795 annually.

*Estimated frequency of responses per month/year:* 9 responses per respondent.

*Estimated number of responses per month/year:* 34,155 annually.

*Estimated average burden per response:* The estimated average burden per response for OMB-approved Control Number 2900-0178 (VA Form 22-6553d or 22-6553d-1), would be 10 minutes, rather than 20 minutes when there were two respondents required for each form.

*Estimated total annual reporting and recordkeeping burden:* 5,693 hours.

*Estimated total annual respondent burden cost:* \$142,211.

This proposed rule would reduce the current annual respondent burden costs from \$283,348 to \$142,211, resulting in an information collection burden costs savings of \$141,137.

### NPDES Electronic Reporting Rule—Phase 2 Extension

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Proposed rule.

**SUMMARY:** EPA published the National Pollutant Discharge Elimination System (NPDES) Electronic Reporting Rule (“NPDES eRule”) on 22 October 2015. The 2015 rule required EPA and states to modernize Clean Water Act (CWA) reporting. The NPDES eRule included a phased implementation schedule. In this notice, EPA proposes postponing the compliance deadlines for Phase 2 implementation by three years and providing states with additional flexibility to request additional time as needed. Further, this notice proposes changes to the NPDES eRule that would clarify existing requirements and eliminate some duplicative or outdated reporting requirements. Taken together, these changes are designed to save the NPDES authorized programs considerable resources, make reporting easier for NPDES-regulated entities, streamline permit renewals, ensure full exchange of NPDES program data between states and EPA, enhance public transparency, improve environmental decision-making, and protect human health and the environment.

**DATES:** Comments must be received on or before April 28, 2020. Under the Paperwork Reduction Act (PRA), comments on the information collection provisions are best assured of consideration if the Office of Management and Budget (OMB) receives a copy of your comments on or before March 30, 2020.

**ADDRESSES:** Submit your comments, identified by Docket ID No. EPA–HQ–OECA–2019–0408, to the Federal eRulemaking Portal: <http://www.regulations.gov>. Follow the online instructions for submitting comments. Once submitted, comments cannot be

edited or withdrawn. EPA may publish any comment received to its public docket. Do not submit electronically any information you consider to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Multimedia submissions (audio, video, etc.) must be accompanied by a written comment. The written comment is considered the official comment and should include discussion of all points you wish to make. EPA will generally not consider comments or comment contents located outside of the primary submission (*i.e.*, on the web, cloud, or other file sharing system). For additional submission methods, the full EPA public comment policy, information about CBI or multimedia submissions, and general guidance on making effective comments, please visit <http://www2.epa.gov/dockets/commenting-epa-dockets>.
