LIBRARY OF CONGRESS

Copyright Royalty Board

[Docket No. 20–CRB–0005–AU]

Notice of Intent To Audit

AGENCY: Copyright Royalty Board (CRB), Library of Congress.

ACTION: Public notice.

SUMMARY: The Copyright Royalty Judges announce receipt of a notice from SoundExchange of SoundExchange's intent to audit the various services, including Commercial Webcaster services, Preexisting Subscription Service(s), New Subscription Service(s), and Business Establishment Service, of Mood Media Corporation and its affiliates for 2017, 2018, and 2019 pursuant to four statutory licenses.

ADDRESSES: Docket: For access to the docket to read background documents, go to eCRB, the Copyright Royalty Board's electronic filing and case management system, at <https://app.crb.gov/> and search for docket number 20–CRB–0005–AU.

FOR FURTHER INFORMATION CONTACT: Anita Blaine, Program Specialist, by telephone at (202) 707–7658 or by email at crb@loc.gov.

SUMMARY INFORMATION: The Copyright Act, title 17 of the United States Code, grants to sound recordings copyright owners the exclusive right to publicly perform sound recordings by means of certain digital audio transmissions, subject to limitations. Specifically, the right is limited by the statutory license in section 114 which allows nonexempt noninteractive digital subscription services, eligible nonsubscription services, pre-existing subscription services, new subscription services, and preexisting satellite digital audio radio services to perform publicly sound recordings by means of digital audio transmissions. 17 U.S.C. 114(f). In addition, a statutory license in section 112 allows a service to make necessary ephemeral reproductions to facilitate the digital transmission of the sound recording, including for transmissions to business establishments. 17 U.S.C. 112(e).

Licensees may operate under these licenses provided they pay the royalty fees and comply with the terms set by the Copyright Royalty Judges. The rates and terms for the section 112 and 114 licenses are set forth in 37 CFR parts 380 and 382–84.

As part of the terms set for these licenses, the Judges designated SoundExchange, Inc., as the Collective, *i.e.*, the organization charged with collecting the royalty payments and statements of account submitted by Commercial Webcasters, Preexisting Subscription Services, New Subscription Services, and Business Establishment Services, and with distributing the royalties to the copyright owners and performers entitled to receive them under the section 112 and 114 licenses. *See* 37 CFR 380.4, 382.5, 383.4, 384.4.

As the Collective, SoundExchange may, only once a year, conduct an audit of a licensee for any or all of the prior three calendar years in order to verify royalty payments. SoundExchange must first file with the Judges a notice of intent to audit a licensee and deliver the notice to the licensee. 37 CFR 380.6, 382.7, 383.4, 384.6.

On January 29, 2020, SoundExchange filed with the Judges a notice of intent to audit Mood Media Corporation and its affiliates (primarily Muzak LLC and DMX Music) for the years 2017, 2018, and 2019. The Judges must publish notice in the **Federal Register** within 30 days of receipt of a notice announcing the Collective's intent to conduct an

audit. *Id.* Today's notice fulfills this requirement with respect to SoundExchange's January 29, 2020 notice of intent to audit.

Dated: February 24, 2020.

Jesse M. Feder,

Chief Copyright Royalty Judge.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA–2020–022]

Agency Guidance; Portal

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of centralized agency guidance portal.

SUMMARY: We are announcing that we have established an online centralized portal that includes information about our guidance and a searchable, indexed listing of, and links to, our guidance documents. The portal, located on our website, does not displace other listings of or links to our guidance documents in topic-specific sections of our website.

DATES: The portal is online beginning February 28, 2020, although we will be refining it and adding existing guidance through the end of May 2020.

ADDRESSES: The portal's URL is archives.gov/guidance.

FOR FURTHER INFORMATION CONTACT: Kimberly Keravuori, Regulatory and External Policy Program Manager, by mail at National Archives and Records Administration, Suite 4100, 8601 Adelphi Road, College Park, MD 20740–6001, or by email at regulation_comments@nara.gov.

SUPPLEMENTARY INFORMATION: Executive Order 13891, and OMB implementing guidance memorandum M–20–02, require Federal agencies to establish an online, centralized, searchable database of their guidance documents, to include certain identifying information, and to provide information on how to comment on open guidance and how to request revisions to the agency's guidance. They also require agencies to publish notice in the **Federal Register** of the new guidance portal.

Although the E.O. and OMB memorandum primarily discuss guidance affecting the public, OMB has clarified that guidance affecting other agencies must also be included in the portal. Most of our guidance pertains to other Federal agencies, including records management guidance, controlled unclassified information

guidance, and classified information guidance, and does not directly affect the public. Agency and other users who already access our guidance through the content-specific sections of our website (such as the records management pages or the CUI pages) may continue to do so. The guidance portal does not replace the information on those pages; it simply pulls the guidance all together in an additional, centralized location.

Archivist of the United States.

SUPPLEMENTARY INFORMATION:

On October 9, 2019, the President issued Executive Order (E.O.) 13891, “Promoting the Rule of Law Through Improved Agency Guidance Documents.” Central principles of E.O. 13891 are that the American public should only be subject to binding rules imposed through duly enacted statutes or through regulations that are lawfully promulgated, and that Americans should have fair notice of any such obligations. To ensure increasing transparency, section 3 of the E.O. requires each agency to establish on its website a single, searchable, indexed database that contains, or links to, all of the agency’s “guidance documents,” as defined in the E.O., and provides certain information about them. Accordingly, PBGC has established the required guidance document database at www.pbgc.gov/guidance. The guidance document database contains links to PBGC “guidance documents.”

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88272; File No. SR-Phlx-2020-06]

Self-Regulatory Organizations; Nasdaq PHLX LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend PSX Rule 3506 (Anti-Money Laundering Compliance Program) and Options 9, Section 21 (Anti-Money Laundering Compliance Program)

February 24, 2020.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 18, 2020, Nasdaq PHLX LLC (“Phlx” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend PSX Rule 3506 and Options 9, Section 21, both titled “Anti-Money Laundering Compliance Program.” This rule change is intended to reflect the Financial Crimes Enforcement Network’s (“FinCEN”) adoption of a final rule on Customer Due Diligence Requirements for Financial Institutions (“CDD Rule”). Specifically, the proposed amendments would conform PSX Rule 3506 and Options 9, Section 21 to the CDD Rule’s amendments to the minimum regulatory requirements for members’ anti-money laundering (“AML”) compliance programs by requiring such programs to include risk-based procedures for conducting ongoing customer due diligence. This ongoing customer due diligence element for AML programs includes: (1) Understanding the nature and purpose of customer relationships for the purpose of developing a customer risk profile; and (2) conducting ongoing monitoring to identify and report suspicious transactions and, on a risk basis, to maintain and update customer information.

The Exchange has designated this proposal as “non-controversial” under

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.
