OFFICE OF MANAGEMENT AND BUDGET

Request for Comments on Updated Guidance for Completing the Transition to the Next Generation Internet Protocol, Internet Protocol Version 6 (IPv6)

AGENCY: Office of Management and Budget.

ACTION: Notice of public comment period.

SUMMARY: The Office of Management and Budget (OMB) is seeking public comment on a draft memorandum titled, *Completing the Transition to Internet Protocol Version 6*.

DATES: The public comment period on the draft memorandum begins on the day it is published in the **Federal Register** and ends 30 days after date of publication in the **Federal Register**. *Privacy/FOIA Notice:* Comments submitted in response to this notice may be publically available and are subject to disclosure under the Freedom of Information Act. For this reason, please do not include in your comments information of a confidential nature,

such sensitive personal information or proprietary information, or any other information that you would not want publically disclosed.

ADDRESSES: Interested parties should provide comments via electronic mail to the following inbox: OFCIO@omb.eop.gov. The Office of Management and Budget is located at 725 17th Street NW, Washington, DC 20503. No physical copies will be accepted.

FOR FURTHER INFORMATION CONTACT: Carol Bales, OMB, at 202.395.9915 or cbales@omb.eop.gov.

SUPPLEMENTARY INFORMATION: The Office of Management and Budget (OMB) is proposing updated guidance to Federal agencies on completing the transition to Internet Protocol Version 6 (IPv6). In August 2005, OMB issued M-05-22, *Transition Planning for Internet Protocol Version 6 (IPv6)*, requiring agencies to enable IPv6 on their backbone networks by June 30, 2008. This policy outlined deployment and acquisition requirements. In September 2010, OMB issued a memo titled "Transition to IPv6", requiring Federal agencies to operationally deploy native IPv6 for public internet servers and internal applications that communicate with public servers. The intent of the newly proposed policy articulated in the draft memorandum is to communicate the requirements for completing the operational deployment of IPv6 across all Federal information systems and services, and help agencies overcome barriers that prevent them from migrating to IPv6-only systems.

In the last 5 years, IPv6 momentum in industry has dramatically increased, with large IPv6 commercial deployments in many business sectors now driven by reducing cost, decreasing complexity, improving security and eliminating barriers to innovation in networked information systems. Mobile networks, data centers and leading-edge enterprise networks, for example, have

been evolving to IPv6-only networks. It is essential for the Federal government to expand and enhance its strategic commitment to the transition to IPv6 in order to keep pace with and capitalize on industry trends. The attached draft memorandum prepared by the Office of Management and Budget, in collaboration with the Federal Chief Information Officers Council and Federal Chief Information Security Officers Council, supports the Administration's goals for modernizing Federal Information Technology.

Suzette Kent,

Federal Chief Information Officer, Office of the Federal Chief Information Officer, Office of Management Budget.

NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

[NARA-20-0004; NARA-2020-023]

Records Schedules; Availability and Request for Comments

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of availability of proposed records schedules; request for comments.

SUMMARY: The National Archives and Records Administration (NARA) publishes notice of certain Federal agency requests for records disposition authority (records schedules). We publish notice in the **Federal Register** and on [regulations.gov](https://www.regulations.gov) for records schedules in which agencies propose to dispose of records they no longer need to conduct agency business. We invite public comments on such records schedules.

DATES: NARA must receive comments by April 16, 2020.

ADDRESSES: You may submit comments by either of the following methods. You must cite the control number, which appears on the records schedule in parentheses after the name of the agency that submitted the schedule.

- *Federal eRulemaking Portal:* <http://www.regulations.gov>.
- *Mail:* Records Appraisal and Agency Assistance (ACR); National Archives and Records Administration; 8601 Adelphi Road; College Park, MD 20740-6001.

FOR FURTHER INFORMATION CONTACT: Kimberly Keravuori, Regulatory and External Policy Program Manager, by email at regulation_comments@nara.gov. For information about records schedules, contact Records Management Operations by email at request.schedule@nara.gov, by mail at

the address above, or by phone at 301-837-1799.

SUPPLEMENTARY INFORMATION:

Public Comment Procedures

We are publishing notice of records schedules in which agencies propose to dispose of records they no longer need to conduct agency business. We invite public comments on these records schedules, as required by 44 U.S.C. 3303a(a), and list the schedules at the end of this notice by agency and subdivision requesting disposition authority.

In addition, this notice lists the organizational unit(s) accumulating the records or states that the schedule has agency-wide applicability. It also provides the control number assigned to each schedule, which you will need if you submit comments on that schedule. We have uploaded the records schedules and accompanying appraisal memoranda to the [regulations.gov](https://www.regulations.gov) docket for this notice as “other” documents. Each records schedule contains a full description of the records at the file unit level as well as their proposed disposition. The appraisal memorandum for the schedule includes information about the records.

We will post comments, including any personal information and attachments, to the public docket unchanged. Because comments are public, you are responsible for ensuring that you do not include any confidential or other information that you or a third party may not wish to be publicly posted. If you want to submit a comment with confidential information or cannot otherwise use the [regulations.gov](https://www.regulations.gov) portal, you may contact request.schedule@nara.gov for instructions on submitting your comment.

We will consider all comments submitted by the posted deadline and consult as needed with the Federal agency seeking the disposition authority. After considering comments, we will post on [regulations.gov](https://www.regulations.gov) a “Consolidated Reply” summarizing the comments, responding to them, and noting any changes we have made to the proposed records schedule. We will then send the schedule for final approval by the Archivist of the United States. You may elect at [regulations.gov](https://www.regulations.gov) to receive updates on the docket, including an alert when we post the Consolidated Reply, whether or not you submit a comment. If you have a question, you can submit it as a comment, and can also submit any concerns or comments you would have to a possible response to the question. We will address these items in
