

further the objectives of Section 6(b)(5) of the Act,²⁸ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general to protect investors and the public interest. Specifically, the Exchange believes the proposed rule change will protect investors, because it will aid Members in complying with the CDD Rule's requirement that Members' AML programs include risk-based procedures for conducting ongoing customer due diligence by also incorporating the requirement into Options 9, Section 21.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change simply incorporates into Options 9, Section 21 the ongoing customer due diligence element, or "fifth pillar," required for AML programs by the CDD Rule. Regardless of the proposed rule change, to the extent that the elements of the fifth pillar are not already included in Members' AML programs, the CDD Rule requires Members to update their AML programs to explicitly incorporate them. In addition, as stated in the CDD Rule, these elements are already implicitly required for covered financial institutions to comply with their suspicious activity reporting requirements. Further, all Exchange Members that have customers are required to be members of FINRA pursuant to Rule 15b9-1 under the Exchange Act,²⁹ and are therefore already subject to the requirements of FINRA Rule 3310. Additionally, the proposed rule change is virtually identical³⁰ to FINRA Rule 3310. The Exchange is not imposing any additional direct or indirect burdens on member firms or their customers through this proposal, and as such, the proposal imposes no new burdens on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act³¹ and subparagraph (f)(6) of Rule 19b-4 thereunder.³²

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

³² 17 CFR 240.19b-4(f)(6). In addition, Rule 19b-4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.
